SUBJECT.—*Import Policy for Registered Exporters for the period 'April 1968--March 1969'.*

No. 35-ITC(PN)/69.—Attention is invited to paragraph 16 in Section 1 of the Import Trade Control Policy (Red Book—Vol. II) for the period 'April 1968--March 1969', according to which items of import (except those specifically excluded) asked for on the strength of an actual user licence will be generally allowed provided they are permissible to actual users under the current policy (i.e. if they have been shown as 'A.U.', 'A.U. on restricted basis', or 'A.U. for export production only').

2. In this connection, it may be clarified that, under the aforesaid provision, a registered exporter or his nominee cannot ask for any item on the basis of his Actual User licence if the import of such item is canalised through the STC/MMTC or any other agency in accordance with the current import policy.

3. Under the import policy for Registered Exporters, 'canalised' items are released in the manner stated in paragraph 19 in Section I of the said Red Book, only if such items are permissible under the policy and are required for the manufacture of exported product or, in the case of nominee of the Registered Exporter, these are required for the manufacture of a part, component or material used in the exported product on the basis of which the nomination has been made.

R. J. REBELLO,
 Chief Controller of Imports and Exports.
