MINISTRY OF COMMERCE

PUBLIC NOTICE

IMPORT TRADE CONTROL

New Delhi, the 10th November 1967

SUBJECT:—*Import of Hydrosulphite of soda, Rangolite(C) and coaltar dyes etc. against E. P. licences issued under the erstwhile E. P. Schemes.*

No. 164-ITC(PN)/67.—It has come to the notice of the government that certain licensees have imported hydrosulphite of soda, Rangolite(C) and certain banned types of Coaltar dyes and other textile chemicals against E. P. licences issued after the announcement of the import policy for April 1966—March 1967 and after the date of the Ministry of Commerce Public Notice No. 25-ITC(PN)/66 dated 7th February 1966 and Public Notice No. 55-ITC(PN)/66 dated 27th April 1966 and Textile Commissioner Bombay's Trade Notice No. EPB/CT/150/66 dated 11th May 1966 even though such licences issued under the erstwhile E. P. Scheme did not bear any specific endorsement for import of such banned items. On such consignments being detained by the Customs authorities, the importers have pleaded for clearance of the goods on the ground that they have imported these items as these were permitted for import under the Export promotion policy as applicable at the time the exports were effected.

2. It is clarified for information of the trade that since the Import Policy for April 1966—March 1967, Ministry of Commerce Public Notices and the Textile Commissioner's Trade Notice referred to above were also applicable to the export promotion licences issued after the dates of these Public Notices, etc., importation of the consignments of Hydrosulphite of Soda Rangelite(C) and banned varieties of Coaltar Dyes and textile chemicals, is to be treated as unauthorised. The trade is, therefore, warned not to import these items against the licences issued under the erstwhile E. P. Scheme.

P. D. KASBEKAR,

Chief Controller of Imports and Exports.
