CIRCULAR

The 23rd January, 2025

Subject : Timely Review of Suspension and early completion of Disciplinary Proceedings.

No. AR-33/3/2025-SECT-1-AR/125.—It has been observed that in many cases, the Courts have set-aside the suspension of the Offices/Officials on the ground of failure to review the suspension within the prescribed time period. Further, the Disciplinary Authorities are not finalizing the disciplinary proceedings within the stipulated time.

It is informed that :-

1. An order of suspension made or deemed to have been made shall not be valid after a period of 90 days unless it is extended after review, for a further period before the expiry of 90 days.

   Provided that no such review of suspension shall be necessary in the case of deemed suspension, if the Government servant continues to be under detention and in such case the ninety day's period shall be computed from the date the Government servant detained in custody is released from detention or the date on which the fact of his release from detention is intimated to his appointing authority, whichever is later :

   Provided further that in a case where no charge sheet is issued under these rules, the total period under suspension or deemed suspension, as the case may be, including any extended period in terms of sub-rule (6) shall not exceed, -

   (a) two hundred seventy days from the date of order of suspension, if the Government servant is placed under suspension in terms of clause (a) of sub-rule (1) ; or

   (b) two years from the date of order of suspension, if the Government servant is placed under suspension in terms of clause (aa) or clause (b) of sub-rule (1) as the case may be ; or

   (c) two years from the date the Government servant detained in custody is released or the date on which the fact of his release from detention is intimated to his appointing authority, whichever is later, in the case of deemed suspension under sub-rule (2).

   (Rule 10(6) and (7) of CCS(CCA) Rules, 1965).

2. In view of (1) above, an order of suspension made of deemed to have been made shall be reviewed by the authority competent to modify or revoke the suspension, before expiry of 90 days from the effective date of suspension, on the recommendation of the Review Committee constituted for the purpose and pass orders either extending or revoking the suspension. Subsequent reviews shall be made before expiry of the extended period of suspension. Extension of suspension shall not be for a period exceeding 180 days at a time.

3. In cases of prolonged suspension period, the courts have pointed out that the suspension cannot be continued for long and that inspite of the instructions, the Disciplinary Authorities are not finalizing the disciplinary proceedings within the stipulated time. Also, in such cases the Government is unnecessarily paying subsistence allowance without extracting any work and if, on the culmination of the disciplinary proceedings, the charged officer is exonerated from the charges, the Government has to unnecessarily pay the full salary and treat the period of suspension as on duty etc.

Therefore, it is necessary that review of suspension is conducted timely in a just and proper manner failing which strict disciplinary action may be initiated against the officers responsible for delay/lapse. Further the disciplinary proceedings need to finalized expeditiously.

Yashpal Garg
Commissioner to the
Government of Arunachal Pradesh,
Itanagar.

GOVERNMENT OF ARUNACHAL PRADESH
PART - III

Resolutions, orders, notifications, rules etc., issued by the Government and Heads of Departments.

NOTIFICATION

The 27th February, 2025

No. HPD(M)-12/3/2025/6065-73.—On recommendation of the State Cabinet meeting held on15th January, 2025, the Governor of Arunachal Pradesh is pleased to notify the Arunachal Pradesh Policy for Restoration of Terminated Large Hydropower Projects under Special Circumstances Policy, 2025'.

I. **Short title and Commencement :** (1) This Policy may be called the **'Arunachal Pradesh Policy for Restoration of Terminated Large Hydropower Projects under Special Circumstances Policy, 2025'.**

(2) It shall come into force on the date of Publication in the official Gazette.

II. **Introduction :** Arunachal Pradesh, with an estimated hydropower potential of approximately 58,000 MW, represents an important component of India's renewable energy, accounting for nearly 40% of the nation's total hydropower capacity. The State's distinctive topography, together with its hilly terrain, abundant rainfall and a network of rivers and tributaries, positions it as a critical hub for hydropower development. The State's five major river basins – Kameng, Subansiri, Siang and Dibang and Lohit –holds considerable potential for sustainable energy generation.

Several projects were previously allotted to Public Sector and Private Sector Enterprises basis the State's Hydropower Policy. However, some projects allotted to private sector could not be initiated due to a variety of circumstances. At present, there exist large projects with estimated generation potential of 1,284 MW which were allotted to Private Sector Enterprises and subsequently terminated by the State Government on account of non-initiation of construction, non-achievement of financial closure etc.

Therefore, this policy aims to lay down the guidelines vide which such terminated projects may be restored to the serious and interested original allottee, in an effort to enhance the ease of doing business in the hydropower sector, attract further investments in the sector and enhance energy security and economic growth.

III. **Definitions :** In this policy, unless the context otherwise requires,

1. "Policy" means Policy for Restoration of Terminated Hydropower Projects 2025.
2. "LHP" means Large Hydro Projects greater than 100 MW of installed capacity.
3. "MW" means Mega Watt.
4. "KW" means Kilo Watt.
5. "MoA" means Memorandum of Agreement.

IV. **Vision :** To accelerate the revival and completion of stalled large hydropower project which achieved good progress by means of collaboration, streamlined execution, delivering high-quality infrastructure efficiently and effectively to maximize the State's Hydropower potential.

V. **Mission :** To create a development-focused environment through timely project restoration and completion of stalled Large Hydropower Projects be leveraging existing expertise, clear communication, mitigating project risks, enhancing operational efficiency to reduce delays and cost overruns in the execution of large hydroelectric projects.

VI. **Objectives :** The Government of Arunachal Pradesh through this policy aims at the revival of terminated large hydropower projects, which achieved substantial progress at site, so as to mitigate the issues arising out of them contributing to prolonged dispute due to time-consuming litigation processes, long running cost implications and blockage of State Revenues with no certainty of restoration of such projects.

Published and printed by Directorate of Printing and Stationery, Naharlagun—125/2025-DoP-250-2-2025.

Therefore, this policy aims to lay down the framework and general guidelines under which terminated projects may be restored to the serious and willing original allottee and provide a fresh opportunity for such allotees to undertake timely execution of such projects.

The major objectives of the policy are as followers :

1. Restore the terminated large hydropower projects to the erstwhile allottee, subject to various mutually agreed upon terms and conditions as laid down in this Policy.
2. Resolve litigation and start the project work immediately leading to lower litigation cost.
3. Leverage existing developer's familiarity with the projects and their expertise to efficiently complete the project, improving its overall quality and performance.
4. Utilise the existing developer's established processes and systems that can streamline project execution, potentially reducing delays and cost overruns.
5. Leverage the developer's familiarity with the project risk, scope and execution improving risk management and reducing uncertainties associated with ongoing arbitration.
6. Re-draft an incentive and penalty-based implementation plan to motivate the developers to complete the projects within a freshly defined timeline, as may be mutually agreed between the State Government and such developers.
7. Reduce the turn-around-time of various clearances by re-validating/renewing the clearances already obtained by the developers.

VII. **Applicability of the Policy :** This policy shall apply only to large hydroelectric projects, as defined by the State Hydropower Policy, 2008 subject to the following general conditions :

1. The policy for restoration of large hydroelectric projects shall apply only in case of projects which were allotted to Private Sector Developers as per the State Hydropower Policy, 2008 and subsequently cancelled by the State Government prior to the date of notification of this Policy.
2. The project has received all requisite clearances and achieved considerable physical progress prior to termination by the State Government.
3. The project has not been allotted to any other entity by the State Government after such cancellation.
4. The erstwhile allottee should furnish specific and genuine reason for the non-implementation of the project in accordance with the mutually agreed upon terms and conditions as per the original MoA. The reason for non-implementation of the project may include termination due to non-compliance of agreed timeline as per original MoA.
5. The erstwhile allottee should not have surrendered the said project in the past.
6. The restoration to the erstwhile allottee has not been stayed or prohibited by a Court or a Tribunal of competent jurisdiction.
7. The erstwhile allottee must :
   (a) not be insolvent, in receivership bankrupt or being wound up, not have its affairs administered by a court or a judicial officer, not have its business activities suspended and must not be the subject of legal proceedings for any of aforesaid reasons.
   (b) (Including their affiliates, subsidiaries, or contractors/sub-consultants for any part of the contract) :
      (i) Not stand declared ineligible/blacklisted/banned/debarred by a Ministry/Department of the Government of India or any State Government from participation in its procurement processes ; and/or.
      (ii) Not be convicted (within three years preceding the date of application) or stand declared ineligible/suspended/blacklisted/banned/debarred by appropriate agencies of the Government of India or the State Government from participation in procurement processes of all its entities, for offences involving moral turpitude in business dealings under the Prevention of Corruption Act, 1988 or any other law ; and/or offences under the Indian Penal Code or any other law for causing any loss of life/limbs/property or endangering Public Health during the execution of a public procurement contract and/or suspected to be or of doubtful loyalty to the Country or a National Security risk as determined by appropriate agencies of the Government of India.
8. Not have changed its name or created a new "Allied Entity", consequent to having declared ineligible/ suspended/blacklisted/banned/debarred as above.

VIII. **Conditions under which restoration may be undertaken :** The State Government may consider restoration of terminated large hydroelectric projects based on a specific request from the erstwhile allottee, subject to the following conditions being fulfilled to the satisfaction of the State Government :

Published and printed by Directorate of Printing and Stationery, Naharlagun—125/2025-DoP-250-3-2025.

1. The erstwhile allottee commits definite timelines for commissioning of the project along with application for restoration, including timelines for all major intermediate stages of implementation of the project.

2. The erstwhile allottee is able to prove sound financial status as on date of submission of application for restoration and is further able to prove financial capacity for implementation of the project as per the timelines mutually agreed upon between the State Government and the allottee.

3. The erstwhile allottee makes a fresh payment equivalent to the premium that was paid at the time of the original allotment, or payment of premium as per the Hydropower Policy or other applicable guidelines which may be in force at the time of seeking such restoration.

4. The project proponent provides an undertaking that subsequent cancellation of the restoration may be undertaken by the State Government due to failure of compliance of the terms jointly agreed upon at the time of restoration and further undertakes that no litigation would be undertaken on account of such subsequent cancellation by the State Government.

5. The project proponent provides an undertaking that on grant of in-principle approval of restoration, all iitigation, arbitration proceedings etc. against the Government of Arunachal Pradesh, its Departments and undertakings would be withdrawn by the proponent prior to signing of fresh/new MoA for restoration.

The restoration of terminated projects would be at the sole discretion of the State Government. The competent authority may in public interest deny, restoration even if the applicant meets all eligibility criteria prescribed as per the policy.

IX. **Applications by allottees :** Willing erstwhile allottees fulfilling the conditions mentioned in the policy may apply in writing to the Commissioner/Secretary, Department of Hydropower Development or any other officer designated by him for such purpose, along with all supporting documents required as per Sections VII and VIII of this Policy. If required, the State Government may also constitute a committee to screen applications received under the Policy.

Applications by erstwhile allottees fulfilling the conditions of this Policy shall ordinarily be approved by the State Government within a reasonable time frame. In case of rejection of applications, the competent authority would be required to record reasons for such rejections in the form of a speaking order. Ordinarily, such orders would be communicated within a reasonable time frame to the applicant.

X. **Modifications in the policy :** The State Government may from time to time, issue amendments/ corrigendum for compliances of various stakeholders as may be necessary for the smooth implementation of the Policy.

NOTIFICATION

The 27th February, 2025.

No. HPD(M)-12/3/2025/6065-73.—On recommendation of the State Cabinet meeting held on 15th January, 2025, the Governor of Arunachal Pradesh is pleased to notify the Arunachal Pradesh Policy for Restoration of Terminated Large Hydropower Projects under Special Circumstances Policy, 2025'.

I. **Short title and commencement:**

1. This Policy may be called the '**Arunachal Pradesh Policy for Restoration of Terminated Large Hydropower Projects under Special Circumstances Policy, 2025'.**

2. It shall come into force on the date of publication in the official Gazette.

II. **Introduction :**

Arunachal Pradesh, with an estimated hydropower potential of approximately 58,000 MW, represents an important component of India's renewable energy, accounting for nearly 40% of the nation's total hydropower capacity. The State's distinctive topography, together with its hilly terrain, abundant rainfall and a network of rivers and tributaries, positions it as a critical hub for hydropower development. The State's five major river basins-Kameng, Subansiri, Siang, and Dibang, and Lohit-holds considerable potential for sustainable energy generation.

Several projects were previously allotted to Public Sector and Private Sector Enterprises basis the State's Hydropower Policy. However, some projects allotted to private sector could not be initiated due to a variety of circumstances. At present, there exist large projects with estimated generation potential of 1,284 MW which were allotted to Private Sector Enterprises, and subsequently terminated by the State Government on account of non-initiation of construction, non-achievement of financial closure etc.

Therefore, this policy aims to lay down the guidelines vide which such terminated projects may be restored to the serious and interested original allottee, in an effort to enhance the ease of doing business in the hydropower sector, attract further investments in the sector and enhance energy security and economic growth.

III. **Definitions**

In this policy, unless the context otherwise requires,

1. "Policy" means Policy for Restoration of Terminated Hydropower Projects 2025.
2. "LHP" means Large Hydro Projects greater than 100 MW of installed capacity.
3. "MW" means Mega Watt.
4. "KW" means Kilo Watt.
5. "MoA" means Memorandum of Agreement.

IV. **Vision**

To accelerate the revival and completion of stalled large hydropower projects which achieved good progress by means of collaboration, streamlined execution, delivering high-quality infrastructure efficiently and effectively to maximize the State's Hydropower potential.

V. **Mission**

To create a development-focused environment through timely project restoration and completion of stalled Large Hydropower Projects by leveraging existing expertise, clear communication, mitigating project risks, enhancing operational efficiency to reduce delays and cost overruns in the execution of large hydroelectric projects.

VI. **Objectives**

The Government of Arunachal Pradesh through this policy aims at the revival of terminated large hydropower projects, which achieved substantial progress at site, so as to mitigate the issues arising out of them contributing to prolonged dispute due to time-consuming litigation processes, long running cost implications, and blockage of State Revenues with no certainty of restoration of such projects.

Therefore, this policy aims to lay down the framework and general guidelines under which terminated projects may be restored to the serious and willing original allottee and provide a fresh opportunity for such allotees to undertake timely execution of such projects.

The major objectives of the policy are as follows:

1. Restore the terminated large hydropower projects to the erstwhile allottee, subject to various mutually agreed upon terms and conditions as laid down in this Policy
2. Resolve litigation and start the project work immediately leading to lower litigation cost
3. Leverage existing developer's familiarity with the projects and their expertise to efficiently complete the project, improving its overall quality and performance

Published and printed by Directorate of Printing and Stationery, Naharlagun—144/2025-DoP-250-3-2025.

4. Utilise the existing developer's established processes and systems that can streamline project execution, potentially reducing delays and cost overruns

5. Leverage the developer's familiarity with the project risk, scope and execution improving risk management and reducing uncertainties associated with ongoing arbitration.

6. Re-draft an incentive and penalty-based implementation plan to motivate the developers to complete the projects within a freshly defined timeline, as may be mutually agreed between the State Government and such developers.

7. Reduce the turn-around-time of various clearances by re-validating/renewing the clearances already obtained by the developers

VII. **Applicability of the Policy:**

This policy shall apply only to large hydroelectric projects, as defined by the State Hydropower Policy, 2008 subject to the following general conditions:

1. The policy for restoration of large hydroelectric projects shall apply only in case of projects which were allotted to Private Sector Developers as per the State Hydropower Policy, 2008 and subsequently cancelled by the State Government prior to the date of notification of this Policy.

2. The project has received all requisite clearances and achieved considerable physical progress prior to termination by the State Government.

3. The project has not been allotted to any other entity by the State Government after such cancellation.

4. The erstwhile allottee should furnish specific and genuine reason for the non-implementation of the project in accordance with the mutually agreed upon terms and conditions as per the original MoA. The reason for non-implementation of the project may include termination due to non-compliance of agreed timeline as per original MoA.

5. The erstwhile allottee should not have surrendered the said project in the past.

6. The restoration to the erstwhile allottee has not been stayed or prohibited by a Court or a Tribunal of competent jurisdiction.

7. The erstwhile allottee must:

   (a) not be insolvent, in receivership, bankrupt or being wound up, not have its affairs administered by a court or a judicial officer, not have its business activities suspended and must not be the subject of legal proceedings for any of aforesaid reasons.

   (b) (Including their affiliates, subsidiaries, or contractors/sub-consultants for any part of the contract):

      (i) Not stand declared ineligible/blacklisted/banned/ debarred by a Ministry/Department of the Government of India or any State Government from participation in its procurement processes; and/ or

      (ii) Not be convicted (within three years preceding the date of application) or stand declared ineligible/suspended/blacklisted/banned/debarred by appropriate agencies of the Government of India or the State Government from participation in procurement processes of all its entities, for offences involving moral turpitude in business dealings under the Prevention of Corruption Act, 1988 or any other law; and/or offences under the Indian Penal Code or any other law for causing any loss of life/limbs/property or endangering Public Health during the execution of a public procurement contract and/or suspected to be or of doubtful loyalty to the Country or a National Security risk as determined by appropriate agencies of the Government of India.

8. Not have changed its name or created a new "Allied Entity", consequent to having declared in eligible/ suspended/blacklisted/banned/debarred as above.

VIII. **Conditions under which restoration may be undertaken:**

The State Government may consider restoration of terminated large hydroelectric projects based on a specific request from the erstwhile allottee, subject to the following conditions being fulfilled to the satisfaction of the State Government:

1. The erstwhile allottee commits definite timelines for commissioning of the project along with application for restoration, including timelines for all major intermediate stages of implementation of the project

2. The erstwhile allottee is able to prove sound financial status as on date of submission of application for restoration and is further able to prove financial capacity for implementation of the project as per the timelines mutually agreed upon between the State Government and the allottee

Published and printed by Directorate of Printing and Stationery, Naharlagun—144/2025-DoP-250-3-2025.

3. The erstwhile allottee makes a fresh payment equivalent to the premium that was paid at the time of the original allotment, or payment of premium as per the Hydropower Policy or other applicable guidelines which may be in force at the time of seeking such restoration.

4. The project proponent provides an undertaking that subsequent cancellation of the restoration may be undertaken by the State Government due to failure of compliance of the terms jointly agreed upon at the time of restoration and further undertakes that no litigation would be undertaken on account of such subsequent cancellation by the State Government.

5. The project proponent provides an undertaking that on grant of in-principle approval of restoration, all litigation, arbitration proceedings etc. against the Government of Arunachal Pradesh, its Departments and undertakings would be withdrawn by the proponent prior to signing of fresh/new MoA for restoration.

The restoration of terminated projects would be at the sole discretion of the State Government. The competent authority may in public interest deny, restoration even if the applicant meets all eligibility criteria prescribed as per the policy.

IX. **Applications by allottees:**

Willing erstwhile allottees fulfilling the conditions mentioned in the policy may apply in writing to the Commissioner/Secretary, Department of Hydropower Development or any other officer designated by him for such purpose, along with all supporting documents required as per Sections VII and VIII of this Policy. If required, the State Government may also constitute a committee to screen applications received under the Policy.

Applications by erstwhile allottees fulfilling the conditions of this Policy shall ordinarily be approved by the State Government within a reasonable time frame.

In case of rejection of applications, the competent authority would be required to record reasons for such rejections in the form of a speaking order. Ordinarily, such orders would be communicated within a reasonable time frame to the applicant.

X. **Modifications in the Policy**

The State Government may from time to time, issue amendments/corrigendum for compliances of various stakeholders as may be necessary for the smooth implementation of the Policy.

Manish Kumar Gupta, IAS
Chief Secretary,
Government of Arunachal Pradesh,
Itanagar.

NOTIFICATION

The 5th March, 2025

No. DTH-12013/4/2024 (E196832)/2277-87.—In pursuance of the decision of the State Cabinet dated 17th February, 2025, conveyed vide letter No.CAB/M-02/2/2025 dated 24th February, 2025, the Governor of Arunachal Pradesh is pleased to notify the "**Arunachal Pradesh Handloom and Handicrafts Policy-2025**" in the State as follows:

It shall come into force from the date of issue of this notification.

ARUNACHAL PRADESH HANDLOOM AND HANDICRAFTS POLICY

1. **CHAPTER 1 - INTRODUCTION:**

1.1. **Introduction**

Arunachal Pradesh, also known as the "Land of the Dawn-Lit Mountains", is a state in Northeast India known for its strategic location, rich biodiversity, and cultural diversity. Formed from the North-East Frontier Agency (NEFA) region, India declared it as a state on 20th February, 1987. Arunachal Pradesh shares its international boundary with Bhutan in the West, China's Tibet Autonomous Region in the North and Myanmar in the East. It shares its National boundary with Assam and Nagaland in the South. This positioning not only makes it a getaway for trans-Himalayan trade but also a critical frontier for national security.

Arunachal Pradesh is one of the largest state's in India in terms of area with 83,743 square kilometres (32,333 sq miles). It has a total population of 1,382,611 as of the 2011 Census of India, and population density of only 17 persons per square kilometre.

Arunachal Pradesh is home to 26 major tribes and over 100 sub-tribes, each with its own distinct traditions, dialects, festivals, costumes & accessories, social structure etc. The State's cultural practices, traditional dances etc is a testament to the preservation of ancient traditions. Festivals are not merely celebrations but are profound expressions of identity, spirituality and community.

Published and printed by Directorate of Printing and Stationery, Naharlagun—144/2025-DoP-250-3-2025.

Economically, Arunachal Pradesh leans heavily on agriculture, with practices like jhum or shifting cultivation being common. However, the state's potential extends far beyond traditional farming. Its vast forests are rich in medicinal plants and biodiversity, pristine valleys and mountains attracts tourist from around the world. The state's handloom and handicrafts, deeply rooted in its cultural traditions, also play a significant role in its economic development.

1.2. Overview of the Handloom and Handicrafts Sector in Arunachal Pradesh

The Handloom and Handicraft sector in Arunachal Pradesh represents a significant cultural and economic facet of the state, known for its rich tribal heritage and traditional craftsmanship. Each tribe in Arunachal Pradesh has its own distinct designs, patterns and motifs that are unique to their cultural heritage. These intricate and vibrant designs showcase the creativity, skill and deep-rooted cultural identity of the state's people.

Although the Northeast region of India constitutes only 8% of the country's geographic area, it is home to 61% of India's handloom weavers. The handloom industry is one of the largest unorganized economic activities in the nation.

In Arunachal Pradesh, weaving is a traditional occupation and an exclusive monopoly of the women folk. As per the 4th All India Handloom census (2019-20) there are 77600 handloom weavers and 17016 allied workers in Arunachal Pradesh. The state's diverse ethnic communities, each with their own distinct cultural identities, have developed unique and intricate weaving and handicraft traditions over the years. The traditional loin loom is extensively used and this culturally and economically important activity plays a crucial role in the state's economy. It is predominantly a decentralized industry, with most activity taking place from home.

The traditional crafts of Arunachal Pradesh such as woodcarvings, bamboo and cane work, carpet making, paper making, thangka painting, beadwork etc are deeply rooted in the cultural identity of the tribes reflecting their history, beliefs and daily life. These handcrafted items not only representative of the cultural identity of the ethnic groups but also hold the potential for economic growth and development through targeted interventions and policy support.

Both the handloom and handicrafts sector are crucial components of Arunachal Pradesh's economic framework. As a traditional, cottage-level enterprise, they have managed to maintain their presence over the years, with the transfer of skills and techniques from one generation to the next. Despite the unorganized nature of this sector, it continues to serve as a significant non-farm, labour-intensive contributor to the state's overall economic output. Notably, the handloom and handicraft segments stand out as naturally productive assets that have sustained their growth, underscoring the resilience and cultural significance of these age-old traditional crafts within Arunachal Pradesh's economic landscape.

However, today, the sector faces challenges posed by modernization and the influence of mass-produced goods. With the younger generation opting for urban jobs over traditional crafts, there has been a significant decline in traditional skilled artisans. There is a need for efforts to preserve and promote the handloom and handicraft traditions of Arunachal Pradesh, as they serve as a testament to the creativity, skill and deep-rooted cultural identity of its people. By safeguarding this heritage, the state can empower its artisans and inspire generations to come.

1.3. Challenges Faced by Handloom and Handicrafts Sector

(a) **Informal Nature of the Sector:**

The handloom and handicrafts sector are largely characterized by individual, traditional crafts people who practice weaving and other artisanal skills as a part-time or supplementary activity, rather than as a full-time professional pursuit. This informal and fragmented nature of the sector, where weavers and artisans often engage in these activities on their own terms and schedules, poses challenges in terms of consistent productivity, quality control and the ability to scale up operations. The lack of a more structured, professional workforce in the sector hinders its ability to adapt to changing market demands, adopt modern technologies and develop effective business and marketing strategies.

(b) **Outdated Production Methods and Technological Gaps:**

The sector is heavily reliant on traditional, manual production methods, which results in low productivity and inconsistent quality. There is a knowledge gap among master trainers, who are not updated on the latest techniques and technologies, leading to a lack of skill development and modernization. The absence of modern tools, equipment and facilities is further exacerbating the technological challenges faced by the weavers and artisans.

(c) **Limited Availability and Access to Raw Materials:**

Weavers and artisans often face difficulties in procuring the desired quality, colour and specifications of yarn locally due to limited production and supply chain infrastructure in the region. This lack of access to quality raw materials is a significant hindrance to the productivity, competitive pricing and consistency of their products.

Published and printed by Directorate of Printing and Stationery, Naharlagun—144/2025-DoP-250-3-2025.

(d) **Need for Branding, Marketing and Product Development :**

The sector lacks effective branding and marketing strategies, limiting the reach and visibility of their products in the target market. Insufficient market research and product development capabilities within the department hinder the sector's ability to adapt to evolving consumer preferences.

(e) **Competition from Mass-Produced, Cheaper Alternatives :**

The handloom and handicrafts sector faces fierce competition from mass-produced, machine-made products that are often cheaper and more accessible to consumers. This competition poses a significant threat to the survival and sustainability of traditional crafts and techniques.

(f) **Generational Shift and Changing Attitudes :**

The declining interest in traditional crafts and techniques among the younger generation poses a significant challenge to the continuity and relevance of the traditional crafts. The younger artisans are more inclined towards modern tools, technologies and production methods, rather than the laborious, traditional techniques used by their predecessors. This generational shift in preferences and skills, coupled with the lack of access to modern equipment and the necessary skills to utilize them, is posing a threat to the industry. If not addressed, this trend could lead to the loss of valuable cultural heritage and an important socio-economic activity.

2. CHAPTER -2- VISION AND OBJECTIVE :

2.1. Vision and Objective

"To preserve and promote the rich cultural heritage of Arunachal Pradesh by empowering artisans and nurturing a globally competitive vibrant handloom and handicrafts ecosystem that generates sustainable livelihoods and contributes to the socio-economic development of the state".

(1) **Preservation and Promotion of Traditional Crafts**

(i) Safeguard and revive the traditional techniques, designs and knowledge systems associated with handloom and handicrafts.

(ii) Research, document and showcase the rich cultural heritage and diversity of the state's indigenous crafts.

(iii) Encourage the inter-generational transfer of skills and traditional craft-making practices.

(iv) Promote innovation and product diversification while maintaining the authenticity of traditional crafts.

(v) Safeguard and protect traditional crafts from the threat of imitation

(2) **Empowerment of Artisans and Enterprises:**

(i) Facilitate access to raw materials, modern tools and technologies for weavers/artisans and enterprises.

(ii) Provide access to credit, finance and insurance schemes for artisans and enterprises.

(iii) Enhance the technical, entrepreneurial and managerial capabilities of artisans and enterprises.

(iv) Provide social security measures and welfare schemes for the weavers/artisan community.

(3) **Market Development and Linkages:**

(i) Facilitate market access and expand the reach of handloom and handicraft products, both in domestic and international markets.

(ii) Develop effective branding, marketing and promotional strategies for the state's craft products.

(iii) Establish robust supply chain linkages and collaborations between vendors, artisans, enterprises and marketing channels.

(iv) Leverage e-commerce and digital platforms to enhance the visibility and sales of craft products.

(4) **Skill Development and Training:**

(i) Upgrade craft centres across the state to provide training and skill development opportunities to the youth in traditional and other contemporary crafts.

(ii) Develop comprehensive uniform training modules and curricula to ensure the systematic transfer of traditional and contemporary craft-making knowledge and techniques.

(iii) Collaborate with academic institutions, industry experts and master craftsman to design and deliver effective training programs.

(iv) Facilitate exposure visits, internship programs and exchange programs

Published and printed by Directorate of Printing and Stationery, Naharlagun—144/2025-DoP-250-3-2025.

(5) **Infrastructure and Support Systems :**

(i) Establish well equipped craft centres, design studios and handloom and handicraft development centres to support the handloom and handicrafts sector.

(ii) Develop a central sales, warehousing and logistics facility.

(iii) Strengthen the institutional and governance mechanisms for the effective implementation of the policy.

(6) **Sustainable Development and Environmental Conservation :**

(i) Promote the use of eco-friendly and sustainable raw materials, dyes and production techniques.

(ii) Utilise natural resources and traditional knowledge in the development of the handloom and handicrafts.

(7) **Research, Innovation and Technology Upgradation :**

(i) Facilitate research and development to improve product quality, design and production processes.

(ii) Introduce appropriate technologies and digital tools to enhance the competitiveness of the sector.

(iii) Collaborate with academic institutions, research organizations, design centres and other such institutions for documentation, knowledge-sharing and capacity building.

2.2. **Thrust areas**

(i) Preservation, revival and promotion of traditional crafts
(ii) Documentation and Showcasing of Cultural Heritage
(iii) Facilitating Access to credit facility
(iv) Ensuring Access to Raw Materials, Tools and Technologies
(v) Technological Upgradation and Innovation
(vi) Strengthening Infrastructure
(vii) Product Development, Diversification and Quality Enhancement
(viii) Developing Effective Marketing and Branding Strategies
(ix) In Service Training, Capacity Building and Skill Development
(x) Providing Social Security and Welfare Measures
(xi) Protection from Imitation and Counterfeiting

2.3. **Implementation Period and Review**

This Handloom and Handicrafts Policy of Arunachal Pradesh shall be effective for a period of 5 years, from 2024 to 2029. The State Government shall have the right to review the provisions of this policy periodically, to assess its effectiveness and relevance. Based on the review findings, the State Government may :

(i) Add new provisions or modify existing ones to better address the needs of the sector.
(ii) Amend or refine the implementation strategies and institutional arrangements.
(iii) Realign the budgetary allocations and resource mobilization efforts.
(iv) Introduce new schemes, incentives, or support measures to boost the growth and sustainability of the sector.
(v) Discontinue or phase out provisions that have become redundant or ineffective.

2.4. **Strategy**

To achieve the vision and objectives of the Handloom and Handicrafts Policy of Arunachal Pradesh, a comprehensive and multi-pronged strategy will be adopted to address the diverse needs and challenges faced by the sector. Specific interventions and action plans will be designed for implementation under each of the key policy objectives, including the preservation and promotion of traditional crafts, empowerment of artisans and enterprises, market development and linkages, infrastructure and support systems, sustainable development and research, innovation and technology up-gradation.

The Ministry of Textiles, Government of India, constitutes the central pillar of the ecosystem governing both the handloom and handicrafts sectors across the country. This Handloom and Handicrafts Policy of the state will facilitate the comprehensive implementation of the National Handloom Development Program and other Central Sector Schemes. By closely aligning the state's policy initiatives with these established national schemes, the objective is to provide robust support and further the growth and development of the handloom and handicrafts industries within Arunachal Pradesh. This integrated approach will leverage the resources, infrastructure and implementation mechanisms of the flagship national programs overseen by the Ministry of Textiles.

Published and printed by Directorate of Printing and Stationery, Naharlagun—144/2025-DoP-250-3-2025.

A collaborative approach will be taken, involving banks, financial institutions, industry associations and other relevant stakeholders, to help in the holistic development of the handloom and handicrafts sector in Arunachal Pradesh. These collaborations will facilitate the implementation of the policy interventions and ensure the availability of financial and non-financial support mechanisms.

3. CHAPTER - 3 - POLICY INTERVENTIONS

3.1. Weavers/Artisan Database

The development of a comprehensive digital database for weavers and artisans is a crucial first step in the handloom and handicraft policy strategy for Arunachal Pradesh. This centralized weavers/ artisan database, serving as a baseline survey, will be the foundation upon which the entire handloom and handicraft policy strategy will be built. It will work in tandem with the broader national handloom census, providing a comprehensive understanding of the sector and paving the way for effective, evidence-based interventions to enable the Government to make data-driven decisions, optimize resource allocation and deliver tailored support to the weaving and crafting community, ultimately empowering and uplifting this vital sector of the state's economy as well as supporting and nurturing the rich handloom and handicraft heritage of Arunachal Pradesh. Additionally, the database will be integrated with the Arun Parivar Patra.

3.2. Raw Materials and Tool Bank

In order to address the challenges faced by weavers and artisans in accessing quality raw materials and necessary tools, a centralized yarn depot will be established in Arunachal Pradesh. This depot will serve as a one-stop hub, not only providing a reliable supply of man-made and natural fibers like cotton, silk, flax, jute and wool but also offering essential tools and accessories required by the weaving and crafting community. To further support the weavers and artisans, the Government will introduce a system of yarn subsidies and transportation reimbursements. This multi-faceted approach will help reduce the financial burden on the artisans and ensure the availability of high-quality raw materials and equipment, enabling them to enhance the quality and productivity of their handloom and handicraft products. By creating this centralized repository of tools and raw materials, along with the establishment of a revolving fund, the government aims to create a conducive ecosystem that fosters the growth and development of the handloom and handicraft sectors in the state.

3.3. Access to Credit

Recognizing the need to improve access to institutional credit for weavers and artisans, both in rural and urban areas, the Government of Arunachal Pradesh will introduce the Weavers Credit Card Scheme. Under this initiative, low-interest working capital loans and interest subsidies will be provided to the beneficiaries, making it easier for them to access the financial resources they require.

Additionally, the state Government will collaborate with relevant departments to help weavers and artisans leverage other central schemes, such as the MUDRA Yojana and Pradhan Mantri Vishwakarma Yojana, or any other such schemes that may be launched in the future. This coordinated approach will ensure that the weavers and artisans can avail a comprehensive suite of financial assistance, enabling them to enhance their productivity, scale their businesses and improve their overall economic well-being.

3.4. Social Security Schemes

Universal and affordable Social Security and need based financial assistance will be provided to the weavers and artisans: -

(i) The enrolment of weavers and artisans will be facilitated for various social security schemes, such as the Pradhan Mantri Jeevan Jyoti Bima Yojana (PMJJBY), which provides life insurance coverage and the Pradhan Mantri Suraksha Bima Yojana (PMSBY), which offers disability insurance. By providing access to these comprehensive social security nets, the weavers and artisans will be safeguarded against the uncertainties of life and empower them to continue their traditional crafts with a greater sense of financial security. Furthermore, the Government will implement any relevant social security schemes such as Atal Pension Yojana (APY), a scheme that provides a reliable source of retirement income and any other that may be introduced in the future to further strengthen the social protection framework for this community.

(ii) Under the Weavers and Artisans Old Age Pension Scheme, regular monthly pension will be provided to state handloom weaver award recipients and handicraft artisan award recipients upon reaching 60 years of age, in order to financially support skilled traditional craftspeople in their old age.

(iii) Enable handloom weavers to avail the existing scholarship program under the National Handloom Development Programme (NHDP). This program provides up financial support to children of handloom weavers and workers for studying in Textile Institutes.

3.5. Research and Development

Research and Development is recognized as a crucial component for the sustained growth and competitiveness of the handloom and handicraft sectors in Arunachal Pradesh. The existing Research and Development Center (RDC) located in Doimukh will undergo a comprehensive overhaul to strengthen its capabilities and infrastructure to support a wide range of research, technological interventions, design and innovation activities and as well as to host training programs, workshops and skill development initiatives for weavers, artisans and aspiring entrepreneurs.

Published and printed by Directorate of Printing and Stationery, Naharlagun—144/2025-DoP-250-3-2025.

RDC will also collaborate with academic institutions and established design institutions to research, document and technologically upgrade all traditional crafts and techniques practiced in the state. This initiative aims to create a comprehensive archive of Arunachal Pradesh's rich cultural heritage. RDC will also work closely with these institutions, weavers, artisans and other stakeholders to find effective ways to revive and preserve the traditional crafts, skills and practices that are at risk of being lost over time.

3.6. **Design and Innovation**

A Design Studio is envisioned as a key component to support innovation and product development in the handloom and handicraft sectors of Arunachal Pradesh. This collaborative space will bring together designers and experts to create new product concepts and refine existing designs. The Design Studio will guide the entire product development process, from ideation to final manufacture. By fostering a design-led approach, the Government aims to boost the sector by creating unique, customer targeted products that can compete in local and global markets. The Design Studio will serve as a hub to develop handloom and handicraft offerings that celebrate the state's rich cultural heritage and cater to evolving consumer preferences.

Institutions like NIFT and NID etc and other national centres for design will be encouraged and facilitated to participate in internship programs in the design studio.

3.7. **E-commerce and Digital Initiatives**

The Government will leverage digital technologies and e-commerce platforms to promote the state's rich cultural heritage under one unified umbrella brand. This will be achieved by on boarding all leading e-commerce platforms such as AMAZON, other online market places and the **Open Network for Digital Commerce (ONDC)** for all handloom and handicraft products from Arunachal Pradesh. Additionally, the Government will support individual weavers and artisans in on boarding such e-commerce portals, enabling them to access a larger customer base.

3.8. **Convergence with Allied Departments**

Through collaboration amongst allied departments, the Government aims to enhance resource optimization, align interventions and provide a streamlined support system. By partnering with departments and other Government bodies such as Skill Development, Sericulture, Micro, Small and Medium Enterprises (MSME), KVIC (Khadi and Village Commission), Industries, Registrar of Co-op Societies, Arunachal Pradesh State Rural Livelihood Mission (ArSRLM), Weavers Service Center etc the Government endeavours to address the diverse needs of the handloom and handicraft sectors more effectively.

3.9. **One Tribe One Weave**

The primary aim of the One Weave One Tribe initiative is to develop a sustainable and scalable model for the handloom sector in Arunachal Pradesh. The key goals are to empower the weavers by strengthening their capacities and enhancing their livelihoods, scale up the production capabilities through collective efforts and collaborative initiatives, preserve the unique cultural heritage, traditional designs and artistic expressions of the tribal communities, and create a thriving ecosystem that can cater to diverse market demands, both within the state and beyond, for authentic handloom products.

To ensure the equitable development of the handloom and handicraft traditions across all tribes, fostering a sense of ownership and pride among the communities.

(i) To safeguard the distinct identity and unique characteristics of the handloom and products from each tribal community, ensuring they are recognized and celebrated on regional, national and global platforms.

(ii) To develop comprehensive strategies to scale up production and effectively market handloom and handicraft products featuring signature weaves of all tribes of Arunachal Pradesh tribe, both within and beyond the traditional consumer base.

(iii) To create innovative product lines that are inspired by the traditional designs and aesthetics of each tribe, while appealing to a broader consumer base.

(iv) To facilitate collaborative efforts among the weavers from each tribe, enabling them to collectively produce and market the designed products, thereby strengthening their economic and social well-being.

(v) Additionally, all the schemes and interventions under the handloom and handicraft policy will be implemented in a manner that prioritizes the development and marketing of one signature product from each of the tribes.

3.10. **Human Resource Development**

Investing in the skill development and capacity-building of weavers and artisans is a key priority. Comprehensive skill development programs will be established to empower and equip the artisan community with advanced skills. These programs will offer technical training, design workshops and business management courses. This will enable artisans to enhance product quality, foster design innovation and strengthen their entrepreneurial capabilities.

Published and printed by Directorate of Printing and Stationery, Naharlagun—144/2025-DoP-250-3-2025.

The policy will also focus on nurturing the next generation of craftspeople. Training programs targeting the younger generation will be taken up, including short term training programs for school children, unemployed youth etc.

Capacity building initiatives for the department staff responsible for implementation and extension services will also be a key focus. Specialized training, exposure visits and continuous learning programs will ensure the staff is equipped to effectively support the artisan community and deliver services.

3.11. **Cluster Development**

The Government will harness the benefits provided by the Ministry of Textiles (GOI), National Handloom/Handicrafts Development Program (NHDP) to facilitate the development of handloom and handicraft clusters in the state. These clusters will bring together weavers and artisans, allowing them to access financial assistance, training programs, marketing support, and technological upgradation. The government aims to utilize the NHDP schemes, such as the Cluster Development Program, Yarn Depot Scheme and support for modernization of equipment, to empower the local handloom and handicraft communities and promote the state's unique products.

3.12. **Legal Protection**

To safeguard the handloom sector from the dominance of power looms and protect the interests of weavers and artisans, the government has enacted measures such as the Hank Yarn Obligation Order and Reservation Orders under the Handloom (Reservation of Articles for Production) Act, 1985. These interventions prohibit the production of certain handloom articles on power looms under the existing laws. In an effort to continue defending the handloom sector and the skilled artisans it supports, the Government will enforce the Handloom (Reservation of Articles for Production) Act, 1985 and the associated rules and orders.

Geographical Indication (GI) registration and certification for the handloom and handicraft products of Arunachal Pradesh will help establish the unique identity and origin of the state's products, ensuring they are recognized and valued both within the state and globally. By obtaining GI status, the traditional knowledge and techniques used in crafting these products can be protected, preventing unauthorized imitation. The Government will collaborate with NABARD to facilitate GI registration for all important handloom and handicraft products from Arunachal Pradesh. This will be accompanied by measures to ensure the continuous protection and promotion of these GI-registered products, such as registering artisans, developing robust branding strategies and implementing strict quality control mechanisms.

3.13. **Marketing and Promotion :**

To enhance the visibility and marketability of handloom and handicraft products from Arunachal Pradesh, the Government will adopt a multi-pronged approach.

(i) Organize state-level and district-level exhibitions and fairs to showcase the diversity and unique designs of the products.

(ii) Establish Handloom and Handicraft Emporiums across the state and country to serve as dedicated platforms for display and sale.

(iii) Participate in national and international trade fairs to amplify the reach and exposure of the products.

(iv) Leverage e-commerce and digital platforms to expand the online presence and accessibility of the products.

(v) Develop a strong brand identity and promotional materials to effectively communicate the cultural heritage and craftsmanship. Implement mechanisms to gather market insights, consumer preferences and feedback from buyers/customers to inform product development and marketing efforts.

3.15. **Handloom Mark**

The Government of Arunachal Pradesh will implement the Handloom Mark Scheme to establish a distinct identity and quality assurance for the state's handloom products. The Handloom Mark is a certification that helps consumers identify authentic handloom items. This initiative aims to build trust and confidence among buyers, both within the state and across the country, by assuring the authenticity and quality of the handcrafted products.

3.16. **Handloom and Handicraft Awards**

The Handloom and Handicraft Awards program recognizes the exceptional contributions of skilled weavers and artisans, empowering them to enhance their livelihoods. Annually, the program awards three handloom weavers and three artisans with the State Award, which includes certificates and cash awards in acknowledgment of their exceptional work.

In addition to the awards, the state awardees will also be eligible for an old-age pension scheme on attaining the age of 60 years and will also receive a comprehensive assistance package. This package aims to support the weavers and artisans by providing them with marketing, machinery, tools, equipment and skill upgradation. The goal of this assistance is to help the weavers and artisans increase their productivity and improve the quality of their creations, thereby leading to an enhancement of their livelihoods.

Published and printed by Directorate of Printing and Stationery, Naharlagun—144/2025-DoP-250-3-2025.

3.17. **Comprehensive Livelihood Promotion Scheme**

A comprehensive Weaver/Artisan Empowerment and Sustainable Livelihood Program will be undertaken to provide complete package to weavers and artisans. This program will offer end-to-end assistance to enable the establishment of sustainable livelihoods and viable businesses for the handloom and handicraft artisans. The key objective of this initiative is to empower the traditional craftsmen by addressing their multifaceted needs - from access to raw materials, tools and equipment, to skill upgradation, market linkages and financial assistance to enable the growth of the weaving and artisanal communities.

3.18. **Branding and Merchandising - Umbrella Brand**

An umbrella brand to showcase the diversity of handlooms and handicrafts of Arunachal Pradesh, will be launched as a comprehensive initiative to elevate the visibility and appeal of the state's rich cultural heritage through its handloom and handicraft products. The brand will aim to establish a cohesive brand identity that encompasses distinctive product packaging, standardized labelling, a strong digital presence and dedicated retail experiences, serving as an authentic representation of Arunachal Pradesh's artisanal traditions and helping differentiate the state's offerings from mass-produced alternatives.

3.19. **Promotion of Sustainable Eco-friendly Products**

The state's traditional handloom and handicraft items are inherently eco-friendly in terms of materials and production methods. To further highlight and leverage this sustainable aspect of local craftsmanship, the state will provide targeted incentives and support to artisans and weavers. The goal is to encourage the adoption of even more eco-friendly raw materials and promote traditional production methods across the sector.

Simultaneously, the state will work to strengthen the marketing and branding of these green products. This will be a key unique selling proposition (USP) for the state, as it aligns with the growing global demand for sustainable and ethically-produced consumer goods. By promoting the environmental credentials of its local crafts, the state aims to position itself as a hub for responsible consumerism, while also preserving the traditional skills and livelihoods of its artisan communities and contributing to its overall green development goals.

3.20. **Export Strategy**

To enable the export of Arunachal Pradesh's handloom and handicraft products, the Government will work closely with the Handloom Export Promotion Council and the Export Promotion Council for Handicrafts. The primary focus will be on creating a diverse portfolio of specialized products and collections that align with the growing global demand for sustainable and ethically-produced consumer goods. This will involve emphasizing the use of natural, eco-friendly materials and fair labour practices in the production process.

Furthermore, strategic partnerships and collaborations with international design houses, fashion brands, or lifestyle retailers will be explored to co-develop or co-market its handloom and handicraft products. The state will also provide comprehensive assistance to potential exporters, including participation in trade fairs and expos. Additionally, specific target niche markets will be identified where its products can command a premium, tailoring its product development, marketing and distribution strategies accordingly. Digital e-commerce platforms will be leveraged to enhance the global visibility and accessibility.

4. **IMPLEMENTATION :**

The Department of Textile and Handicrafts will serve as the nodal department to coordinate the implementation of various interventions under the Handloom and Handicrafts Policy of Arunachal Pradesh. The Department will also be responsible for monitoring the progress and impact of the policy interventions through a comprehensive framework, conducting periodic reviews and impact assessments and incorporating stakeholder feedback to refine the implementation strategies and optimize resource allocation.

5. **WAY FORWARD:**

The Handloom and Handicrafts Policy of Arunachal Pradesh is a comprehensive framework designed to address the diverse challenges and unlock the immense potential of this vital sector. By continuously monitoring progress, evaluating the impact of interventions and incorporating stakeholder feedback, the Government aims to refine strategies and introduce new initiatives as required. This adaptable approach will ensure the sustained growth and development of the handloom and handicrafts sector.

NOTIFICATION

The 25th March, 2025

No. HORT/SHP/2024-25.— In Pursuance of the decision of the State Cabinet dated 5th March, 2025, conveyed vide letter No.CAB/M-04/3/2025 dated 6th March, 2025, the Governor of Arunachal Pradesh is pleased to notify the "Arunachal Pradesh Horticulture Policy 2025-35" in the State as follows:

It shall come into force from the date of issue of this notification.

ARUNACHAL PRADESH HORTICULTURE POLICY 2025-35

1. **Background:**

Indian horticulture sector contributes around 33% to the agriculture GVA from around 20% of the total area under agriculture. The horticulture production has surpassed agriculture production and in absolute terms, the production is assessed to be 353.1 million tonnes. Apart from ensuring nutritional security of the nation, the sector provides rural employment opportunities, diversification in farm activities, and enhanced income to farmers. The cost-benefit ratio is 1:1.13 to 1:6 for horticulture crops whereas it is less than 1 for agricultural crops which can further be improved with integrated farming systems.

The horticulture sector of North-Eastern region contributes approximately 5.1% in fruits and 4.5% in vegetables to India's horticulture contribution. In 2023-24, out of 126.8 lakh MT, 46.6 lakh tonnes were from fruits, 67.96 lakh tonnes from vegetables and 7.48 lakh tonnes from spices.

In Arunachal Pradesh, Horticulture sector contributed to nearly 15% of the total production in agriculture from just over 13% of the total cultivated area in 2022-23. Around 58% of the total work force is engaged in agriculture including horticulture either as cultivators or as labour. As of 2023-24, the total area under horticulture in the state is 49,993.51 hectares and production is 1,85,905.33 metric tonnes.

The state possesses significant potential for holistic development of horticulture, due to its vast land resources, varied agro-climatic conditions and rich biodiversity. High-value crops such as kiwi, apples, persimmon and walnut have exhibited potential, while the region's fertile soils serve as a sanctuary for spices including large cardamom, ginger and star anise.

In order to harness the full potential of horticulture sector in Arunachal Pradesh, the Government in its budget speech 2024-25 has announced the development of a new 'farm to fork' Agricultural and Horticultural Policy.

2. **Arunachal Pradesh Horticulture Sector:**

The state of Arunachal Pradesh is located in the North-East region of India and has a geographical area of 83,743 sq. kms, which is approximately 2.55% of total area of the country. The state shares its international border with Bhutan, Tibet, Myanmar, China and domestic border with Assam and Nagaland.

In 2023-24, the Gross State Domestic Product (GSDP) of Arunachal Pradesh is estimated to be ₹ 37,870 crore witnessing an increase of 28.9% from the 2022-23 estimates. As per census 2011, state has population of 13.48 Lakhs with a literacy rate of 65% with the per capita income for 2023-24 (at current price).

In 2023-24, the contribution of agriculture sector to state economy was 31.58% (constant price) to net state domestic product, wherein Crops (Agriculture and Horticulture) contributed about 9.36%.

The state is blessed with enormous natural resources, diverse agro-climatic zones and mountain ranges with altitude ranging from 150 to 7090 mts. The state has five major rivers namely Kameng, Subansiri, Siang, Tirap and Lohit. The state witnesses' annual rainfall in range of 2000 mm to 8000 mm spread over 9 months of the year. In totality, the state climate, soil, water resources support development of horticulture sector in a sustainable manner.

Under the current administrative set up, fruits, vegetables, spices, plantation crops, floriculture, medicinal and aromatic plants falls under the purview of horticulture sector. In 2023-24, the total area under horticulture in the state is 49,993.51 hectares and production is 1,85,905.33 metric tonnes. Over the last 6 years, the production of horticulture crops from 2018-19 to 2023- 24 has increased at a CAGR of 5.25% indicating overall growth.

The state is known for producing several high-value horticultural crops. It is the largest producer of Kiwi and second largest producer of Large Cardamom in the country. There is tremendous scope for further area expansion and enhanced production of these crops in many districts.

Additionally, the state has immense potential to harness its medicinal and aromatic plants and floriculture sector. The state has more than 500 species of medicinal and aromatic plants and more than 600 species of orchids. The below table highlights the major production hubs of high value horticulture crops of state.

Name of Horticulture Crop	Major Production Hub
A. Fruits	
Kiwi	Lower Subansiri, West Kameng, Tawang, Dibang Valley
Orange	Lower Dibang Valley, Lohit, Changlang, Siang, Upper Siang, West Siang, Upper Subansiri, Papum Pare.
Pineapple	West Siang, Siang, East Siang, Upper Subansiri, Papum Pare, Keyi Panyor, Kamle, Changlang
Persimmon	West Kameng, Tawang, Lower Subansiri
B. Spices	
Large Cardamom	Anjaw, Lower Subansiri, Keyi Panyor, Siang, Upper Siang, Kurung Kumey, Kra- Daadi, Upper Subansiri.
Ginger	East Siang, Siang, Upper Siang, Lower Dibang Valley, Namsai.

Published and printed by Directorate of Printing and Stationery, Naharlagun—231/2025-DoP-250-4-2025.

In recent times, Wakro Orange and Adi Kekir (Ginger) has earned prestigious GItag, which highlights the uniqueness of Arunachal Pradesh's horticulture produce. In 2021-22, the state Government launched the Atma Nirbhar Bagwani Yojana to give a major boost to the horticulture sector.

2.1. **Issues and Challenges**

The horticulture sector in the state faces several challenges which has limited the growth and potential of the sector.

1. **Low productivity:** Low productivity is a challenge due to several factors such as limited adoption of good agriculture practices, improved and high yielding variety, lack of irrigation facilities etc.
2. **Low acreage under horticulture:** While the state has vast land resources favourable for horticultural crops, the area under cultivation remains low. Factors such as undulated terrain, fragmented landholdings and farm connectivity issues reduce the overall output.
3. **Lack of quality and clean planting material:** Low production and availability of quality and clean planting material within the state. Farmers often procure planting material from uncertified sources, which affects the plant health and crop productivity.
4. **Lack of organic inputs for crop production:** The limited availability of organic fertilizers, bio-pesticides, and compost restricts the adoption of sustainable farming practices.
5. **Lack of scientific database:** The unavailability of reliable data on area, crop production and lack of data on soil health restricts the implementation of data-based planning.
6. **Low adoption of crop protection mechanism and mechanisation:** The adoption of farm mechanisation is relatively low in the state. Farmers still rely on labour intensive farming methods. Large-scale farming is limited in few pockets in the foothills due to low adoption of mechanized tools in the hills, such as brush cutter, power-operated sprayers, telescopic pruners and harvesters, telescopic ladders etc.
7. **Insufficient awareness on the comprehensive methods throughout cultivation, harvesting, and post-harvest processes:** Farmers have limited knowledge on package of practices for cultivation, harvesting, and post-harvest management. For example, poor pruning techniques in orchards often lead to irregular fruiting and low yields.
8. **Crop damage caused by wild and semi-domesticated animals:** Crop damage by wild and semi-domesticated animals are often reported to cause crop loss.
9. **Lack of post-harvest infrastructure:** There is general lack of interest among Farmers/entrepreneurs to avail credit linked subsidy for setting up of post-harvest facilities like aggregation center, integrated pack houses, grading sorting units, cold storage facilities, CA Chamber and processing units, which leads to post-harvest losses affecting farmers' income.
10. **Poor market information and access:** Farmers lack access to real-time market prices and trends in digital platforms and market access, which lead to low bargaining powers causing distress sales.
11. **Lack of Market Infrastructure:** There is no dedicated mandi for horticulture produce which hinders smooth facilitation of business transaction between the farmers and traders.

To effectively address the issues and challenges, the Department of Horticulture has developed the Horticulture Policy which will be known as "**Arunachal Pradesh Horticulture Policy 2025-35**".

Arunachal Pradesh Horticulture Policy will provide the roadmap for horticulture development of the state and sustainable livelihood for the local populace through targeted investments in the value chain, infrastructure, technology, and marketing.

3. **Vision:**

To transform Arunachal Pradesh into a sustainable, economically vibrant and climate resilient hub of horticultural excellence by harnessing its diverse agro-climatic potential and vast land resources.

4. **Objectives:**

- Increased horticulture production and productivity.
- Promote sustainable and climate-resilient horticulture practices.
- Augment infrastructure development across the Value Chain.
- Build capacities and develop skill of the farmers on Good Horticulture Practices, Harvest and Post-Harvest Management Practices.
- Encourage scientific/natural farming.
- Encourage entrepreneurship and employment opportunities.
- Establish arobust marketing ecosystem.
- Promote "lab to land" programmes.
- Promote actionable research and development.
- Attracting investments for development of horticulture sector.

Published and printed by Directorate of Printing and Stationery, Naharlagun—231/2025-DoP-250-4-2025.

5. **Policy Period:**

The policy will be effective for a period of **Ten (10) years**, with continuous monitoring to track the progress achieved; evaluation including mid-term assessment for course correction and policy updation, if found necessary.

6. **Beneficiaries:**

Individual Progressive Farmer/Producers and their Collectives like Farmer Producer Organizations (FPOs)/ Farmer Producer Companies (FPCs), Self Help Groups (SHGs), Cooperatives, Companies etc. and other stakeholders engaged in Horticulture sector would be eligible for fiscal/non-fiscal assistance as per various schemes to be framed for implementation of **"Arunachal Pradesh Horticulture Policy 2025-35"**.

7. **Policy Thrusts:**

Policy thrusts form the core of the policy document as it helps to achieve the vision, the objectives and overcome the identified issues and challenges. The policy thrusts are as under:

Thrust Reference	Description
1.	Increase in horticulture production and productivity
2.	Promote sustainable and climate-resilient horticulture practices
3.	Infrastructure development across the value chain
4.	Capacity building and skill development
5.	Mission mode development
6.	Branding and marketing
7.	Research and development
8.	Human resource development
9.	Fund for sectoral development
10.	Promote convergence

Thrust 1: Increase horticulture production and productivity.

The adoption of Production Value Chain Approach will ensure a systemic intervention to increase production and productivity. The approach integrates area expansion, productivity enhancement, adoption of quality planting materials, research-backed farming practices and sustainable horticulture-driven economic development.

(d) **Baseline survey and Suitability area mapping:** The availability of accurate data remains a challenge. While the department collects district-wise data annually, concrete steps need to be undertaken to ensure scientific data collection and analysis. The policy will ensure that following interventions are undertaken:

- o Use of technology like drone survey, satellite data, GIS for mapping of present area covered under horticulture crops.
- o Suitability area mapping for horticulture area expansion.
- o Technical support and collaboration with State Remote Sensing and Space Application Centre (SRSSAC), North - East Space Application Centre (NESAC), National Bureau for Soil Survey and Land Use Planning (NBSSLUP).
- o Establishment of dedicated statistics cell for creation of farmer database, data collection of area and production, analysis including use of GIS may be created for this purpose.

(d) **Increase area under Horticulture:** To strengthen the horticulture sector, focus shall be given to increase acreage under horticulture crops which will lead to higher production, increased farmers income, and a diversified horticultural base. The strategy to increase the area shall include utilising the wastelands, area expansion by selection of sites as per the suitability area mapping of different districts, adoption of integrated farming practices. Following interventions shall be undertaken by department:

- o Crop specific area expansion in cluster mode to achieve economies of scale.
- o Integration of crop clusters for formation of FPO/FPC.
- o Ensure 5% year on year increase in area under Horticulture crops.
- o Formulation of crop diversification plan based on agro-climatic suitability.

(c) **Increase productivity of Horticulture crops:** To ensure better income for farmers, productivity of various horticulture crops need to be increased at par with national average. The department shall undertake following steps:

- o Import germplasm/rootstock of improved and resistant varieties looking into the aspects of suitability and adaptability to the local conditions.
- o Procurement of high yielding varieties of select crops through empaneled or accredited nurseries.
- o Promote farm mechanization including upgradation of farm equipment. (manual to automatic/ semi-automatic).

Published and printed by Directorate of Printing and Stationery, Naharlagun—231/2025-DoP-250-4-2025.

(d) **Development of Clean and Quality Planting Materials:** Supply of C and QPM is a critical success factor to obtain high yield, quality produce and improvement in crop resilience. To ensure quality planting material is available to farmers, department will ensure following interventions:

- o Establishment of Post Entry Quarantine (PEQ) center for testing and isolation before release of planting material which may house at least 2,00,000 root stock/planting materials for analysis.
- o Establishment of multiplication facility like Tissue Culture (TC) units for bulk production of disease-free quality planting material for crops which have established standardised protocol.
- o Establishment of mother blocks of high yielding and desirable varieties.
- o Establishment of Hi-tech nurseries to facilitate multiplication of 1,00,000 plants per year.
- o Establishment of 5 number of accredited nurseries for each agro climatic zone.
- o Certification/accreditation of nurseries.
- o Enactment of Nursery Act in the mid to long term.

(e) **Development of SOPs/PoPs:** Establishing Standard Operating Procedures (SOPs) and Packages of Practices (PoPs) will provide a scientific approach to horticultural growth, ensuring consistency and efficiency in farming practices which will enhance profitability, minimise loss and costs.

The department will advocate adoption of "Good Horticulture Practices" for scientific management of the orchard, crop, canopy management, pest and disease management, harvest and post- harvest management. These Standard Operating Procedures and Packages of Practices would be updated from time to time.

(f) **Strengthening of extension services:** To build the capacity of farmers it is vital that extension programs are strengthened. Extension services bridge the gap between research and on ground implementation. The department in collaboration with FPOs/FPC/NGOs/ academic institutions/ KVKs will organise extension programs related to adoption of best practices and latest horticultural advancements. The department shall ensure:

- o Adoption of extensive "lab to land" programme.
- o Farm demonstration of new technology, dissemination of Government schemes, SoP/ PoP etc.
- o Establishment of Two Horticulture Training Institutes, one each for Sub-tropical and Temperate zone.

Thrust 2: Promote sustainable and climate-resilient horticulture practices

Climate change is a major global concern, affecting crop yields, quality and overall farm sustainability. To address these challenges, it is essential to develop and promote sustainable, climate-resilient horticulture practices. This approach ensures long-term productivity, safeguards farmers' livelihoods and minimizes environmental degradation by integrating innovative techniques and adaptive measures.

(a) **Promote Integrated Farming System:** Integrating horticulture with allied sectors will help in creation of a self-sustaining farm ecosystem while ensuring economic stability and environment protection. The department will encourage integration of horticulture cropping with livestock farming, apiculture, aqua culture, agroforestry through convergence of schemes.

(b) **Discourage indiscriminate use of chemicals:** Excessive and unregulated application of chemical pesticides, weedicides and synthetic fertilizers impacts human health and ecosystems. The department will encourage sustainable alternatives:

- o Awareness campaigns to educate farmers and consumers through involvement of village level communities, SHGs, FPOs etc.
- o Provision of subsidies to farmers for soil and product testing for pesticide residues.
- o Encourage transitioning to cultivation practices with minimal use of chemicals through provision of subsidies or organic inputs.
- o Monitoring and data collection - Create a database to monitor pesticide residues of soil and crops in the long term.

(c) **Adoption of climate resilient varieties:** Introduction of climate-resilient and high yielding crop varieties to mitigate the impacts of climate change. These varieties will help maintain yield stability through changing climate parameters.

(d) **Technology infusion:** The department will promote adoption of emerging technologies like AI, IOT, deployment of soil/nutrient sensors for precision farming techniques to optimize resource use, drone surveillance, automatic weather station etc. for early detection of climatic threats and data-driven decision-making to mitigate climate change impacts.

Published and printed by Directorate of Printing and Stationery, Naharlagun—231/2025-DoP-250-4-2025.

(e) Risk mitigation/coverage: To mitigate crop damage by semi-domesticated animals/weather conditions crop insurance scheme may be introduced in the state.

Thrust 3: Infrastructure development across the Value Chain

Infrastructure development is critical for sustainable and long-term growth of the sector.

(a) **Pre-Harvest Infrastructure:** The development of pre-harvest infrastructure is required for improving the productivity, reduction of production cost, disease control which will ultimately ensure quality produce. To augment the pre-harvest infrastructure in the state, the department will take following steps:

- o Develop farm road connectivity in identified crop cluster stop romote accessibility and reduce cost and travel time.
- o Solar fencing/green fencing to prevent crop damage and loss by wild and domesticated animals.
- o Establishment of Custom Hiring Centers for farm equipment.
- o Setting up of soil testing laboratories for soil health and pesticide residue analysis.

(b) **Post-Harvest Infrastructure:** The post-harvest infrastructure plays an important role since the horticultural produce are perishable products and their proper handling and storage will lead to increase in shelf life and higher price realisation in market. The policy shall focus on following attributes:

- o Strengthening of infrastructure like sorting grading centres, cold storages, CA chambers, farm gate integrated pack houses with low-cost grading line/automated grading, processing facilities etc.
- o Development of Horticulture market infrastructure and mandi in each district. These mandis may be integrated with e-NAM.
- o Development of rural markets for connecting with district mandis which will lead to improved market access and better price realisation.
- o Establishment of Food testing laboratories in the long term to ensure regulatory compliance of national and international food safety standards for export promotion of horticulture produce.
- o The department shall explore possibility of setting up post-harvest infrastructure on PPP mode.

Thrust 4: Capacity Building and Skill Development.

Skill development is integral to adoption of new technologies and practices. Entrepreneurship on the other hand is crucial for a paradigm shift towards looking at horticulture as not just as a production activity but as a “Business”. The combination of Skill development and entrepreneurship is envisaged to unlock the business mindset within the stakeholders. Thus, the policy will focus on:

(d) **Training**

- o Training Need Assessment (TNA) study will be carried out for beneficiaries (farmers/FPOs/ FPCs/SHGs). Preparation of Training calendar based on the TNA study.
- o Training may be imparted to the beneficiaries as per TNA study e.g. nursery management, orchard management, post-harvest management, organic certification, marketing etc. In collaboration with IIHR/IARI/CCRI and other ICAR institutes.
- o TNA Study will be carried out for department officers and staff. Training and refresher courses for all level of officers and field staff with ICAR and research centres/Institutes at regular intervals.
- o Introduction of mandatory induction training of minimum 3 (three) months for APHS (Entry Grade).
- o Introduction of orientation programme for Horticulture Marketing Officers.
- o Introduction of mandatory induction training of minimum 3 (three) months all level of field staffs (HFA/HFS/Grafter/Mali).
- o Mid-career in service training of Arunachal Pradesh Horticulture Service officers on completion of 7 Years, 15 Years and 25 Years of service.

(d) **Empowering Young Farmers:** In recent years, the younger generations are drifting away from adopting agriculture and allied sector as occupation. To attract young farmers and to generate employment opportunities, the department will undertake following initiatives:

- o Launch of “Catch Them Young” programme to encourage educated unemployed youths of the state to take up Horticulture Farming as a source of livelihood.
- o Entrepreneurship development to be launched in association with institutions like IIM Shillong/ IIE/IIT-Guwahati, IIMA / BIRD - Lucknow, MANAGE-Hyderabad, ICAR institutes, State Agriculture Universities etc.

Published and printed by Directorate of Printing and Stationery, Naharlagun—231/2025-DoP-250-4-2025.

- o Introduction of "Hortipreneur initiative" to support start-ups/businesses of the certified youths under "Catch Them Young". The 'Hortipreneur' programme may also be linked to "Start-Up India" programme of Government of India and "Arunachal Pradesh Investment and Innovation Park" of the Government of Arunachal Pradesh.
- o At least 60 Hortipreneurs may be promoted per year in the mid to long term.

(d) **Empowering Women:** Women make significant contributions to the rural economy and involvement of women in horticulture sector is increasing over time. But women have less access to resources and opportunities due to factors like social norms, low access to capital etc. Gender inclusion through horticulture activities can significantly empower women farmers by livelihood generation and nutritional security. The department will undertake the following initiatives for gender budgeting in horticulture sector.

- o Women centric programmes like Floriculture and Mushroom cultivation to be undertaken through SHGs/ FPOs.
- o Skill development and capacity building programs on product development, packaging, quality control, marketing etc.
- o Encourage women to establish small-scale enterprises such as processing fruits and vegetables, making jams, jellies, pickles, sauces, dried fruits, herbal/floral/medicinal teas, and other value-added products.
- o Convergence with the Arunachal State Rural Livelihood Mission (ASrLM) for implementation and overseeing the programmes.
- o At least 20 women Hortipreneurs shall be promoted out of the yearly targets in the mid to long term.

Thrust 5: Mission Mode Development.

(i) **Kiwi Mission**

Arunachal Pradesh is the largest producer of Kiwi in the country. In 2022-23, the total acreage under Kiwi plantation was approximately 3,582.96 (Ha) and the production stood at 6,853 MT whereas in 2020-21, the total production was 7,089 MT and in 2019-20 it was 7738.58 MT, whereas the acreage has increased from 3272.07 (Ha) to 3582.9 (Ha) from 2019 to 2022.

A significant milestone in Kiwi production was achieved in October 2020, when the Kiwi fruit grown in Arunachal Pradesh's Ziro Valley received organic certification from the Mission Organic Value Chain Development for the North-East (MoVCD-NER).

Despite this, the country continues to import large quantities of Kiwi from nations like New Zealand, Italy, and Chile.Therefore, it is essential to boost production, productivity and strengthen the domestic supply chain to reduce the gap in domestic demand and supply.

The **"Kiwi Mission in Arunachal Pradesh"** is envisioned with the objective of harnessing the state's immense potential in Kiwi production and positioning it as a leading contributor to the national horticulture sector. Recognizing the region's favourable agro-climatic conditions and the increasing demand forhigh-quality fruit, it is essential to enhance production, productivity, branding and marketing of the crop.

The key components to be undertaken under the mission are:

- **Area Expansion:** systemic area expansion through capacity-building programs, financial incentives and technical guidance.
- **Processing and value addition:** Efforts will be made to explore innovative value-added kiwi products such as kiwi-based beverages, dried fruits, juices, wines, preserves, jams and jellies and nutraceuticals in order to minimize post-harvest losses, enhance farm income and create new economic opportunities for farmers and entrepreneurs.
- **Branding of "Arun Kiwi" to enhance market recognition:** Efforts will be made for branding of "Arun Kiwi". This recognition will help distinguish the region's kiwi produce in national and international markets, enhancing its marketability.
- **Research on high-yielding kiwi varieties:** Research will be undertaken in order to identify and promote disease-resistant, climate resilient local germplasm that are well-suited to the agro-climatic conditions of the state.
- **Establishment of CoE for Kiwi:** To ensure availability of quality planting materials, technology demonstration, training and extension.

Published and printed by Directorate of Printing and Stationery, Naharlagun—231/2025-DoP-250-4-2025.

(ii) **Spices Mission**

India is the world's largest producer, consumer and exporter of spices. India exported spices and spice products to 200 destinations worldwide. From 2016-17 to 2022-23, the total exported quantity of spices grew at a CAGR of 5.85%.

Spices grown in the Northeastern Region are widely recognized for their potential to enhance the farmer's income. In 2020-21, NER covered approx. 5% of the country's area under spice cultivation (2,32,087 ha).

Black turmeric, lakadong turmeric, king chilli, bird's eye chilli etc. are some of the endemic spice crops available in the region and possess high market demand due to their unique characteristics. Notably, about 90% of the country's large cardamom production originates from the Northeastern region and one of the major contributing states is Arunachal Pradesh.

With its diverse agro-climatic conditions and fertile land, the state has long been a significant producer of high-value spices such as large cardamom, black pepper. In 2022- 23, the total acreage under spice crops was approximately 12,339.79 Ha and the production stood at 18,755.85 MT whereas in 2020-21, the total production was 19,290.29 MT. Despite this, the sector is facing challenges related to low productivity, market accessibility, and lack of value addition. Addressing these issues is essential and therefore, a structured and strategic intervention is required to fully harness the economic opportunities.

Recognizing the immense potential of the sector in the state, the department is poised to launch a dedicated **"Spice Mission"**. The mission will aim to enhance the cultivation, processing, and marketing of high-value spices like large cardamom, black pepper, schezwan pepper, star anise, turmeric, ginger etc, which are well-suited to the state's agro-climatic conditions. It will focus on complete value chain development. The key components to be undertaken are:

- **Establishment of spice nurseries to provide disease-free planting material** : Specialized nurseries will be set up to provide disease-free, high-yielding planting materials. These nurseries will be equipped with modern propagation techniques to ensure the availability of quality seedlings and saplings for farmers.
- **Area Expansion:** Area expansion to be under taken in potential districts through capacity-building programs, financial incentives, and technical guidance.
- **Setting up of post-harvest facilities:** Setting up of post-harvest infrastructure, including curing, drying, processing and packaging units, will be developed to enhance the value of spices.
- **Promotion of Arun spices:** Branding and marketing of Arunachal Pradesh's spices as "Arun Spices" to enhance market recognition.

(iii) **Medicinal and Aromatic Plant Mission**

Arunachal Pradesh, known for its rich biodiversity and favourable climatic conditions, has an untapped potential for medicinal and aromatic plants (MAP). The state's diverse flora and pristine environment create ideal conditions for growing high-value medicinal and aromatic crops.

The cultivation of MAPs in the state has expanded in recent years. In 2022-23, the total acreage under MAPs was approximately 159.42 (Ha) and the production stood at 746.2 MT whereas in 2020-21, the total production was 26.99 MT and in 2019-20 it was 527.44 MT. The data highlight a fluctuating trend but on a positive side in MAP production, showcasing the need for structured interventions to ensure sustainable growth.

To harness the tremendous economic potential of MAP, aid in conservation of rich biodiversity and traditional medicinal systems, creation of sustainable livelihood, boosting entrepreneurship and attracting private investments from herbal, pharmaceutical, wellness and cosmetic industries the **"MAP Mission"** will be launched.

The key components to be undertaken under the mission are:

- **Establishment of CoE for high altitude medicinal plants:** To ensure availability of planting materials of high-value medicinal plants particularly high-altitude medicinal plants such as Taxus wallichiana, Cordiceps sp., Picrrorhiza kurroa, Nardostachys jatamansi, Paris polyphylla, Panax pseudoginseng, Costus speciosus, Coptis teeta, Berberis sp, Aconitum sp., Podophyllum sp., etc. The CoE will also be used for undertaking need based research, quality planting materials prduction, technology demonstration, training and extension.
- **Area Expansion:** Area expansion to be undertaken in potential districts through capacity-building programs, financial incentives, and technical guidance.
- **Setting up quality control laboratories:** Ensuring standardized production through quality testing facilities for quality control and better pricing.
- **Marketing strategies:** Enhancing trade opportunities by linkages with herbal, pharmaceutical, wellness and cosmetic industries.

Published and printed by Directorate of Printing and Stationery, Naharlagun—231/2025-DoP-250-4-2025.

Thrust 6. Branding and Marketing

Horticulture sector in Arunachal Pradesh is developing at a rapid pace. However, there is lack of proper marketing access and information. Therefore, a cohesive marketing and branding is required to realise the optimal value of state's horticulture produce.

(a) **Registration of "Arun Fresh":** Development of a brand for horticulture produce of Arunachal Pradesh and registration of Arun Fresh for AGMARK certification. In addition to the registration, the department shall ensure that enforcement mechanism is developed to safeguard the quality of produce and facilitate their market introduction.

(b) **Arun Fresh e-marketing platform:** An e-commerce marketing platform shall be developed where farmers, traders will be able to conduct business both at national and international level. To enhance its reach and visibility, the Arun Fresh e-marketing platform will be integrated with different market channels including online commerce websites like e-NAM, NERACE, ONDC etc.

(c) **Promote domestic and international market standards:** To ensure quality produce/product, the department:

- Encourage convergence with MOVCD-NER for organic certification.
- Promote adoption of Global GAP, Bharat GAP, FSSAI, Phytosanitary certifications, HACCP etc. under "Package of Practices".
- Export promotion of Arun Kiwi, Arun Spices and other horticulture produce with support of APEDA and other export promotion agencies.

(d) **Promote Krishi Udaan 2.0:** Facilitate farmers for availing benefits under Krishi Udaan scheme to improve supply chain efficacy of perishable commodities.

(e) **Adoption of emerging technologies:** Applications of technologies like Bar code, NFC, Blockchain for supply chain development and Traceability solutions.

(f) **Encourage GI Tagging:** Geographical indications facilitate creation of product differentiation on the basis of select attributes, give competitive edge and better returns in domestic as well as international markets. The department will undertake GI tagging of unique germplasm of horticulture crops in the state.

(g) **Creation of marketing cell:** A marketing cell within the department may be created for overseeing the marketing linkages, liasoning and coordination with Arunachal Pradesh Agriculture Marketing Board. The existing manpower like Horticulture Marketing officers may be trained for manning and functioning of the cell.

Thrust 7: Research and Development

Research and Development is key for crop diversification and productivity improvement. This policy will promote undertaking pro-active measure to mitigate climate change challenges as well as leverage the germ plasm repository in the state. The department shall undertake following steps:

(a) **Strengthen the R and D Infrastructure:** Setting up of State of Art laboratories, hi-tech greenhouse/ polyhouses, biotechnology related equipment, discovery research etc. The department will harness technical support in collaboration with ICAR research institutions, Council of Scientific and Industrial Research (CSIR), Department of Biotechnology (DBT), Ministry of Science and Technology and various SAUs and CAUs.

(b) **Trials on varietal diversification:** Trials to be conducted for development of new varieties with research on local germplasm for better productivity, disease resistance and climate resilient characteristics.

(c) **Conservation of local and wild germplasm of horticulture crops:**

- Establishing a database and repository for indigenous species.
- Development of package of practices of wild varieties of MAPs, Fruits and other potential species for cultivation.

(d) **Centre of Excellence (CoE):** These centres are envisaged for R and D, technology demonstration and transfer, planting material production, capacity building and training. The department may collaborate with private entities or academic institutions for effective functioning of CoE.

At least one CoE each will be established for the following:

- Temperate/Subtemperate crops.
- Tropical/Subtropical crops.

Published and printed by Directorate of Printing and Stationery, Naharlagun—231/2025-DoP-250-4-2025.

Thrust 8: Human Resource Development

Supportive institutional structure and adequate human resources will be required for effective implementation of the policy plans and programmes. The department will make following interventions:

(a) **Rationalise the HR Framework:** The department will map and undertake gap assessment of human resource requirement in administrative, technical, R&D, marketing/statistics cell etc. Review of obsolete Recruitment Rules for field level functionaries. Recommendations may be taken up for creation and filling of the posts in the directorate and districts.

(b) **Collaborative engagements:** For functioning of the CoEs, tissue culture laboratories, soil testing and pesticide residue analysis laboratories, the department shall explore possibility of partnerships and collaboration with SAUs/CAUs/ Private entities etc.

(c) **Designate and appoint Mission Director:** To effectively implement missions planned under the Policy, department shall appoint mission directors, to be appointed from the department along with requisite staff. The department may also seek expert advice or foster collaborations with practitioners/ academic institutions.

Thrust 9: Fund for Sectoral Development

Funds are integral to undertake development plans and programmes to achieve the policy objectives. The policy recommends to undertake investment dimensioning.

Investment dimensioning is a crucial part for the development of strategy and action plan to raise needed fiscal resource to fund the development efforts from other sources in addition to the conventional ones. Following avenues shall be assessed for investment dimensioning:

- Identify the relevant schemes of Government of India that provide financial assistance for development of horticulture-based projects from different ministries such as MoFPI, MoRD, MoTA, MoT, MDoNER, AYUSH, MoST etc.
- Leverage convergence of state funded schemes /initiatives which align with policy interventions.
- Public-Private Partnerships (PPPs): Collaborating with private investors for infrastructure projects, technology integration, and research initiatives.
- Corporate Investments: Leveraging CSR funds for development projects.

The investment strategy and action plan will be aligned with the policy implementation framework, ensuring a clear financial roadmap for the policy period. This will include:

- Capital expenditure estimation for the planned interventions.
- Fund allocation strategies and timelines.
- Monitoring mechanisms and impact assessment.

By adopting the comprehensive investment dimensioning approach, the department aims to enhance financial sustainability, accelerate sectoral growth through public and private funding mechanisms.

Thrust 10: Promote convergence

The department will coordinate with line departments to ensure convergence of schemes for enhanced outcomes from sectoral plan to achieve the policy objectives in a cohesive manner:

(a) **Industries:** Food processing adds value, shelf life, and enhances the marketing period and revenue for the horticulture produce. The department will coordinate with Industry department to facilitate feasibility studies for setting up of food processing industries in the state. The department will also facilitate selection of production clusters to ensure sustained supply of raw materials for projects under GoI and state schemes.

(b) **Tourism:** With the objective to offer diversity of experiences to the tourists through farm tourism, select farms may be in tegrated in to the existing tourist circuits. The department in collaboration with tourism department will develop Horti tourism clusters to promote sustainable horticulture and boost rural economy. A minimum of 4 such clusters are envisaged to be developed.

(c) **Power Supply:** Uninterrupted power supply is required for operating post-harvest infrastructure like automated grading, packing units, cold storage facilities etc. The department will facilitate in identification of clusters for logistic development and assured power supply. Subsidy on power tariffs for post-harvest infrastructure like Cold Storage, Processing Units etc., may be given.

(d) **Convergence with other policies:** The department will ensure convergence with other policies of the state like industrial policy, tourism policy, wine policy, logistics policy, startup policy, youth policy.

Published and printed by Directorate of Printing and Stationery, Naharlagun—231/2025-DoP-250-4-2025.

8. **Policy Implementation Plan:**

The interventions highlighted in the policy may be undertaken in a phased manner spanning across short term (0-3 years), medium term (3-7 years), and long term (7-10 years).

Thrust Area	Short Term (0-3 Years)	Medium Term (3-7 years)	Long Term (7-10 years)
1	2	3	4
Increase Horticulture Production and Productivity	• Base line survey and suitability area mapping. • Creation of statistics cell. • Development of quality planting materials infrastructure with PEQ, and multiplication facilities. Nursery accreditation.· • Development of SOPs/ PoPs. Strengthening of extension services. • Identification and Development of crop specific clusters (Subsidies understate plan). • Establishment of horticulture crop mother blocks.	• Import planting material and establishing mother and foundation blocks; follow Quarantine protocols before release for multiplication. • Enactment of Nursery Act.	• Enactment of Nursery Act.
Promote Sustainable and Climate-Resilient Practices	• Adoption of climate- resilient varieties. • Promote integrated farming system • Discourage indiscriminate use of chemicals	• Technology infusion with focus on precision farming techniques. • Adoption of Good Horticulture ▪ Practice. • Risk Mitigation.	• Adoption of Good Horticulture Practice.
Infrastructure Development Across the Value Chain	• Develop farm road connectivity in identified crop clusters. • Provision for securing farms from wild and ▪ Semi-domesticated ▪ Establishment of CHC.	• Development of integrated value addition infrastructures. • Establishment of custom hiring centers. • Setting up of Soil testing laboratories • Development of rural markets infrastructures and district mandis.	• Establishment of soil testing, pesticide residue analysis labs.
Capacity Building and Skill Development	• Training need assessment study and training plan preparation. • Capacity building courses for officers/staff. • Develop FPOs/FPCsin the state.	• Capacity building of beneficiaries and linking them with “Catch Them Young” program. • Development of “Hortipreneur” program..	• Development of Hortipreneurs
Mission Mode Development	• Launch of Three Missions • Operationalisation of the three missions.	• Establishment of Centre of excellence for MAPs. • Continuity of the three Missions	• Continuity of the three Missions
Branding and Marketing	• Branding activities, including registration of “Arun Fresh”. • Creation of marketing cell within the department. • Promote domestic and international market standards. • Export of horticulture produce through Krishi Udaan.	• Development of “Arun Fresh” marketing platform. • On boarding on major e-marketplace plat forms like ONDC, e-NAM, NERACE. • GI taging of unique varieties	

Published and printed by Directorate of Printing and Stationery, Naharlagun—231/2025-DoP-250-4-2025.

1	2	3	4
Research and Development	• Strengthening of R and D infrastructure. • Undertake trials on varietal replacement to improve productivity. • Conservation of local and wild germplasm of horticulture crops. • Development of PoPs for wild varieties of MAPs, Fruits and other potential species for cultivation	• Establishment of Centre of excellences. • Strengthening of R and D infrastructure.	
Human Resource Development	• Rationalization of Human Resources Structure. • Staffing,creation and filling up of vacant posts.	• Staffing of the three- mission. • Collaborative engagements for manning CoEs and laboratories.	
Fund for Sectoral Development	• Undertaking investment dimensioning • Financial strategy and action plan.	• Implement action plan	• Implement action plan
Convergence	• Undertake collaborative approach.	• Undertake collaborative approach.	• Under take end term evaluation.

9. **Policy Governance**

To effectively implement the policy, the Department of Horticulture, Government of Arunachal Pradesh shall be the nodal department. The Director, Horticulture shall be the nodal officer. Further, the policy shall be governed by a development committee to oversee the implementation of the policy and suggest mid-course corrections.

The committee shall meet at least once in a calendar year. Following is the constitution of the Horticulture Development Committee (HDC) –

Sl. No.	Designation	Title
1.	Hon'ble Minister of Horticulture	Chairperson
2.	Agriculture Produce Commissioner	Vice-Chairperson
3.	Secretary, Department of Horticulture	Member
4.	Commissioner/Secretary of Line departments	Members
5.	Director Horticulture	Member Secretary
6.	Technical Advisors/Subject Matter Experts	Members

9.1 **Project Management Unit**

The department of Horticulture may setup a Project Management Unit to efficiently implement the policy, the PMU will be responsible for following activities:

- o Develop strategy and action plan to implement the policy.
- o Oversee the effective implementation of the policy.
- o Work on the fiscal resource required to fund the development efforts.
- o Undertake regular planning and monitoring work.

9.2 **Grievance redressal mechanism.**

For timely address of grievances, the department would set up Farmers Grievance Redressal Mechanism for the beneficiaries to register their grievance. The department will undertake following steps:

- o Establishment of farmers grievance redressal committee at district level.
- o Collation and analysis of data for mid-term and end term evaluation.

Koj Rinya, IFS
Secretary, Horticulture
Government of Arunachal Pradesh,
Itanagar.

NOTIFICATION

The 17th April, 2025

No. Com/Agriculture/2025.—In pursuance of the decision of the State Cabinet dated 5th March, 2025 conveyed vide e-cabinet note no. CAB/M-04/3/2025 dated 6th March, 2025, the Governor of Arunachal Pradesh is pleased to notify the "Arunachal Pradesh Agriculture Policy 2025-2035" in the state as follows:

It shall come into force the date of issue of this notification.

ARUNACHAL PRADESH
AGRICULTURE POLICY 2025-35

1. **Background :**

Agriculture is the backbone of India's economy, employing 55% of the population[1]. According to the Land Use Statistics for FY 2022-23, India's total geographical area is 3.28 million square kilometres, with 54.8% classified as agricultural land. The net sown area covers 140.7 million hectares, while the gross cropped area spans 219.35 million hectares, with a cropping intensity of 155.9%[2]. The agriculture sector of NER is a significant contributor to the region's economy. Production of foodgrains in 2021-22 was 8.87 MMT, whereas, the total cereal consumption is about 200 Kg/person/year[3].

2. **Arunachal Pradesh : Agriculture**

Arunachal Pradesh, with a geographical area of 83,743 sq. km, has a strong agricultural base, with over 70% of its working population employed in agriculture. The state has hilly and mountainous topography, having maximum arable area around the valley region. The state's agro-climatic zones range from tropical to temperate, allowing for the cultivation of diversified crops, including staples like paddy, maize, pulses and millets; vegetables like cabbage, tomato, and potato; spices such as ginger and turmeric; and other speciality crops like colocasia etc.

While the production in absolute terms is increasing, the contribution of agriculture in the GSDP has been declining over the years. The sector contribution to GSDP declined from 41.9% in 2011-2012 to 33.7% in 2017-2018 and 33.6% in 2023-2024. However, much sharper decline is observed in value of agricultural and horticultural crops which declined from 23.6% in 2011-2012 to 14.5% in 2017-2018 and to 9.9% in 2023-2024.4

2.1 **Present State Agriculture scenario and the key challenges of the agriculture sector :**

The present Agricultural scenario of the state and its multiple challenges has manifested itself in the sub-optimal performance of the sector. The main features and the key challenges are -

- The State has vast geographical areas but marked by undulated rocky terrains and gravel surface, not very suitable for Agriculture.
- However, the foothill areas of the state bordering Assam are plain land and most suitable for cultivation.
- The state agriculture is marked by low productivity and low farmers income.
- The farming communities are ageing and the participation of the young and educated generation in farming sector is limited.
- The state has reliance on rain-fed cultivation and limited irrigation facilities.
- Inadequate access to quality inputs including certified seeds, quality planting materials; modern techniques and capacity building measures.
- Lack of adequate crop protection measures like fencing, integrated pest management, etc.
- The state is marked by labour intensive Agriculture and Low farm-power availability.
- Limited infrastructure development, especially collection centre, drying and packaging facilities, market, logistics and connectivity infrastructure.
- Lack of processing industry except recently established Oil Palm factories.
- Lack of credit link and working capital.
- Inadequate training and capacity building programme.
- Limited understanding of scientific and good agricultural practices at ground level.
- Limited Agricultural Research and Development activities.
- Lack of Agricultural field data.

In the backdrop of the above challenges and with the intention of the Government of Arunachal Pradesh to develop a *"Farm to Fork"* new Agriculture policy, this policy has been framed and shall be called as "***New Agriculture Policy – Arunachal Pradesh (2025-35)".***

3. **Vision :**

To develop the state into a climate resilient, diversified and market-driven agricultural economy that enhances farmers' income and promotes food and nutritional security in the state.

4. **Objectives :**

The new Policy will address the achievement of the following objectives : -

- Boost crop productivity and promote crop diversification.
- Promote sustainable and climate resilient agriculture.

Published and printed by Directorate of Printing and Stationery, Naharlagun—231/2025-DoP-250-4-2025.

- Promote Integrated Farming System.
- Ensure youth participation and entrepreneurship development.
- Area expansion, particularly in the foothills and valleys.
- Focus on cultivation of cash/commercial crops.
- Promote millet production on a mission mode.
- Develop requisite infrastructure along the value chain.
- Improve first and last-mile connectivity.
- Focus on robust agricultural extension services.
- Promote market linkages.
- Promote private sector investment in the sector.
- Focus on organic/natural farming.
- Build stakeholders capacities on Good Agricultural Practices (GAP).

5. **Policy Period :**

The policy will be effective for a period of **Ten (10) years**, with continuous monitoring and evaluation. The Policy also allows for course correction by undertaking periodic independent reviews including a mandatory mid-term review.

6. **Beneficiaries :**

Farmers/Individuals/Farmer Producer Organizations (FPOs)/Farmer Producer Companies (FPCs), Companies, Self Help Groups (SHGs), Cooperatives etc.- the complete gamut of stakeholders engaged in Agriculture sector–will be the beneficiaries of this ***"New Agriculture Policy – Arunachal Pradesh 2025-35"*** and the various schemes to be developed under this Policy.

7. **Policy Interventions :**

The policy aims to achieve the objectives by addressing requisite interventions across the entire value chain. i.e. pre-production, production, harvest & post- harvest, marketing & branding with cross cutting theme of capacity building and research & development including adoption & usage of new technologies. Targeted interventions across the value chain are provisioned which will support the state to emerge as a key agricultural hub and ensure its food and nutritional security within the policy period.

7.1 **Pre-production :**

7.1.1 **Enhancing Agricultural Productivity :**

- **Provision of Certified seed-** Empanelment of specialised private agencies to supply certified seeds in the state. A Seed Certification Laboratory to be established for monitoring the quality of seeds and all planting materials and their certification.
- Promotion and adoption of higher crop intensity farming practices as well as multi-storey cropping system. The multi-cropping technique is beneficial in combination of crops like Maize- Colocasia, Arhar-Ginger, Arhar-Turmeric, Maize- Soyabean-Green Gram-Cowpea, Sesame/ Arhar- Cowpea-Green Gram, Rice-Sesame- Soyabean, etc.
- Establishment of ***Krishi Vigyan Kendra*** in each district, to ensure the delivery of extension services to villages and bridge the gap between research/technology and farmers.

7.1.2 **Crop and Varietal Diversification :**

- Launch of crop diversification programme which focuses on a shift from traditional low-value to high-value crops.
- Varietal diversification from traditional open pollinated varieties to hybrid as well as High Yielding varieties from other agro-climatic zones will be evaluated and promoted.
- Development and adoption of climate-resilient crops and varieties through R and D.
- Promotion of plant health by provision of real time extension services on integrated pest and nutrient management and environment suitable crop cultivation practices.
- Development and adoption of climate-resilient crops and varieties through R and D.
- Promotion of plant health by provision of real time extension services on integrated pest and nutrient management and environment suitable crop cultivation practices.

7.2 **Production :**

7.2.1 **Area Expansion :**

- Undertaking land terracing for resource optimization, especially in hilly areas.
- Focus on the reclamation and endeavour to convert erstwhile areas under *Jhum* cultivation to permanent agricultural land.

7.2.2 **Productivity Enhancement :**

- Enhancement of agricultural productivity through certified seeds, established laboratories, better crop management practices such as mulching, intercropping etc., pest and disease management, nutrient management etc.
- Expansion of micro-irrigation acreage in the state by 5-10% year-on-year.
- Training of farmers on modern scientific agricultural practices.

Published and printed by Directorate of Printing and Stationery, Naharlagun—231/2025-DoP-250-4-2025.

7.2.3 **Introduction of Precision Agriculture :**

- Undertaking large scale demonstration and adoption of precision agriculture.

Some focus areas are:

- o Resource tracking sensors- soil, nutrition and water-sensors.
- o Efficient water management solutions- automatic switches.
- o Use of drones, especially in crop and soil health management
- o Establishment of automatic weather station.
- o Surveillance of hyper local disease and weather condition as an early warning system.
- o Traceability using Internet of Things, Geo-tagging and QR Codes etc.

7.2.4 **Water harvesting and conservation :**

- Since large areas in the state are under rain-fed agriculture, there is need to construct new rainwater harvesting structure/irrigation channels for better water availability.
- Further, there is need to upgrade, repair and renovate the existing water harvesting and conservation structures.

7.2.5 **Farm mechanisation :**

- Providing modern farm implements and tools such as light weight tractors, grass weed slasher, crushers, sprayers, tillers and grass-cutters or any such innovative farm machineries etc. to the beneficiaries under this policy.

7.2.6 **Farm Fencing :**

- The damage to the crops by both wild and domestic animals in the State is rampant.
- Thus, focus on installation of farm-fencing to protect the farms and the crops against the attack by semi-domesticated and wild animals are important.
- This will be implemented under a clusters approach across the State in a phased manner.

7.2.7 **Augmenting Capacities of Existing FPOs :**

- Augmenting the capacities of existing FPOs by hand holding through training and capacity building.
- Preparing a calendar of training and ensuring these FPOs dealing with GI-tagged products and those operating in remote areas get priority trainings.

7.2.8 **Organic and Natural farming :**

- The State will continue with its present ambition of making it a full organic State.
- While chemical fertilizers, insecticides, weedicides etc may be unavoidable for crops like tea or Oil palm, the large-scale use of these items for vegetable like cabbage, tomatoes and other off-seasonal vegetables needs to be discouraged.
- A dedicated ***"Organic/Natural Farming Board and Certification Agency"*** may be established.

7.2.9 **Introduction of Missions :**

A. Development of Buckwheat :

The state has immense scope to harness the potential of buckwheat production especially in higher altitude zones. The buckwheat is known for its high nutritional and medicinal value. The state will undertake development of buckwheat in Mission Mode to boost its production.

- o The Mission shall be implemented in a time-bound manner to expand cultivation areas and to enhance its production.
- o The Mission shall include initiatives to improve seed quality, seed and varietal replacement, introduction of high-yielding varieties, adoption of sustainable farming techniques, setting up of processing infrastructure and promote value addition.
- o It shall also focus on creating market linkages.

B. Development for Oil Palm and Oil Seeds :

The state will capitalise on the increasing demand and large-scale cultivation of oil palm and oilseeds by intensifying the National Mission on Edible Oil, both for Oil Palm and Oilseed.

- o Identification of large acreages for development of Oil Palm & Oil Seeds, safeguarding local ecology, helping the farmers in enhancing their income (given the high prices of edible oil) by ensuring that all relevant interventions required across the value chain are targeted.
- o Introduction of short duration paddy crops to facilitate subsequent growing of edible oil seeds on the same land/plot.
- o Leveraging Public Private Partnership (PPP) models in this sector.

7.2.10 **Risk Management :**

- Formulating a state level crop contingency plan to mitigate the risk of crop failure, especially due to natural calamities, animal invasions, pests, etc.
- Leveraging Government of India's crop insurance schemes for aggressive adoption by the farmers.

7.3 **Post Harvest :**

7.3.1. **Farm Level Infrastructure :**

- Establishment of **Integrated collection centre with Sorting, Drying and Packaging Facilities for** value addition for SHGs/ FPOs.

Published and printed by Directorate of Printing and Stationery, Naharlagun—231/2025-DoP-250-4-2025.

- Developing all-weather farm gate road connectivity.
- Providing commercial vehicles/multi-utility vehicles to all APMCs for facilitating logistics requirements.

7.3.2. **Storage and Processing Facilities :**.

- **Development and modernization of rural/traditional godowns**– Development of cold stores and modernization of traditional godowns including promotion of good warehousing practices, especially for pest and rodent management in the warehouses.
- **Value addition infrastructure-** Setting up of processing units for ginger, turmeric, oilseeds such as rapeseed, sesame, mustard etc. and milling units for millets.
- **Develop seed storage infrastructure** - Development of Seed storage facilities in the state to be taken up under the policy.
- **Interest subvention for agriculture units –** Under AIF, Government of India is providing interest subvention. Additional interest subvention may also be provided Under State Plan for development of agriculture related infrastructure.
- Encourage **public-private partnerships (PPPs)** to accelerate the development of these facilities.
- **Encouraging the use of renewable power sources** including solar power for post-harvest infrastructure.
- Establish linkages with Arunachal Pradesh Logistics Policy 2024 to develop Agriculture post harvest and marketing clusters in Pasighat, Dirang, Tezu, Likabali, Roing, Miao, Kanubari, Kimin etc., including upgrading the existing facilities.

7.4 **Marketing & Branding :**

7.4.1 **Robust Market linkage :**

- **Policy will focus on facilitation of robust market linkage-** at least one Buyer-Seller meet and two Kisan Mela to be organised every year.
- **Establishment of *"Arun Millet"* –**Establishment of brand **"Arun Millet"** specifically promoting Arunachal millets domestically and internationally will be undertaken.
- **GI Tagging of local germ-plasm -**Undertaking measures for analysing and obtaining GI tags for unique varieties of crops in Arunachal Pradesh.
- Promotion and marketing of Agriculture and Allied products under brand – "**Arunachal Organic".**

7.4.2 **Robust Market Development :**

- **Rural market development and integration of online platforms:** Developing marketing infrastructure and integrating them with online platforms such as e-NAM, ONDC (Open Network for Digital Commerce) and NERACE (Northeast Regional Agricultural Cooperatives Exchange) to be undertaken to facilitate market linkage and trade within and outside the state.
- Strengthening of Marketing Infrastructure facilities and human resources of APAMB.

7.4.3 **Development of Agro/Eco-Tourism Destinations :**

- Agricultural clusters across different agro climatic zones **will be identified** and developed as Agro-Tourism destinations in close coordination with State Tourism Department.

7.5 **Capacity Building :**

7.5.1 **Empowering Farmers and Youth :**

A specialised program to promote capacity development of youth by linking them to the ***"Catch Them Young Program"*** apart from other required technical training on agricultural, harvest, post-harvest practices, modern agricultural techniques, effective marketing strategies, FPO management, value addition, warehouse management, entrepreneurship etc. shall be developed.

7.5.2 **Capacity building of Staff :**

- Training-needs of the field staff will be assessed.
- There will be focus on strengthening of trainer's training (ToT) for effective dissemination of latest agricultural practices and technologies.
- Training of AFAs, ADOs, DAOs etc. at regular intervals on the latest agriculture technologies and practices will be undertaken at both the national and international levels.

7.5.3 **Augmenting Human Resources :**

- Assessment of the human resources both in terms of numbers and technical skill will be undertaken. The assessment will also focus on the need of a dedicated district level technical team to augment the existing staff and ensure no overlapping of technical and administrative functions.
- Adequate posts to be created and filled commensurate to the requirements of the Directorate and Districts offices. New posts will also be created in the department, especially at Joint Director Level, Deputy Director Level and District Agriculture Officer (DAO), ADOs, AFAs level to cater to the increasing work load. Ministerial and Contingent staff requirements will also be created accordingly, particularly against the newly created districts.
- Mission Directors along with requisite staff shall be positioned for each Mission planned under the policy.

Published and printed by Directorate of Printing and Stationery, Naharlagun—231/2025-DoP-250-4-2025.

7.6 **Research & Development :**

7.6.1 **Research & Development Wing :**.

- To establish a separate Research & Development wing with adequate trained human resource and requisite infrastructure to carry out the State-specific research on issues like crop diversification, climate resilient varieties, cropping patterns, natural farming practices, etc. Development of repository and conservation of native gene and germ-plasm to be undertaken.
- The administration and supervision of research activities of the KVKs in the state shall be brought under this R and D wing.
- The R and D wing will monitor and evaluate the programme implementation by the state Agriculture Department and KVKs.
- This wing will Plan to improve future strategies.
- The wing will be headed by a Director preferably from amongst the senior level Officers having PG/ Ph. D with excellent service record from the Directorate of Agriculture/ KVKs.

7.6.2 **Establishment of Centre of Excellence for Millets :**

- Millet is one of the most popular and traditionally cultivated crops of the tribal people of the state.
- It has high food and nutritional values and has high market demand in recent years. Therefore, a Centre of Excellence on millet will be established.
- The CoE for Millets will focus on comprehensive research and development. It will act as a research and demonstration centre.
- The CoE will also develop/ demonstrate value-added interventions for millet-based foods, including “Ready to Eat” and “Ready to Cook” products.
- The CoE will provide incubation support to facilitate entrepreneurship development including national and international linkages.

7.6.3 **Digitisation of Agriculture Data :**

- The data and its collection from the districts shall be such that the department shall have ready and authentic data.
- Developing district-wise digital infrastructure “Agri Stack”— for agricultural data encompassing farmer database along with GPS tagged land parcels, soil type, weather, infrastructure, etc.
- The Project Agri Stack in under pilot stage in 6 districts viz. Namsai, Tawang, Lower Subansiri, Lower Dibang Valley, Pakke-Kessang and East Siang. It is estimated that the survey and digitisation of the entire data if the state will be competed in 03 years.

7.7 Other Initiatives :

- To promote and encourage investment in agriculture sector from outside the state.
- To promote and encourage contract farming in the state.
- To review the land rules and make necessary amendments to promote contract farming and private investment.
- The state shall endeavour to increase the budgetary allocation of Department of Agriculture to make it at par with the national average.
- Project Management Unit (PMU)- To effectively implement the New Agriculture Policy, the department shall create a Project Management Unit.
- **Registration and Stamp Duty Incentives** to be provided as per the extant State Industrial Policy.

The implementation of missions, schemes, initiatives, subsidies and financial support may be region wise/agro-climatic cluster or zone wise.

8. **Policy Implementation Plan :**

OFFICE MEMORANDUM

The 21st May, 2025

Subject :- Empowering the Deputy Commissioner of the respective District to suspend the subordinate officers of various departments in the District.

No. AR-33/2/2025-SECT.-1-AR(Comp No. 219757).— **WHEREAS,** Instances of misconduct by various Officers serving in the Districts have come to the notice of the Government;

AND WHEREAS, despite such misconduct, the Deputy Commissioners are not empowered to place such officers under suspension which hampered the smooth functioning of the administrative works in the Districts;

AND WHEREAS, Rule 10 (1) of the Central Civil Services (Classification, Control and Appeal) Rules, 1965 provides that "The Appointing Authority or any authority to which it is subordinate or the Disciplinary Authority or any other authority empowered in that behalf by the Governor, by general or special order, may place a Government servant under suspension".

NOW, THEREFORE, in exercise of the powers conferred under Rule-10 (1) of the Central Civil Service (Classification, Control and Appeal) Rules, 1965 as amended from time to time, the Governor of Arunachal Pradesh is pleased to empower the Deputy Commissioners of the respect District to place the subordinate officers of various Departments, under suspension (except All India Service Officer, Arunachal Pradesh Civil Service Officers, Arunachal Police Service Officers and Arunachal Pradesh Forest Service Officers) posted in the Districts, subject to following conditions:-

(I) The suspension should be based upon a Preliminary Inquiry that has been caused to be conducted by the Deputy Commissioner on the alleged misconduct of the Subordinate Officer.

(II) The Deputy Commissioner should satisfy himself/herself about the necessary requirements for suspending the officer, as specified in Rule-10 (1) of the Central Civil Services (Classification, Control and Appeal) Rules, 1965 as amended from time to time.

(III) The Deputy Commissioner shall report the facts of each case clearly specifying the specific causes of misconduct and the reasons warranting immediate suspension to the concerned Disciplinary Authority along with the report of the Preliminary Inquiry with a copy to the concerned Principal Secretary/Commissioner/Secretary of the Department, not later than fifteen days from the date of suspension.

(IV) The Competent Disciplinary Authority on receipt of the report from the Deputy Commissioner shall review and consider the report and pass an appropriate order, either confirming the suspension or nullifying the suspension order issued by the Deputy Commissioner within thirty days of the issuance of suspension order by the Deputy Commissioner.

(V) The suspension shall become ab initio void unless confirmed by the Competent Authority within a Period of one month from the date of the orders and the suspension shall formally revoked by the concerned Deputy Commissioner under Rule 10 (5) (c) of the Central Civil Services (Classification, Control and Appeal) Rules, 1965 in such circumstances.

(VI) The Deputy Commissioner shall, within three months (90 days) of issuance of the suspension order, send a draft charge sheet to the concerned Disciplinary Authority with specific Article of Charges and the substance of the imputations of misconduct or misbehavior into distinct articles of charge(s) in the prescribed format under Central Civil Services (Classification, Control and Appeal) Rules, 1965 along with necessary evidence to hold an inquiry or initiating Disciplinary proceedings/Departmental proceedings against the Government servant under Rule 14 of the Central Civil Services (Classification, Control and Appeal) Rules, 1965.

By order and in the name of the Governor of Arunachal Pradesh.

NOTIFICATION

The 4th June, 2025

No. HPD (M)-12/29/2023/Comp No. 154020/352-65.— In exercise of the powers conferred by Clause 9.14 of the Hydro Power Policy, 2008 and amended Clause 28(6) of the Small Hydro Power Policy 2007, the Governor of Arunachal Pradesh hereby makes the following amendments in the notification No. SHPD/E-74/2019/2789-97 dated 17th June, 2022, published in the Arunachal Pradesh Extraordinary Gazette No. 12, Vol. XXXIII, Naharlagun dated 30th June, 2022 notifying the creation of Local Area Development Fund Guidelines for Hydro Electric Projects in Arunachal Pradesh, 2022.

In the Local Area Development Fund Guidelines for Hydro Electric Projects in Arunachal Pradesh, 2022, in Section 2. Composition of Local Area Development Fund, the Clause 2(b) and 2(c) shall be substituted by the following, namely:

Clause - 2(b): For the project >25 MW, the developer shall contribute 1% of the proceeds from power generation to the LADF during the commercial operation life of the Hydro Electric Project. In addition, the developer will contribute an **additional 1%** of the proceeds of power generation to the LADF **on behalf of the State Government and debit the same against the 12% free power due to the State** during the commercial operation life of the Hydro Electric Project. The remaining 11% free power due to the State shall continue to be deposited with the State Government, as per the MoA/MoU signed between the State Government and the developer, as the case may be.

Clause 2(c) : The revenue to be deposited in the LADF for a project for a particular year will based upon the average price per unit. The average price per unit will be worked out as per the **rate decided by the regulator** (presently CERC) for that particular project for the Financial Year for which the contribution is to be made. The contribution into LADF will be made by the developer on behalf of the State Government, preferably on a **quarterly basis** and mandatorily on an annual basis.

This Notification shall deem to have come into force with effect from date of publication.

Sonam Chombay, IRS
Commissioner (HPD),

ORDER

The 30th May, 2025

No. T-E-11015/20/2023.—**WHEREAS,** Shri Gautam Das, Driver was posted in the Office of the Superintendent (Tax, Excise & Narcotics), Boleng, Siang District from 13th August, 2018 to 13th June, 2023.

AND WHEREAS, on dated 3rd April, 2023, Late Kaman Tayeng, Superintendent (T, E & N), Boleng, Siang District met with an accident in her Government vehicle leading to her untimely demise. Later it was reported that Shri Gautam Das, Driver attached with the officer was not present on duty on the fateful day of accident. Consequently, a letter was written to Assistant Commissioner, Pasighat Division vide order No. TAX (E)-488/2012 dated 10th April, 2023, wherein he was directed to investigate the matter and submit a Summary Report regarding the incident.

In compliance, a Summary Report was submitted by the Assistant Commissioner wherein it was found that the deceased herself was driving the Government vehicle due to absence of Driver, Shri Gautam Das who failed to join the duty upon expiry of his leave on 23rd March, 2023. It was also reported that Shri Gautam Das was admitted to Abundant Life Rehabilitation-cum-Counselling Centre, Jairampur, Changlang with effect from 8th October, 2022 for Drugs/Alcohal Dependency and Psychotropic substances abuse.

AND WHEREAS, an Inquiry under Rule 14 of the Central Civil Services (Classification, Control and Appeal) Rules, 1965 was initiated against Shri Gautam Das, Driver on the following Article of Charges :

1. “Shri Gautam Das, Driver was absent from duty on 3rd April, 2023 (the day of accident in which Late Smti Kaman Tayeng, Superintendent, Boleng died). The report of Shri Tabor Tapak, Assistant Commissioner (Tax, Excise & Narcotics), Pasighat revealed that Shri Gautam Das was on earned leave for 90 days with effect from 8th November, 2022 to 5th February, 2023 and later extended for another 45 days with effect from 6th February, 2023 to 23rd March, 2023 on medical ground. After the expiry of leave he neither joined his duty nor applied for extension of leave. Being on unauthorized leave is unbecoming of a Government servant and amount to misconduct. Willful absence from duty after the expiry of leave renders a Government servant liable to disciplinary action”.

2. “The officer with whom Shri Gautam Das, Driver was attached has observed and informed that Shri Gautam Das, Driver has been found to be a habitual user of intoxicating drinks and drugs for a long time. Shri Tanon Tatak, DC has stated that Shri Gautam Das, Driver was attached with him during 2011-2012 but due to substance use he relieved him from duty”.

3. Shri Gautam Das, Driver has been admitted in Abundant Life Rehabilitation-cum-Couselling Centre, Jairampur, Changlang with effect from 8th October, 2022 due to drug and alcoholic dependency which strongly support the fact that Shri Gautam Das is a habitual user of drugs and alcohol.”

AND WHEREAS, an inquiry Officer was appointed to inquire into the charges framed against the charged Official vide order No. T-E-11015/20/2023-Dept T-E-N-TAX & EX dated Itanagar, the 29th September, 2023.

AND WHEREAS, the Inquiry report conducted under Rule – 14 of the CCS (CCA) Rules, 1965 was submitted by the Inquiry Officer, the charge under Article – I was not proved while the Charges under **Article – II and III were proved.**

AND WHEREAS, a copy of the Inquiry Report was forwarded to the Charged Officer under Rule 15 (2) of the CCS (CCA) Rules, 1965 with a direction to submit his written submission if any within 15 days vide order No. T-E-11015/20/2023-Department T-E-N-TAX and EX dated 5th November, 2024.

AND WHEREAS, the charged official in his reply denied all the charges against him and also contested that the statement by Shri Tanon Tatak, the then DC (T, E, and N) to be unsustainable. The said submissions of Shri Gautam Das have been carefully considered and various issues raised by him have been examined in the light of records of the case.

AND WHEREAS, on careful consideration of the report of the Inquiry Officer and other records of the case in the light of the submissions made by Shri Gautam Das in his reply and during his personal hearing, the undersigned has decided to accept the findings of the Inquiry Officer in respect of the Article(s) of charges II and III and holds that these charges against Shri Gautam Das stands **proved.**

Published and printed by Directorate of Printing and Stationery, Naharlagun—335/2025-DoP-250-6-2025.

NOW THEREFORE, the Governor of Arunachal Pradesh, in exercise of powers conferred by the Rule 15 (4) read with Rule 22 of Central Civil Services (Conduct) Rules, 1964 and after taking into consideration all facts and circumstances of the case and after examining all documents placed on record and after being totally convinced with the recommendation of the Inquiry Officer and keeping in view the sensitivity and seriousness of the matter and grave misconduct and also in violation of Rule 22 of Central Civil Services (Conduct) Rules, 1964 committed by the charged officer, hereby impose the penalty of Compulsory Retirement with admissible pensionary benefits upon Shri Gautam Das, Driver with immediate effect.

Y. W. Ringu, IAS
Commissioner (Fin/Tax, Excise & Narcotics),
Governament of Arunachal Pradesh,
Itanagar.

PART - III

Resolutions, orders, notifications, rules etc., issued by the Government and Heads of Departments.

NOTIFICATION

The 11th December, 2024

No. SIND/11019/2024.—In exercise of the powers conferred by clauses (ha) and (hb) of sub-section (1) of Section 29 read with Section 26A and 26B of the Boilers Act, 1923 (5 of 1923), the Arunachal Pradesh Government hereby makes the following rules, namely:

1. **Short title and commencement :** (1) These rules may be called the ***Arunachal Pradesh Boiler (Inquiry, Adjudication and Appeal) Rules, 2024***.

   (2) They shall come into force on the date of their publication in the Official Gazette.

2. **Definitions :** (1) In these rules, unless the context otherwise requires, -

   (a) "Act" means the Boilers Act, 1923 (5 of 1923) ;

   (b) "Adjudicating Officer" means District Magistrate or Additional District Magistrate wherever the Additional District Magistrate holds independent charge of the district authorized under sub- section (1) of Section 26A of the Act ;

   (c) "Appellate Authority" means Commissioner to the Government, Department of Industries, Government of Arunachal Pradesh or Secretary to Government in the absence of a commissioner in the Department of Industries, Government of Arunachal Pradesh authorized as the Appellate Authority under sub-section (1) of Section 26B of the Act ;

   (d) " Chief Inspector" means a person appointed to be a Chief Inspector under the Act ;

   (e) "Inquiry" means the inquiry mentioned in Section 26A of the Act ;

   (f) "Inspector" means a person appointed to be an Inspector under the Act ;

   (g) "Owner" shall have a meaning assign to it under clause(d) of Section 2 of the Act ;

   (h) "Form" means a form appended to the these rule ;

   (2) Words and expressions used and not defined in these rules, but defined in the Act shall have the same meanings respectively assigned to them in that Act.

3. **Applicability of rules :** These rules shall be applicable to whole state of Arunachal Pradesh.

4. **Adjudication proceedings under Section 26A :** (1) On receipt of a report from the Inspector, the Chief Inspector shall examine the case according to the provisions of the Act, rules and regulations made thereunder under which the owner(s) has been charged as to whether the contraventions are punishable with penalty under Sections 22, 23, sub-section (1) of Section 25 or Section 30 the Act or no contravention is established.

   (2) If the Chief Inspector decides that such contravention is punishable with penalty under Sections 22, 23, sub-section (1) of Section 25 or Section 30 of the Act, he shall cause and authorize the Inspector to file with the Adjudicating Officer in **Form-I**, an application for adjudication of the offence alleged to have been committed by the person in respect of which the report has been received through electronic means or speed post or by hand.

   (3) On receipt of the communication from the Chief Inspector authorizing the filing of the adjudication application in **Form-I**, the Inspector shall file the application for adjudication with the Adjudicating Officer for adjudication of the contravention alleged to have been committed.

   (4) On receipt of the application for adjudication from the Inspector, the Adjudicating Officer shall commence the inquiry proceedings under Section 26A of the Act.

Published and printed by Directorate of Printing and Stationery, Naharlagun—335/2025-DoP-250-6-2025.

(5) For holding an inquiry for the purpose of adjudication under Section 26A of the Act as to whether any owner(s) has or have committed contravention of any of the provisions of Sections 22, 23, sub-section (1) of Section 25 or Section 30 the Act in respect of which the contravention is alleged to have been committed, the Adjudicating Officer shall, in the first instance, issue a notice in **Form-II** to such owner(s) giving him or them an opportunity for hearing in the matter within a period of one month.

(6) The notice to such owners(s) shall indicate the nature of offence alleged to have been committed by him or them, the sections of the Act alleged to have been contravened and the date of hearing of the matter. A copy of the report of the Inspector shall also be annexed to such notice.

(7) On the date fixed for hearing, the Adjudicating Officer shall explain to the owner(s) or to his authorized representative, the offence alleged to have been committed by such person, indicating the provision of the Act in respect of which the contravention is alleged to have taken place.

(8) The Adjudicating Officer shall then give an opportunity to such owner(s) to produce such documents or evidence in **Form-III** as he may consider relevant to the inquiry and if necessary, the hearing may be adjourned to a future date.

Provided further that the Adjudicating Officer shall pass the final order within 180 days from the date of first hearing mentioned in sub-rule (7) above.

(9) While holding an inquiry under this rule, the Adjudicating Officer shall have the power to summon and enforce the attendance of any person acquainted with the facts and circumstances of the case to give evidence or to produce any document which, in the opinion of the Adjudicating Officer may be useful for or relevant to the subject matter of the inquiry.

(10) If any person fails, neglects or refuses to appear as required by sub-rule (5) and (6) before the Adjudicating Officer, the Adjudicating Officer may proceed with the inquiry in the absence of such person, after recording the reasons for doing so.

(11) If upon consideration of the evidence produced before the Adjudicating Officer, the Adjudicating Officer is satisfied that the owner, against whom the Inquiry has been conducted, is liable to penalty under any of the provisions of Sections 22, 23, sub-section (1) of Section 25 or Section 30 the Act, he may, by order in writing, impose such penalty as he thinks fit, in accordance with the provisions of the relevant section or Sections of the Act.

(12) If, however, the Adjudicating Officer is satisfied that the owner(s) against whom the inquiry has been conducted for the contravention of provisions of the Act, has or have not been proved beyond doubt, the Adjudicating Officer shall dismiss the case.

(13) Every order made under sub-rule (11) shall specify the provisions of the Act in respect of which the contravention has taken place and shall contain brief reasons for such decision. While imposing penalty, the Adjudicating Officer shall have due regard to the provisions of Section 26A of the Act. Such penalty shall be remitted in the form of treasury challan in the Head of Account **"0230 Labour & Employment 103-Fee for inspection of Steam Boiler**", Accountant General, Itanagar.

(14) Every such order shall be dated and signed by the Adjudicating Officer.

(15) The Adjudicating Officer shall send a copy of the order made under sub-rules (11) or (12) to the owner(s) against whom the inquiry was conducted and the Inspector who has filed the application for adjudication,

(16) A notice or an order issued under these rules shall be served on the owner(s) against whom the adjudication proceedings were held or inquiry has been conducted, in any of the following manner:

(i) by delivering or tendering it to that owner(s) or his duly authorized representative; or

(ii) by sending it to the owner(s) by registered post or speed post to the address of his place of residence or his last known place of residence or the place where he carried on or last carried on, business or personally works or last worked for gain; or

(iii) if it cannot be served in the manner specified under sub-rule (i) or (ii), by affixing it on the outer door or some other conspicuous part of the premises in which that person resides or is known to have last resided or carried on business or personally works or has worked for gain and written report thereof should be witnessed by two persons.

5. **Procedure for Appeal under Section 26B of the Act :** (1) An appeal under Section 26B of the Act, arising out of a decision of the Adjudicating Officer appointed under Section 26A of the Act, shall be filed with the Appellate Authority in **Form-IV** within a period of sixty days from the date on which the copy of the order against which the appeal is filed, is received by the appellant in the manner specified at Rule 4 (16).

(2) An appeal may be admitted after the expiry of the period of sixty days if the appellant satisfies the appellate authority that he had sufficient cause for not preferring the appeal within that period.

OFFICE MEMORANDUM

The 21st July, 2025

No. LLJ-11024(11)/4/2025/353.—WHEREAS it has been noticed that on most of the occasions, various Government Departments are endorsing urgent files pertaining to vetting of Assembly Bills, Cabinet notes, MoUs, Parawise comments, Professional bills, Legal advice files etc. to this Department at the very last hour and seeking early clearances which prevents the officers of the Department from examining the issues in-depth. The vetting by Law Department is a time taking exercise and any un-due hurry may lead to mistakes and oversights.

In view of above, it is felt that an OM be issued indicating the timelines and modalities of the examination/ vetting of such proposals.

Accordingly, on the approval of the Competent Authority, this OM shall henceforth be used as a reference for examination of the various proposal for vetting by this Department superseding the previous Law Department Circular No. JUD-89/98 PART dated 10th August, 2023.

1. **VETTING OF LEGISLATIVE BILLS :**

   (a) The Departments initiating any new assembly bills/amendment bills may send the file, duly completed in all respects, to Law Department at least one (1) month prior to the start of the next Assembly sessions.

   (b) The Department shall assign one responsible Officer, well conversant with the matter, to coordinate with the Law Department till the bill is passed by the Legislative Assembly and a formal notification of the Act is published in the Arunachal Pradesh Gazette.

   (c) All the Legislative Bills sent for vetting should be sent only in an **editable format** (in e-office draft format) for facilitating corrections etc.

Published and printed by Directorate of Printing & Stationery, Naharlagun—415/2025-DoP-250-7-2025.

2. **VETTING OF CABINET NOTE.**

(a) All Cabinet Notes sent for Law vetting should contain the Administrative Approval of the authority, clearance of AR Department and Finance Department.

(b) The Cabinet Note should be in the latest format as circulated by the Cabinet Cell.

(c) The Cabinet Note should be sent at least 10 days prior to the Cabinet Meeting.

(d) The Cabinet Note sent for vetting should be sent only in an **editable format** (in e-office draft format) for facilitating corrections etc.

3. **VETTING OF MOU/MOA :**

(a) All Department should obtain prior Administrative Approval of the Hon'ble Minister-in-charge of the Department for entering into MoU/MoA on behalf of the State Government with any entity.

(b) In case, the MOA/MOU etc contains financial implications, prior clearance of Finance Department must be obtained.

(c) The MoA/MoU should be sent to the Law Department for vetting at least 15 days prior to signing of such agreement.

(d) All the MoU/ MoA sent for vetting should be sent only in an **editable format** (in e-office draft format) for facilitating corrections etc.

4. **VETTING OF PARA-WISE REPLIES/COMMENTS :**

(a) If any case is filed against the Government, it will be the duty of the Department Counsel to contest the case with all the material facts of the matter and to file the counter affidavit in time. There should be proper co-ordination with the Government Counsel and directions of the Hon'ble Court for filing reply/rejoinder should be complied with within the given time-frame.

(b) The para-wise comments, with all the supporting annexures (petition copy, orders etc), should be sent to the Law Department for vetting at least 10 days before the same is finalized by the Department in consultation with the concerned Government Advocate.

(c) The Department should ensure that the para-wise replies sent to the Law Department must be in an **editable format** (in e-office draft format).

5. **SEEKING OF LEGAL ADVICE/OPINION :**

(a) In case of any query sent to the Law Department which involves court cases, the Department should invariably send the petition copy and any other orders issued by the court in the matter along with a self-contained note of the Department for examination of Law Department.

(b) The Department should frame/indicate in clear terms the queries/legal issues on which the opinion/ advice of the Law Department is required/sought. Further the Department should clearly give its point of view on the subject instead of leaving everything open to interpretation.

(c) In case of opinion on service matters, the same should have been firstly examined by the AR Department.

6. **VETTING OF RECRUITMENT RULES/NOTIFICATIONS/GUIDELINES/BYE-LAWS :**

(a) In matters relating to vetting of RRs, in case of any changes by the AR Department, the changes should be incorporated in the draft endorsed to Law Department for vetting thereto along with the copy of the principal Recruitment Rules and all the subsequent amendment(s) made thereto. In cases where clearance from FD/APPSC/APSSB is required, the process of obtaining such clearance should be firstly completed prior to endorsing for Law Vetting.

(b) The draft R/R is to be sent in an **editable format** (in e-office draft format).

(c) The draft number(s) of any and all draft(s) attempted by the Department which has/have been endorsed to the Law Department for vetting, should be clearly and specifically mentioned in the file noting.

7. **VETTING OF PROFESSIONAL BILLS :**

The department while endorsing any files for vetting of the professional bills of any Government advocate(s) should place in the file, a copy of the pre-negotiated rates and the engagement order of the Advocate(s) along with the administrative approval of such rate/engagement order.

Note : 1. In case of non-fulfillment of any of the pre-requisites stated above, the Law Department shall return the file without vetting/ examination and the delay in such cases shall be attributable to the administrative Department for not adhering to the guidelines as prescribed by Law Department.

2. The Check-list and Timelines at **Annexure-I** may be referred and adhered to.

Yashpal Garg, IAS
Commissioner (Law),
Government of Arunachal Pradesh,
Itanagar.

NOTIFICATION

The 30th June, 2025

No.DA/X/01/2025-26/371-452.—The Government of Arunachal Pradesh has decided to implement Unified Pension Scheme (UPS), as an option under the National Pension System for the employees of the State Government of Arunachal Pradesh who are covered under the National Pension System.

The Unified Pension Scheme (UPS) shall be applicable to State Government Employees who are covered under National Pension System and who formally elect to opt this scheme under National Pension System. The option to choose UPS has to be exercised within 3 (three) months from the date of issue of the Notification. It will have the following features, namely :-

2. **Eligibility under the Scheme :**

I. Assured Payout shall be available only in the following cases, namely :-

(a) in case of an employee superannuating after qualifying Service of ten years, from the date of superannuation ;

(b) in case of the Government retiring an employee under the Provisions of FR 56 (j) (which is not a penalty under Central Civil Services (Classification, Control and Appeal) Rules, 1965 from the date of such retirement : and

(c) in case of voluntary retirement after a minimum qualifying service period of 25 years, from the date such employee would have superannuated, if the service period had continued to superannuation.

II. Assured Payout shall not be available in case of removal or dismissal from service or resignation of the employee. In such cases, the Unified Pension Scheme option shall not apply.

Benefits under the Scheme

III. Subject to other conditions stated in this notification, Assured Payout under the scheme shall be as follows, namely :-

(a) The rate of full assured payout will be @ 50% of twelve monthly average basic pay, immediately prior to superannuation. Full assured payout is payable after a minimum 25 years of qualifying Service ;

(b) In case of lesser qualifying service period, proportionate payout would be admissible ;

(c) A minimum guaranteed payout of ₹ 10,000 per month shall be assured in case Superannuation is after ten years or more of qualifying service ; and

(d) In cases of voluntary retirement after a minimum 25 years of qualifying service, assured payment will commence from the date on which the employees would have superannuated, if he had continued in service.

IV. In case of death of the payout holder after superannuation, family payout @ 60% of the payout admissible to the payout holder, immediately before his demise, will be assured to the legally wedded spouse (spouse legally wedded as on the date of superannuation or on the date of voluntary retirement or retirement under FR 56 (j), as may be applicable).

Published and printed by Directorate of Printing and Stationery, Naharlagun—542/2025-DoP-250-9-2025.

V. Dearness Relief will be available on the assured payout and family payout, as the case may be. The Dearness Relief will be worked out in the same manner as Dearness Allowance applicable to serving employees. Dearness Relief will be payable only when payout commences.

VI. A lump sum payment will be allowed on superannuation @10% of monthly emoluments (basic pay + Dearness Allowance) for every completed six months of qualifying service. This lumpsum payment will not affect the quantum of assured payout.

VII. The corpus under the Unified Pension Scheme option will comprise of two funds, namely :-

(a) An individual corpus with employee contribution and matching State Government contribution ; and

(b) A pool corpus with additional State Government contribution.

VIII. The contribution of employees will be10% of (basic pay+ Dearness Allowance). The matching State Government contribution will also be 10% of (basic pay + Dearness Allowance). Both will be credited to each employee's individual corpus.

IX. The State Government shall provide an additional contribution of an estimated 8.5% of (basic pay + Dearness Allowance) of all employees who have chosen the Unified Pension Scheme option, to the pool corpus on an aggregate basis. The additional contribution is for supporting assured payouts under the Unified Pension Scheme option.

X. The employee can exercise investment choices for the individual corpus alone. Such investment choices shall be regulated by the Pension Fund Regulatory and Development Authority. A 'default pattern' of investment may be defined by Pension Fund Regulatory and Development Authority from time to time. If an employee does not exercise an investment choice on individual corpus, the 'default pattern' of investment will apply.

XI. The investment decisions for the pool corpus built through the additional State Government contribution will solely rest with State Government.

XII. In respect of employees who have retired before the date of operation of Unified Pension Scheme and who opt for the Unified Pension Scheme option, Pension Fund Regulatory and Development Authority will determine the mechanism for making available the top- up amount.

Explanation : For the purpose of this notification basic pay includes non-practicing allowance granted to medical officer in lieu of private practice.

3. The existing State Government Employees under National Pension System, on the effective date of operationalisation of the Unified Pension Scheme option, as well as the future employees of State Government can choose to either take the Unified Pension Scheme option under the National Pension System or continue with the National Pension System without the Unified Pension Scheme option. In case an employee chooses the Unified Pension Scheme option, all its stipulations and conditions shall be deemed to have been opted for and such option once exercised, shall be final.

4. Once an employee covered under National Pension System, who is in service on the effective date of operationalisation of the Unified Pension Scheme option, exercises the Unified Pension Scheme option, the outstanding National Pension System corpus in the employees Permanent Retirement Account Number shall be transferred to the employee's individual corpus under the Unified Pension Scheme.

5. For each employee covered under National Pension System who has exercised the Unified Pension Scheme option, a 'benchmark corpus' value shall be computed, in such manner as may be determined by the Pension Fund Regulatory and Development Authority, with the following assumptions, namely :-

(i) regular receipt of applicable contributions for both the employees and the employer for each month of qualifying service ;

(ii) in case of missing contributions, an appropriate value, to be determined by the Pension Fund Regulatory and Development Authority, shall be assigned ; and

(iii) investment of such contributions is made as per the 'default pattern' of investment, as defined by the Pension Fund Regulatory and Development Authority.

6. The value or units in the individual corpus with investment choices of the employee shall be informed to such employee on a periodic basis. Alongside, the value or units of the benchmark corpus corresponding to the employee, computed as per para 5 above will also be informed to the employee.

7. At superannuation or retirement, the qualifying service of the employee under the Unified Pension Scheme option, will be determined by the Head of Office, where he is employed.

8. At superannuation or retirement, the employee under Unified Pension Scheme shall authorise transfer of the value or units in the individual corpus to the pool corpus, equivalent to the value or units of the benchmark corpus for authorisation of Assured Payout. In case the value or units of individual corpus is less than value or units of the benchmark corpus, the employee will have an option to arrange for additional

Published and printed by Directorate of Printing and Stationery, Naharlagun—542/2025-DoP-250-9-2025.

contribution to meet this gap. In case the value or units of individual corpus is more than the value or units of the benchmark corpus, the employee shall authorise transfer of value or units equivalent to the benchmark corpus and the balance amount in the individual corpus will be credited to the employee.

9. In case the values or units transferred by the employee from the individual corpus to the pool corpus, is less than the value or units of the benchmark corpus, payout proportionate to the assured payout shall be authorised.

10. The Unified Pension Scheme, being a 'fund-based' pension system, relies on the regular and timely accumulation and investment of applicable contributions (from both the employee and the employer) for Assured Payout to the employees.

11. For the sake of clarity, it is made clear that any employee who has exercised the Unified Pension Scheme option under National Pension System under this notification, shall not been titled for and cannot claim, any other policy concession, policy change, financial benefit, any parity with subsequent retirees etc. later including post- retirement.

12. The provisions of Unified Pension Scheme will also be applicable, mutatis mutandis to past retirees of National Pension System, who have superannuated before the date of operationalising of Unified Pension Scheme. Such superannuated employees will be paid arrears for the past period along with interest as per Public Provident Fund rates. The monthly top-up amount for such superannuated employees, to be determined by the Pension Fund Regulatory and Development Authority, will be paid after adjusting the withdrawals made by and annuities paid to, them.

13. The provisions regarding assured pay out under the Unified Pension Scheme option for employees facing disciplinary proceedings at the time of superannuation or where disciplinary proceedings are contemplated post- retirement, shall be separately notified.

14. Illustrative examples as to working of payouts of Unified Pension Scheme under different scenarios are given in the Annexure.

15. The regulations for operationalising Unified Pension Scheme shall be as per the Pension Fund Regulatory and Development Authority (Operationalisation of Unified Pension System Under National Pension System), Regulations, 2025.

16. This notification shall be effective from the date of issue i.e., 11th August, 2025.

Manish Kumar Gupta, IAS
Chief Secretary,
Government of Arunachal Pradesh,
Itanagar.

ANNEXURE

ANNEXURE REFERRED TO IN PARAGRAPH 14 OF THE NOTIFICATION OF THE DEPARTMENT OF FINANCE, PLANNING AND INVESTMENT, GOVERNMENT OF ARUNACHAL PRADESH VIDE NOTIFICATION NO. DA/X/01/2025-26 DATED THE 11th August, 2025

A. Illustrative Examples of Admissible Monthly Assured Payout

A set of different scenarios have been considered with the following set of assumptions, namely :-

(i) The 12 monthly average basic pay before superannuation of an employee is ₹ 45,000 (denoted as P).

(ii) The employee has a qualifying service (based on the number of months of contribution) of 25 years (300 months) or more (denoted as Q).

(iii) All contributions of the employee have been credited regularly and there are no missing credits.

(iv) The employee has opted for 'default pattern' of investment.

(v) The employee did not make any partial withdrawals

Scenario 1: The employee fulfils all conditions (i) to (v).

- The value of the individual corpus of the employee at retirement is ₹ 50,00,000 (10,000 units) (denoted as IC).

Published and printed by Directorate of Printing and Stationery, Naharlagun—542/2025-DoP-250-9-2025.

- The value of the benchmark corpus in this case should also be ₹ 50,00,000 (10,000 units) (denoted as BC).
- The assured payout of the employee will be

$= (\frac{P}{2}) X (\frac{Q}{300}) X (\frac{IC}{BC})$ with the condition that;

(i) if Q exceeds 300, it will be taken as 300.

(ii) if (P/2) XQ/300 is less than 10,000, it will be taken as 10,000.

$= (\frac{45,000}{2}) X (\frac{300}{300}) X (\frac{50,00,000}{50,00,000})$ = ₹ 22,500 plus applicable Dearness Relief (DR).

NOTE:- In this case assured payout equals full assured payout

Scenario 2 : The employee fulfils the conditions (i) and (iii) to (v). The employee has a qualifying service (based on the number of months of contribution) of **15 years (180 months)**.

- The value of the individual corpus of the employee at retirement is ₹ 30,00,000 (8,000 units) (denoted as IC).
- The value of the benchmark corpus will be ₹ 30,00,000 (8,000 units) (denoted as BC).
- The assured payout of the employee will be

$= (\frac{P}{2}) X (\frac{Q}{300}) X (\frac{IC}{BC})$ with the condition that

(i) if Q exceeds 300, it will be taken as 300.

(ii) if (P/2) XQ/300 is less than 10,000, it will be taken as 10,000.

$= (\frac{45,000}{2}) X (\frac{180}{300}) X (\frac{30,00,000}{30,00,000})$ = ₹ 13,500 plus applicable Dearness Relief (DR).

Scenario 3 : The employee fulfils the conditions (i) and (iii) to (v). The employee has a qualifying service (based on the number of months of contribution) of **10 years (120 months).**

- The value of the individual corpus of the employee at retirement is ₹ 25,00,000 (10,000 units) (denoted as IC).
- The value of the benchmark corpus will be ₹ 25,00,000 (10,000 units) (denoted as BC).
- The assured payout of the employee will be

$= (\frac{P}{2}) X (\frac{Q}{300}) X (\frac{IC}{BC})$ with the condition that;

(i) if Q exceeds 300, it will be taken as 300

(ii) if (P/2) XQ/300 is less than 10,000, it will be taken as 10,000.

$= (\frac{45,000}{2}) X (\frac{120}{300}) X (\frac{25,00,000}{25,00,000})$ = ₹ 9,000

which will be raised to the minimum assured payout of ₹ 10,000 plus applicable Dearness Relief (DR), as the full value of the bench mark corpus has been deposited from the individual corpus to the pool corpus.

Scenario 3 (a) : The employee fulfils the conditions (i), (iii) and (iv). The employee made partial withdrawals. The employee has a qualifying service (based on the number of months of contribution) of **10 years (120 months).**

- The value of the individual corpus of the employee at retirement is ₹ 22,00,000 (8,800 units) (denoted as IC).
- The value of the benchmark corpus will be ₹ 25,00,000 (10,000 units) (denoted as BC).
- The assured payout of the employee will be

$= (\frac{P}{2}) X (\frac{Q}{300}) X (\frac{IC}{BC})$ with the condition that;

(i) if Q exceeds 300, it will be taken as 300

Published and printed by Directorate of Printing and Stationery, Naharlagun—542/2025-DoP-250-9-2025.

(ii) if (P/2) XQ/300 is less than 10,000, it will be taken as 10,000.

$= (\frac{45,000}{2}) \text{ X } (\frac{120}{300}) \text{X } (\frac{22,00,000}{25,00,000})$ = ₹ 8,800

In this case assured payout will be ₹ 8800 plus applicable Dearness Relief (DR), as full corpus has not been deposited from the individual corpus to the pool corpus

S**cenario 4 : The employee fulfils the conditions (i), (ii), (iv) and (v). All contributions of the employee have not been credited regularly** and there are some missing credits which has not been made good/ arranged to be made good by the employee.

- The value of the individual corpus of the employee at retirement is ₹ 45,00,000 (9,000 units) (denoted as IC).
- The value of the benchmark corpus is ₹ 50,00,000 (10,000 units) (denoted as BC). The benchmark corpus has been worked out considering an average contribution for the missing credits.
- The assured payout of the employee will be

$= (\frac{P}{2}) \text{ X } (\frac{Q}{300}) \text{X } (\frac{IC}{BC})$ with the condition that;

(i) if Q exceeds 300, it will be taken as 300

(ii) if (P/2) XQ/300 is less than 10,000, it will be taken as 10,000.

$= (\frac{45,000}{2}) \text{ X } (\frac{300}{300}) \text{X } (\frac{45,00,000}{50,00,000})$ = ₹ 20,250 plus applicable Dearness Relief (DR)

Scenario 5 : The employee fulfils the conditions (i) to (iv). The employee made partial withdrawals, the value of which, vis-à-vis the benchmark corpus, has not been recouped by the employee before retirement.

- The value of the individual corpus of the employee at retirement is ₹ 40,00,000 (8,000 units) (denoted as IC).
- The value of the benchmark corpus is ₹ 50,00,000 (10,000 units) (denoted as BC). The benchmark corpus will be worked out considering no partial withdrawals.
- The assured payout of the employee will be

$= (\frac{P}{2}) \text{ X } (\frac{Q}{300}) \text{X } (\frac{IC}{BC})$ with the condition that:

(i) if Q exceeds 300, it will be taken as 300

(ii) if (P/2) XQ/300 is less than 10,000, it will be taken as 10,000.

$= (\frac{45,000}{2}) \text{ X } (\frac{300}{300}) \text{X } (\frac{40,00,000}{50,00,000})$ = ₹ 18,000 plus applicable Dearness Relief (DR)

Scenario 6 : The employee fulfils the conditions (i), (ii), (iii) and (v). The employee opted for investment choices in the individual corpus and the value of the individual corpus is higher than benchmark corpus

" • The value of the individual corpus of the employee at retirement is ₹ 55,00,000 (11,000 units) (denoted as IC).

- The value of the benchmark corpus is ₹ 50,00,000 (10,000 units) (denoted as BC). The benchmark corpus has been worked out based on 'default pattern' of investment.
- The assured payout of the employee will be

$= (\frac{P}{2}) \text{ X } (\frac{Q}{300}) \text{X } (\frac{IC}{BC})$ with the condition that ;

(i) if Q exceeds 300, it will be taken as 300

(ii) if (P/2) XQ/300 is less than 10,000, it will be taken as 10,000.

$= (\frac{45,000}{2}) \text{ X } (\frac{300}{300}) \text{X } (\frac{50,00,000}{50,00,000})$ = ₹ 22,500 plus applicable Dearness Relief (DR)

In this case, the employee will get a credit of the excess value of individual corpus vis-à-vis benchmark corpus (i.e. ₹ 5,00,000) in his designated bank account at retirement.

Scenario 7 : The employee fulfils the conditions (i), (ii), (iii) and (v). The employee opted for investment choices in the individual corpus and the value of the individual corpus is lower than benchmark corpus.

Published and printed by Directorate of Printing and Stationery, Naharlagun—542/2025-DoP-250-9-2025.

(a) If the employee does not recoup the individual corpus:

- The value of the individual corpus of the employee at retirement is ₹ 45,00,000 (9,000 units) (denoted as IC) ; as the employee did not recoup the value of the individual corpus vis-à-vis the benchmark corpus, owing to the investment choices exercised by the employee.
- The value of the benchmark corpus is ₹ 50,00,000 (10,000 units) (denoted as BC). The benchmark corpus has been worked out based on 'default pattern' of investment.
- The assured payout of the employee will be

$$= \left(\frac{P}{2}\right) X \left(\frac{Q}{300}\right) X \left(\frac{IC}{BC}\right)$$ with the condition that;

(i) if Q exceeds 300, it will be taken as 300

(ii) if (P/2) XQ/300 is less than 10,000, it will be taken as 10,000.

$$= \left(\frac{45,000}{2}\right) X \left(\frac{300}{300}\right) X \left(\frac{45,00,000}{50,00,000}\right)$$ = ₹ 20,250 plus applicable Dearness Relief (DR)

(b) If the employee partially recoups the individual corpus:

- The value of the individual corpus of the employee at retirement is ₹ 45,00,000 (9,000 units) (denoted as IC); the employee recouped partially the individual corpus by ₹ 2,50,000, so the corpus now stands at ₹ 47,50,000 (9,500 Units).
- The value of the benchmark corpus is ₹ 50,00,000 (10,000 units) (denoted as BC). The benchmark corpus has been worked out based on 'default pattern' of investment.
- The assured payout of the employee will be

$$= \left(\frac{P}{2}\right) X \left(\frac{Q}{300}\right) X \left(\frac{IC}{BC}\right)$$ with the condition that;

(i) if Q exceeds 300, it will be taken as 300

(ii) if (P/2) XQ/300 is less than 10,000, it will be taken as 10,000.

$$= \left(\frac{45,000}{2}\right) X \left(\frac{300}{300}\right) X \left(\frac{47,50,000}{50,00,000}\right)$$ = ₹ 21,375 plus applicable Dearness Relief (DR)

B. Illustrative examples of Lump Sum Payment on superannuation or VR after 25 years of qualifying service and retirement under FR 56 (j)

The Basic Pay at the time of retirement and Dearness Allowance have been assumed as under:	
Basic pay as on the date of superannuation or VR or retirement under FR 56(j)	₹ **45,000**
Dearness Allowance thereon @ 53%	₹ **23,850**
Total emoluments	₹ **68,850**

Lump sum amount = ($\frac{1}{10}$ X 68,850) X L = 6,885 X L

Where **L** = number of six-monthly completed years of service based on the number of months for contribution to individual's pension corpus

Amount of Lump Sum, depending upon the length of qualifying service:

1/10 of emoluments (₹)	Length of qualifying service (number of months of contribution) L	Number of completed 6 months	Amount of Lump sum (₹)
6,885	10 years (120 months)	20	1,37,700
	15 years(180 months)	30	2,06,550
	20 years (240 months)	40	2,75,400
	25 years (300 months)	50	3,44,250
	30 years (360 months)	60	4,13,100
	35 years (420 months)	70	4,81,950

NOTE : No lump sum will be payable, if the service length is less than 10 years (less than 120 months of contribution), as Unified Pension Scheme is not applicable in such a case.

NOTIFICATION

The 10th September, 2025

APSERC (Renewable Purchase Obligation and its compliance) Regulation (Third Amendment) 2025.

No. APSERC/NOTIFICATION/52/2025.—The Ministry of Power vide notification S.O. 4617(E) dated New Delhi, the 20th October, 2023 in consultation with Bureau of Energy Efficiency has specified the minimum share of electrical energy consumption from non-fossil sources (renewable energy) by designated consumers who are electricity distribution licensees, open access consumers and captive users to the extent of consumption of electricity from sources other than distribution licensee as a percentage of their total share of energy consumption.

In order to promote generation of Renewable Energy in the State of Arunachal Pradesh, The Arunachal Pradesh State Electricity Regulatory Commission in exercise of the powers conferred by clauses (zi), (zj),(zk) and (zo) of sub-section (2) of Section 181, read with sub-sections (1) and (2) of Section 91and sub-sections (1) of Section 92, of the Electricity Act, 2003 (Act No. 36 of 2003) and all other powers enabling it in this behalf, hereby makes the following Regulations to amend the Renewable Power Purchase Obligation and its Compliance Regulations - 2012 (herein referred to as the 'Principal Regulation').

CHAPTER - I GENERAL

1. **Short title, commencement and interpretation:**

(1) These Regulations may be called the APSERC (Renewable Purchase Obligation and its compliance) Regulations, 2025 (Third Amendment).

(2) These Regulations shall extend to the whole of the State of Arunachal Pradesh.

(3) These Regulations shall come into force on the date of their publication in the State's Official Gazette.

2. **Amendment of the Regulation 4 of the Principal Regulation and Renewable Purchase Obligation and its compliance and its compliance Regulation (2nd Amendment) 2016.**

Sl. No.	Year	Wind renewable energy	Hydro renewable energy	Distributed renewable energy*	Other renewable energy	Total renewable energy
(1)	(2)	(3)	(4)	(5)	(6)	(7)
1.	2024-25	0.67%	0.38%	1.50%	27.35%	29.91%
2.	2025-26	1.45%	1.22%	2.10%	28.24%	33.01%

6.	2029-30	3.48%	1.33%	4.50%	34.02%	43.33%

Note 1: For Arunachal Pradesh, the distributed renewable energy component shall be half of that given in the Table above and the remaining component for Distributed Renewable Energy is included in the other renewable energy sources keeping the total renewable energy same as per notification issued by Ministry of Power.

Published and printed by Directorate of Printing and Stationery, Naharlagun—564/2025-DoP-250-10-2025.

Note 2: The wind renewable energy component shall be met by energy produced from Wind Power Projects (WPPs) commissioned after the 31st March, 2024.

Note 3: The hydro renewable energy component shall be met only by energy produced from Hydro Power Projects [including Pump Storage Projects (PSPs) and Small Hydro Projects (SHPs)], commissioned after the 31st March, 2024:

Provided that the hydro renewable energy component may also be met out of the free power being provided to the State/DISCOM from the Hydro Power Projects commissioned after the 31st March, 2024:

Note 4: The distributed renewable energy component shall be met only from the energy generated from renewable energy projects that are less than 10 MW in size and shall include solar installations under all configurations (net metering, gross metering, virtual net metering, group net metering, behind the meter installations and any other configuration) notified by the Central Government:

Provided that the compliance against distributed renewable energy shall ordinarily be considered in terms of energy (Kilowatt hour units):

Provided further that in case the designated consumer is unable to provide generation data against distributed renewable energy installations, the reported capacity shall be transformed into distributed renewable energy generation in terms of energy by a multiplier of 3.5 units per kilowatt per day (kWh/kW/day).

Note 5: The other renewable energy component may be met by energy produced from any renewable energy power project other than specified in Note 2, 3 and 4 and shall comprise energy from all WPPs and Hydro Power Projects [including Pump Storage Projects (PSPs) and Small Hydro Projects (SHPs)], including free power, commissioned before the 1st April, 2024.

3. Any shortfall in achievement of stipulated wind renewable energy consumption in a particular year may be met with hydro renewable energy which is in excess of that energy component for that year and vice versa.

4. The balance excess energy consumption under wind renewable energy or hydro renewable energy component in that year, may be considered as part of other renewable energy component.

5. Any excess energy consumption under Other renewable energy component in a particular year, may be utilized to meet the shortfall in achievement of stipulated Wind renewable energy or Hydro renewable energy consumption.

6. The designated consumers who are open access consumers or consumers with Captive Power Plants shall fulfil their obligation as per the specified total renewable energy target irrespective of the non-fossil fuel source.

7. The specified renewable energy consumption targets shall be met either directly or through Certificate in accordance with the Central Electricity Regulatory Commission (Terms and Conditions for Renewable Energy Certificates for Renewable Energy Generation) Regulations, 2022, published in the Gazette of India, Extraordinary, Part III, Section 4, dated the 24th May, 2022:

8. Provided that any shortfall in specified renewable energy consumption targets shall be treated as non-compliance and penalty shall be imposed as such rate specified under sub-section (3) of Section 26 of the Energy Conservation Act, 2001(52 of 2001).

9. In accordance with APSERC Notification No. 8/2012 dated 11th April 2012, the Commission had designated the Arunachal Pradesh Energy Development Agency (APEDA) as the State Agency responsible for accrediting and recommending renewable energy projects for registration with the Central Agency. Further, the Commission hereby designates the State Agency to also monitor the compliance of Renewable Purchase Obligation (RPO) as per the above trajectory by obligated entities within the State and to submit quarterly compliance reports to the Commission.

10. The Bureau shall maintain data related to compliance of renewable energy utilization by the designated consumer(s) and submit report to the Central Government.

11. The trajectory as provided by Government of India will remain valid till FY 2029-30. Any new notification/ amendments of RPO trajectory will be in line with Ministry of Power, Government of India.
