3. The above decision will apply in respect of exports effected on or after 1-10-67.

SUBJECT:—Imports from U.S.A. under U.S. AID Commodity Programme Assistance 1966 (AID Loan No. 386-H-160)—Diversification of Licences to AID Loan No. 386-H-168.

No. 147-ITC(PN)/67.—Attention of the importers is invited to the Ministry of Commerce Public Notice No. 115-ITC(PN)/66 dated the 11th August, 1966 as amended by Public Notice No. 126-ITC(PN)/66 dated the 2nd September, 1966, No. 146-ITC(PN)/66 dated the 8th November, 1966, No. 36-ITC(PN)/67 dated the 24th May, 1967, No. 43-ITC(PN)/67 dated the 19th June, 1967 and No. 72-ITC(PN)/67 dated the 5th August, 1967 setting out the terms and conditions applicable to import licences issued against U.S. AID Loan No. 386-H-160.

2. Consequent upon the next AID Loan No. 168 becoming effective, it has been decided that, with effect from 16th October, 1967, the letters of credit authorisations to be issued by the Ministry of Finance would be under Loan No. 168, even though the relative import licences have been/are issued under Loan No. 160. In such cases, the licences will be deemed to have been transferred from Loan 160 to 168, the terms and conditions thereof remaining the same, as per various Public Notices mentioned in para 1 above as amended from time to time, and with the changes indicated in the subsequent paragraphs of this Public Notice.

3. The changes in the licensing conditions, referred to above will apply to applications for letter of credit authorisations, processed under Loan No. 386-H-168.

4 **Validity period of Bank Guarantee.**—The last paragraph of the Bank Guarantee form given in Annexure V to Public Notice No. 115-ITC(PN)/66 dated the 11th August, 1966 has been amended in order to reduce the total validity period of the Bank Guarantee in the revised form annexed to this Public Notice.

The date referred to in the first sentence of the said paragraph shall be arrived at by adding one month to the date by which the importers expect all payments to suppliers under a licence to be finalised. The letter of authorisation issued by the Ministry of Finance for opening the Letters of Credit will be valid upto the date of expected finalisation of payments. As no letters of credits can be opened beyond the date of expected finalisation of payments, the importers should ensure, in their own interest, that the expected date of finalisation of payments is fixed after taking into consideration all the factors that may delay the finalisation of payments so that the aforesaid date in the Bank Guarantee is fixed initially itself in such a manner as to suit the real requirements of each case.

5. **Recovery of interest charges.**—The importers are required to pay interest @ 8 per cent per annum on the amounts disbursed to the suppliers by the U.S. Banks on their behalf for the period between the date of payment to U.S. suppliers and the date of deposit of rupee equivalent. To incorporate this requirement, the words "plus interest charges at six per cent per annum for the period between the date of payment to the U.S. suppliers by U.S. Banks and the date of deposit of rupee equivalent" should be added at the end of the first sentence of paragraph five of clause (X) and between the words "at the rate of Rs. 757.50 per 100.000 dollars" and "and given the importer the sealed
" in " of " (V) of " A' pendix to Public Notice

6. *Change in Form of Bank Guarantee.*—The form of the bank guarantee laid down in Annexure V to Public Notice No. 115-ITC(PN)/66 dated the 11th August, 1966 thus stands amended as in the revised form annexed.

7. The following further amendments are also notified in the Ministry of Commerce Public Notice No. 115-ITC(PN)/66 dated 11th August, 1966.

(i) Insert the following as a 'Note' below clause (VII) of the Appendix.

Note.—It should be noted very carefully that the exchange rate indicated above is the prevailing composite rate of exchange and any change in the same, as and when decided upon by the Government of India will be notified to the importers/their bankers.

(ii) Insert the following as Notes (2) and (3) below clause (X) of the Appendix, the existing Note being numbered as Note (1) :

Note (2).—See also Note below clause VII.

Note (3)—The rupee equivalent and interest at 6 per cent per annum will be creditable under the head of account "T—Deposits and Advances—Part II Deposits not bearing interest—C—Other Deposit Accounts—Civil Deposits—Deposits for purchases abroad (i) Purchases under AID Loan No. 386-H-168". In the Challan, the Accountant General, Central Revenues, New Delhi should be shown as the Accounts Officer who will adjust the credits.

(iii) In Annexure IV, the following should be added as sub-para (f), below the existing para (e) :—

(f) Expected date of finalisation of payments—————(To be indicated by importer).
