1 (1). NATIONAL CONTEXT :

Arunachal Pradesh, the largest Northeastern State of India, is endowed with plenty of natural resources, which need to be harnessed for the development of the State. At present, the industrial growth in the State is at a nascent stage despite enormous potential for industrial growth. Recently the Union Government has given decisive push to manufacturing through a series of policy initiatives such as **Make in India, Digital India , Stand-up India , Start-up India and Skill India.** The underlying thought of these initiatives is to simplify the business environment, thereby paving way for attracting greater private investment flows from both domestic and foreign investors to make India a leading manufacturing hub. In this context various State Governments have spelt out their respective industrial / manufacturing/ investment policies in recent times to give a boost to investment flow across their States. Accordingly, after due deliberations and taking into consideration all issues relating to investments, enterprise development and industrial growth in the State, the Arunachal Pradesh State Industrial and Investment Policy, 2020 has been formulated.

1 (2). OVERVIEW :

Arunachal Pradesh - the "Land of the dawn-lit mountains", has a population of 13.84 lakh as per 2011 Census spread over an area of 83,743 sq. km., with a very low population density of 17 per sq km, much lower than national average of 382 per sq km. Bordered by Bhutan to the West, Assam in the South, China to the North and North-East and Myanmar to the East, the State is one of the most splendid and variegated tribal areas of the country. The total length of international border is about 1628 km. It has inter-State borders with Nagaland in East and South-East and Assam in the South. Literacy rate in Arunachal Pradesh has seen an upward trend and is 65.38 percent as per 2011 population census. As vibrant is the land, so are the people living in it. Arunachal population speaks above 50 dialects in total owing to the cultural diversity, yet the official language is English. Hindi is a common binding force for the people of the state. The State capital is Itanagar. Numerous tribes reside in the State, each following their own cultures and traditions. Owing to difference in topographic and altitudinal aspect, the climatic conditions are different for different regions. Three major climatic zones is recognized on the basis of broad generalization, viz., the hot and humid sub-tropical area of foot-hills, the cooler and micro-thermal region of lesser Himalayas and the cold climate in the upper region of the State.

Subject : **Dress Etiquette for Government Officers**

No. AR-09/2020.— It has been noticed that Government Officers do not pay attention to the propriety of their dress at times and are carefree toward their dress preference during their working hours. During meetings with dignitaries, senior Government Officers have been found to attend in informal dress clad in Jeans, loud coloured pullovers and informal foot-wears and head-gear.

It is reiterated that, Government employees require maintain a neat, clean and formal appearance that is appropriate for the workplace setting as they are the symbol and token of the Governance and Administration of the State.

Therefore, all the Government Officers/Officials are urged to maintain dress etiquette in appropriate, formal clean clothes for all occasions in general, for formal events like Independence Day, Republic Day, Statehood Day, VVIP/VIP Visits, Important Meetings etc, in particular.

This issues with the approval of the Competent Authority.

DEPARTMENT OF LABOUR AND EMPLOYMENT
ITANAGAR

NOTIFICATION

The 5th October, 2020

No. LAB (W) 64/2020.—It is hereby ordered that henceforth the statutory inspections under various labour laws in the State shall be carried out as per the guidelines provided in the Transparent Inspection Policy (Annexed) which will be based on specific risk based criteria, norms and methodology specified therein.

Pranav Tayal, IPS
Secretary (Labour & Employment),
Government of Arunachal Pradesh,
Itanagar.

Annexure

TRANSPARENT INSPECTION POLICY

1. **Exemption from Labour compliance inspections under all Labour Laws :**

As part of Ease of Doing Business the units employing less than 50 workers shall be exempted from the inspections unless there is a specific case of non-payment of minimum rates of wages notified by the Government or some other serious complaint.

2. Self Certification :

The units/establishment which enroll in the Self Certification Scheme of the Government of Arunachal Pradesh notified vide No. LAB (W)-10/2020 dated 6th August, 2020 shall be exempted from this scheme and the Inspection shall be conducted based on the provisions of the Self Certification Scheme.

3. Inspection Criteria :

The primary task of the labour department is maintenance of industrial peace and harmony and while ensuring proper grievance redressal and the inspections under the various labour laws are conducted only to provide corollary support for compliance of labour laws.

Therefore, the fundamental criteria for the computerized identification of units based upon risk assessment for statutory inspections and also for the purpose of grievance redressal for corollary support for maintenance of industrial peace would be as follows :

Observations and Complaints regarding :

(a) Non-entry of names of workers in the muster roll or non-maintenance of statutory record-which logically leads to violation of various labour laws.

(b) Non-payment of wages or less payment of wages than minimum rates of wages in violation of the Minimum Wages Act, 1948 and the Payment of Wages Act, 1936.

(c) Industrial disputes of serious nature and apprehended breach of law or industrial peace due to such disputes.

(d) Non-maintenance of facilities for security, health and welfare for women employed in the night shift, in accordance with the directions of the Hon'ble Supreme Court and the preconditions laid down in the permission for the purpose ; or employment of women in the night without proper permission as per law.

(e) Deployment of contract labour to the extent of 50% or more of the total strength of manpower.

(f) Non-remittance of contributions to the Labour Welfare Fund or similar nature as may be applicable to the State of Arunachal Pradesh.

Accordingly, the list of units to be inspected will be prepared separately for the labour department at head office shared with the Planning and Investment for maintenance in EODB database and the inspection will be of two types –

(i) Inspections based on risk assessment of units whose names are randomly generated by the computer from available database of establishments on the website of EODB such inspections will be on the basis of criteria listed at (d) (e) and (f) mentioned above.

(ii) Inspections on the basis of complaints and information received from the field Officers on real time basis on the basis of criteria listed in (a), (b) and (c) above. This information will also have to be provided by the field Officers in their reports regularly to enable the O/o Labour Commissioner to assess the requirement of inspection.

As stated above, the primary concern would be non-entry of names of workers on the muster roll, the non-payment of wages or less payment of wages, if detected during the inspections for which legal action will be initiated only after giving the employer ample opportunity for taking corrective action.
