ORDERS BY THE GOVERNOR

ORDER

The 21st January, 2026

ECF No. 406518/2023/152.-

This appeal was preferred by the appellant Md. Nur Ahmed Laskar, former Secretary (removed from service), District Legal Services Authority, Dhemaji against the Notification/ Order dated 09-06-2023 issued by the L.R. & Secretary to the Govt. of Assam, Judicial Department, vide Memo No. JDJ.3/2023/3-A dated 09.06.2023 on the recommendation of the Hon'ble Gauhati High Court communicated by the Registrar (Vigilance), Gauhati High Court vide his letter No.HC.XV12/2021/83/RV dated 18th May, 2023, whereby the appellant was removed from his service as per Rule 7(vi) of the Assam Services (Discipline and Appeal) Rules, 1964 read with Rule 24A, Clause (1), 2(i), 2(ii) and 2(iii) of the Appendix-A of the Assam Judicial Service Rules, 2003 with immediate effect.

In view of above, the undersigned had gone through the crux of the case and had seen that the administrative controlling authority has initiated disciplinary proceedings against the appellant/delinquent officer after finding sufficient materials in preliminary enquiry and thereafter on being not satisfied with the show cause reply given by the appellant/delinquent officer. And in the disciplinary proceedings, the Enquiry Officer after recording evidence of the witnesses and taking on record the relevant documents annexed along with the original complaint filed by the wife of the appellant/delinquent officer, had come to the conclusion that the charges levelled against the delinquent officer /Appellant, except physical cruelty or torture the other charges have been proved.

Now, going through the appeal memo along with its annexures appended with the appeal memo and the relevant records of the Disciplinary Proceedings including Charge Memo, Written Statement, Enquiry Report and entire evidence on record etc. it is found that the appellant conducted himself with lack of restraint and up righteousness leading to moral turpitude, misconduct, impropriety and judicial indiscipline. The Enquiry Officer had acted reasonably and with the objectivity by holding that the charges i.e. in sharing obscene and nude messages and photographs with women other than his wife and indulging in sharing case related information were established by the presence of overwhelming evidence, except physical cruelty or torture to the complainant and his daughter. And the Appellant could not show that there was any malafide or perversity at any stage of the proceedings and that the appellant has also not been able to show that the findings by the Enquiry Officer and the Disciplinary authority was vitiated by any perversity whatsoever. Therefore, the resultant punishment awarded to the appellant also cannot be said to be vitiated in any manner.

Therefore, after going through the materials on record as stated herein above, the Governor of Assam is pleased to reject the appeal as there is no merit in the Appeal filed by the appellant Md. Nur Ahmed Laskar, former Secretary (removed from service), District Legal Services Authority, Dhemaji and accordingly the same is dismissed by upholding the penalty to remove the Appellant from service imposed by the Disciplinary Authority.

BISWAJIT CHAKRABORTY,L.R. & Commissioner & Special Secretary to the Govt. of Assam,
Judicial Department.

Sub: Protection of water supply pipe line assets from damage during execution of roads and other infrastructure projects.

In view of the frequent damage of utility lines, such as, water pipe lines during construction or repair of roads or drains, the following decisions have been taken to make it mandatory to ensure re-location and restoration of such utility line assets to the original condition during execution of the roads project:

- A. Restoration of damaged water supply infrastructure shall be included as part of the project estimates of PWD or any other infrastructure/construction agencies. PWD or other infrastructure agency shall relocate damaged utilities of PHED on their own, if there is sufficient provision for the same in their budget. In such cases, PWD/other agency shall prepare an estimate for utility shifting and execute the necessary works pertaining to road widening/other tasks including restoration and utility shifting/repairs in coordination with PHED officials. PHED and PWD or the concerned infrastructure/construction agency shall maintain regular communication amongst them on the progress made.
- B. In cases, where provisions for utility shifting due to road/other infrastructure project is not included in the PWD/other agencies' budget, special budget provision from the State Budget may be made with PHED for repair of the assets, wherever there is no provision for utility shifting. PHED is to provide scheme-wise estimates to the Finance Department for its concurrence. Once the budget is sanctioned by the Finance Department, the fund may be transferred to the Single Nodal Account of PHED. Upon receipt of the requisite fund by PHED, the concerned Mission Directorate shall disburse the required funds to each PHE Division based on their requirements.

- C. A Committee under the chairmanship of the District Commissioner may be constituted with members of PHED, PWD Divisional Engineers, and other officials of concerned Departments so that, future damage could be avoided. The committee may undertake visits to completed PWSS locations, wherein, road widening and utility shifting is of utmost and urgent necessity, prepare a report, and share the same with PHED and PWD/other concerned agency. After a thorough review of the DPRs of PHED and PWD/other concerned agency, action as mentioned at para A or para B above is to be taken as the case may be.
- D. It may be mandated that any infrastructure/works agency of the Government, will
- i) mandatorily check for records of the pipeline assets assuming that there is a pipe network of PHED/JIM on the side of the road,
 - ii) verify the PM Gati shakti portal for pipeline asset data,
 - iii) use the CBuD (Call Before you Dig) app and Path Samanvaya portal to intimate the department,
 - iv) plan for utility shifting as part of the project execution and incorporate in their DPR/estimates and arrange to execute under the supervision of the concerned utility department- either PHE or DOHUA, as applicable
- E. Henceforth, PHED and other departments/agencies in charge of the public utility line assets shall ensure that the utility lines are laid well below the road level keeping sufficient earth cushions necessary protect them from pressure of road roller, etc. during execution of road construction or maintenance work. Furthermore, the utility lines should be laid positioned well away from the road carriageway.

The above decisions will apply to all the Infrastructure Departments/Agencies and all the Departments/Agencies in charge of the Government's utility line assets.

[Attention of all officers ending matters for publication in the Assam Gazette is drawn to the following Government circular with the request that instructions contained therein may kindly be strictly adhered the orders to avoid delay in publication of Notification in the Assam Gazette :-]

Lett. No. PG. 22/70/P-II/1, dated Shillong, the 2nd June, 1970 from the Chief Secretary to the Government of Assam to all Administrative Departments, all Head of Departments, All Deputy Commissioners and Sub-Divisional Officers.

SUBJECT :- Timely publication of Government Notifications and other important matters in the weekly Official Gazette.

I am directed to say that it has come to the notice of Government that important notification having bearing on statutes and matters of immediate public interest are sometimes published in the Official Gazette on date much later than prescribed. Government have decided, therefore, to introduce the following system with immediate effect, which must be strictly adhered to in sending notice to the Assam Government Press for publication in the Official Gazette.

1. In the first instance, it has to be noted that the printing of the weekly Gazette must be completed by the end of every Tuesday so that it may be duly published on every Wednesday.

2. Every notification and every other matter which is required to be printed and published in a particular issue of the Official Gazette must, therefore, reach the Director, Assam Government Press on the Monday of the week preceding the week in which it is required to be published. If this is not done it is infructuous requesting the Director, Assam Government Press to publish such notification or other matter in the next issue of the Gazette, the expression usually inserted in all endorsements made to the Director.

3. Wherever it is necessary to print and publish a notification on a specified date (excluding such Notification or communicate as are to be published in Gazette extraordinary) clear instruction of that effect must be given to the Director, Assam Government Press, both on the body of such notification within the indication at the top in the red ink and is a separate covering.

4. To achieve the objective in papers 2 and 3, it is essential that proper discretion should be exercised by the concerned officers in the Department or office and all matters for publication in the Gazette should scrutinised and sent to the Press after careful application.

5. As for publication of any matters in a Gazette, Extraordinary, the existing procedure whereby the prior approval of the General Administration Department is to be obtained will continue.

I am to request you to acknowledge the receipt of this letter and confirmed that the instructions have been duly voted. If you have suggestion on this behalf they may please be communicated.

Chief Secretary to the Government of Assam.
