## STATEMENT OF OBJECTS AND REASONS

Sub-section (1) of section 12 of the Foreign Exchange Regulation Act, 1947 empowers the Central Government to issue a notification prohibiting the export from India of any goods or class of goods specified in the notification to any place unless a declaration supported by such evidence as may be prescribed, is furnished by the exporter to the prescribed authorities that the amount representing the full export value of the goods has been or will, within the prescribed period, be paid in the prescribed manner. Accordingly, some notifications have been issued imposing a general prohibition with certain exceptions. The requisite rules relating to the declarations have also been framed. Section 23A of the Act provides that any restriction imposed by sub-section (1) of section 12 of the Act, shall be deemed to have been imposed under section 11 of the Customs Act, 1962 and all the provisions of the said Customs Act shall have effect accordingly. On this basis, officers of Customs were detaining goods intended for export wherein the full export value had not been correctly stated in the declaration.

2. All along the view held by officers of Customs supported by certain decisions of the High Courts has been that the Act and the notification imposed upon the exporter an obligation to specify in the declaration the true full export value of the goods and that in the event of his failure to make a true declaration, the prohibition of export imposed by the notification would operate. It was thus assumed that if the exporter fails to make a correct declaration of the full export value, it was open to the Customs Authorities to seize the goods in respect of which such an erroneous declaration has been made and to take steps for the confiscation of the goods and the imposition of a penalty.

3. However, in the case of *Union of India Vs. Rai Bahadur Shree Ram Durga Prasad (Private) Limited*, the Supreme Court held that the declaration required by section 12(1) of the Act is only to the effect that the amount representing the full export value of the goods has been or will, within the prescribed period, be paid in the prescribed manner. In the case of mis-declaration of the full export value, it was held by the Court that it was not open to the Customs Authorities to take any action against the goods, though the exporter would be liable to be proceeded against under section 23 of the Act for making a false declaration. An attempt was made to persuade the Supreme Court to reconsider this decision but in a recent judgment in the case of *McLeod and Co. vs. Union of India* the Court declined to reconsider its earlier decision in this regard.

4. With a view to preventing under-invoicing, it was necessary to amend the Act so as to restore to the Customs Authorities powers which they were believed to possess prior to the aforesaid judgment of the Supreme Court. As Parliament was not in session, and the checking of under-invoicing called for immediate action, the Foreign Exchange Regu-

lation (Amendment) Ordinance, 1969 (9 of 1969) was promulgated by the President on the 13th November, 1969, amending sections 12 and 23A of the Foreign Exchange Regulation Act, 1947 suitably.

5. The present Bill seeks to replace the aforesaid Ordinance by an Act of Parliament.

## MEMORANDUM REGARDING DELEGATED LEGISLATION

Clause 2 of the Bill seeks to substitute a new sub-section for sub-section (1) of section 12 of the Foreign Exchange Regulation Act, 1947, and empowers the Central Government to regulate, by notification, the export of all goods or of any goods or class of goods to be specified in the notification. The goods will be specified with due regard to the objects of the Act, in particular, the regulation of dealings in foreign exchange. The declaration which the exporter has to furnish under the sub-section has to be in the form prescribed by the rules made under the Act which will be laid before Parliament. The delegation of legislative power is thus of a normal character.

3. Section 31 of the Bihar Land Reforms Act, 1950 (Bihar Act XXX of 1950), as amended by the Bihar Land Reforms (Amendment) Act, 1964 (Bihar Act IV of 1965) and by the Bihar Land Reforms (Amendment) Act, 1965 (Bihar Act VI of 1965).
- 4 Sub-rule (2) of Rule 20 of the Bihar Minor Mineral Concession Rules, 1964, as inserted by the Bihar Minor Mineral Concession (First Amendment) Rules, 1964, published under the Bihar State Government notification No. A/MM-1099/64 (Pt.) 7700/M, dated the 19th December, 1964, in the Gazette of Bihar (Pt. II) dated the 30th December, 1964.

## STATEMENT OF OBJECTS AND REASONS

The Supreme Court, in *Baij Nath Kedia vs. State of Bihar* (C.A. No. 685 of 1967), by their judgment dated 28-8-1969 have, *inter alia*, held that—

(a) to the extent of the topics covered by the Parliamentary legislation [the Mines and Minerals (Regulation and Development) Act, 1957] the powers of the State Legislature are excluded;

(b) after the creation of statutory mining leases under the provisions of sections 9 and 10 of the Bihar Land Reforms Act, 1950, any attempt to regulate those mining leases will fall not in Entry 18 of the State List but in Entry 54 of the Union List although it touches land and not *vice versa*;

(c) the whole field of regulation and development of minor minerals have been taken over under the control of the Union.

and consequently certain provisions of the Bihar Land Reforms Act, 1950, as amended by the Bihar Land Reforms (Amendment) Act, 1964, and sub-rule (2) of rule 20 of the Bihar Minor Mineral Concession Rules, 1964, as inserted by the Bihar Minor Mineral Concession (First Amendment) Rules, 1964, were struck down.

2. The Government of Bihar have pointed out that, as a result of the aforesaid judgment, the levy and collection of royalty on minor minerals in respect of statutory leases by the State Government under the provisions of the Bihar Minor Mineral Concession Rules, 1964, have not only become void but they may also be required to refund royalty collected by them on minor minerals in respect of those leases which runs into a few crores of rupees. It is also likely that as a result of the general principles laid down in the said judgment, the proceedings initiated by the State Government to resume un-worked statutory lease-holds under section 10(2) of the Bihar Land Reforms Act, 1950, as amended by the Bihar Land Reforms (Amendment) Act, 1965, may be challenged.

3. Since in view of the aforesaid judgment of the Supreme Court it is Parliament which is competent to frame legislation in regard to matters referred to in paragraph 1 above, the Bill seeks to re-enact and validate the provisions of the State laws specified in the Schedule to the Bill.
