No. 14-ITC(PN)/68.—Attention of the trade is invited to the Ministry of Commerce Public Notices No. 89-ITC(PN)/67, dated 23rd August 1967 and 120-ITC(PN)/67 dated 14th September, 1967, according to which "approved importers" were permitted to import fruits etc. from Afghanistan on an *ad hoc* basis.

2. In addition to the "approved importers", it has been decided that "New Comers", who undertake to export non-traditional items listed in Annexure I Schedule B to this Public Notice may be permitted to import fruits etc. from

Afghanistan. Reports of Cotton Textile, Tea, Art Silk goods, Woollen goods, imitation zari goods, leather and rubber goods and the items specified in Annexure I Schedule 'C' to this Public Notice will not be treated as non-traditional items of exports to Afghanistan.

3. For the purpose of this Public Notice, "New Comers" are those:--

- (i) who are already registered as "New Comer" importers from Afghanistan in terms of the Public Notices issued from time to time;
- (ii) who can produce evidence duly certified by a Chartered Accountant to the effect that they had an internal turn over of Rs. 25,000/- during any of the financial years i.e. 1964-65, 1965-66, 1966-67 either of goods listed in Schedule A or of Schedule B of Annexure I to this Public Notice.

4. Under the terms of this Public Notice, exports to Afghanistan are to precede imports from that country. Import permits will not be granted on an advance basis. C.C.Ps to "new comer" importers will be issued for a value equal to the value of their non-traditional exports to Afghanistan *only after* the despatch of the goods from that country.

5. "New Comers" will be required to export non-traditional goods upto the 31st of March, 1968; and they can import permissible items as listed in Annexure I Schedule A to this Public Notice upto the 31st of May 1968 for a value equal to their exports. In case a "new comer" importer fails to liquidate his exports by import of goods of equal value from Afghanistan by the 31st of May, 1968, he is liable to be deregistered. But in cases of extreme difficulties beyond the control of the importer, he may be given a further period of two months' time to balance his accounts by imports, failing which, no further CCP will be granted to him and he will be finally deregistered for such period as the licensing authority deems fit without prejudice to any other action that may be taken against him under the Import & Export Control Act and rules & regulations.

6 Firms intending to export non-traditional items of goods to Afghanistan should apply for registration as "New Comer" importers from Afghanistan to the Joint Chief Controller of Imports and Exports, Bombay/Central Licensing Area, New Delhi, and Controller of Imports & Exports, Amritsar, as the case may be, giving the following particulars:—

- (i) Name and address of the firm.
- (ii) Name of Proprietor(s), Directors etc.

8. Firms who are already registered as 'New Comer' importers from Afghanistan in terms of the previous Public Notices issued from time to time need not apply for fresh registration; and they can apply for permits after effecting exports of non-traditional goods to Afghanistan in terms of this Public Notice.

9. The 'New Comers' should, after exporting non-traditional goods to Afghanistan, apply to the licensing authorities for issue of permits alongwith the documents specified below:—

- (a) Transit Certificate (three copies) together with the invoices & T.R.
- (b) Railway/Air receipts in the case of despatch of the consignments by rail/air; and
- (c) Bills of lading in the case of consignments despatched by sea together with the 4th copy of Transit Certificate showing number and date of Shipping Bill.

10. The documents furnished alongwith the applications should be complete in all respects, which will make for prompt issue of the C.C.Ps. Trade should particularly ensure that the Transit Certificates bear the Official Seal of the Afghan Custom Authorities.

11. Applications for permits should be submitted to the licensing authority concerned within the validity period of the Transit Certificates alongwith T.R. etc. Necessary export documents must also accompany the application for permits.

12. It may be noted that the goods must be cleared from the Afghan Custom borders within the validity period of the transit certificate, and the evidence of transit having taken place during the validity of the Transit Certificate, should be produced, else the goods will not be allowed clearance.

13. The valuation of imports to be effected by the "New Comer" firms, will be on the same basis as stipulated in para 10(1) of the Ministry of Commerce Public Notice No. 89-ITC(PN)/67, dated 23rd August, 1967.

14. The "New Comer" firms will have to submit by the 10th day of every month to the licensing authorities, a statement showing the details of actual exports effected to Afghanistan and imports effected thereagainst on the prescribed proforma obtainable from the licensing authority concerned.
