MINISTRY OF COMMERCE

PUBLIC NOTICE

IMPORT TRADE CONTROL

New Delhi, the 11th April 1968

SUBJECT:—*Import policy for the year April 1968—March 1969.*

No. 59-ITC(PN)/68.—Attention is invited to paragraph 25 in Section I of the Import Trade Control Policy (Red Book Vol. I) for the period April 1968—March 1969, issued under the Ministry of Commerce Public Notice No. 50-ITC(PN)/68 dated 1st April 1968 as subsequently amended by Public Notices No. 54-ITC(PN)/68 dated 2nd April 1968 and No. 58-ITC(PN)/68 dated 8th April, 1968.

2. In terms of the aforesaid paragraph, the licences issued for spare parts to units engaged in priority industries can be utilised for the import of items listed in Appendix 3 to the Red Book upto 5 per cent of their face value, subject to a maximum of Rs. 10,000/-. The import of a single item is also not permitted in excess of Rs. 1,000/- in value.

3. It is further prescribed that licensees requiring to import the spares listed in the said Appendix 3 in excess of the value limits as indicated above should apply for specific endorsement on the licence to this effect, furnishing a list of the

items sought to be imported. It has now been decided that the requests for such endorsements will be considered in the following manner:—

- (a) Requests for import of items which are otherwise banned for import in terms of the current policy, will not be entertained.
 - (b) Requests for import of items which are otherwise allowed for import to actual users on restricted basis in terms of the current policy may be made to the licensing authorities concerned through the respective sponsoring authority.
 - (c) Requests for import of items which are otherwise allowed for import to actual users on restricted basis in terms of the current policy may be the respective sponsoring authorities, except that the S.S.I. units and the units sponsored by the State Drugs Controllers or State Directors of Industries should make such applications to the licensing authority direct.
 - (d) In the cases referred to at (b) & (c) above, the licensing authorities will consider the requests on merits and allow import to the extent considered reasonable, within the overall value of the licence.
4. The following items may also be deemed to have been added to the list of spare parts appearing in Appendix 3 to the Red Book (Vol. I) after the early entry at C. No. 55:—
56. Strip film projector complete with slide and carrier slide projector.
 57. Epidiascopes viewers.
 58. Components of moving coil meter such as magnets, jewels, laminations, castings, dials, needles and other pressed components.
 59. Drought Gauge-indicating and recording.
 60. Resistance Thermometers—indicating, recording and integrating.
 61. Flow meters (manometric indicating, recording and integrating).
 62. Flow meters—electric transmitting, indicating, recording and integrating.
 63. Flow meters—ring balance, indicating, recording and integrating.
 64. Flow meters—Open channel indicating, recording and integrating.
 65. CO₂ Analysers, indicating and recording.
 66. Differential Pressure Transmitters—pneumatic.
 67. Pneumatic controllers, indicating and recording.
 68. Single point electronic potentiometers, indicating, recording and controlling.
 69. Level Meters, indicating, recording and controlling.
 70. Pressure Recorders.
 71. Temperature Recorders.

P. D. KASBEKAR,
Chief Controller of Imports and Exports.
