CONSTITUTION OF THE DEPARTMENTAL PROMOTION COMMITTEE
AND ITS FUNCTIONS

The Secretary to the President may set up a Departmental Promotion Committee for recommending suitable candidates for promotion, confirmation, retention or for such other purposes, as he may deem fit. The Departmental Promotion Committee will consist of 3 members to be nominated by the Secretary to the President; with due regard to the general instructions issued by the Central Government—Cabinet Secretariat O.M. No. 140/1/75-Estt.(D) Cell dated the 27th November, 1975.

2. Function of the Committee.—The Departmental Promotion Committee will deal with all cases of—

- (i) promotion of Government servants to selection as well as non-selection posts;
- (ii) confirmation of Government servants in their respective grades of posts;
- (iii) assessment of the work and conduct of the probationers, for determining their suitability for retention in service or their discharge from it, or for curtailing or extending the prescribed period of their probation;
- (iv) assessment of the work and conduct of Government servants for the purpose of determining whether they are fit for retention in service, beyond the age of 50/55 years under FR 56, or after completing 30 years of qualifying service under rule 48 of the Central Civil Services (Pension) Rules, 1972.
- (v) assessment of merit of candidates for direct recruitment to any post or assessment of the work and conduct of Government servants for any other purposes as may be decided by the Secretary to the President (e.g.) Crossing of efficiency bar.

3. Procedure to be observed:

(i) **For promotion to selection posts.**—The Departmental Promotion Committee will first decide the field of selection. In view of the limited number of posts in the Secretariat, the field of selection for promotion to a post may be extended to cover all those possessing the prescribed qualification including those on deputation. All the candidates will be considered together and not in the order in which they are shown in the seniority list. The officers in the field of selection, excluding those considered as unfit for promotion by the Committee will be classified as "Outstanding" "Very Good" "Good" on the basis of "merit", as determined by their respective record of service.

The panel will then be drawn up to the extent necessary by placing the names of outstanding officers in the order of their seniority, followed by officers of the other two categories in the same way. The inter-se seniority of officers within each category will remain intact.

NOTE: "Merit" shall include—

- (a) the candidates performance at a test whether oral or written or both, if such a test is ordered to be held for the purpose of such selection;
- (b) the report by superior officers on his work and conduct.
- (c) his academic qualifications;
- (d) his previous experience of the particular type of work which he will be required to perform, if selected;
- (e) any other requirements as may be specified by the appointing authority;

(ii) **For promotion to non-selection posts.**—The Departmental Promotion Committee will categorise the candidate as 'fit' and 'not fit' for promotion on an assessment of their records. It will not make a comparative assessment of their records. The candidates will be placed in the panel in the order of their seniority.

(iii) **For confirmation.**—The Departmental Promotion Committee will assess the candidates as "fit"; "not yet fit"; "or not fit" for confirmation as the basis of their performance. It will not attempt to determine their relative merit.

(iv) **For dealing with review under FR 56 or Rule 48 of the Central Civil Services (Pension) Rules, 1972.**—The Departmental Committee will be guided by such instructions as the Secretary to the President may issue.

4. The findings of the Departmental Promotion Committee will be kept in sealed cover for all candidates who are under suspension or whose conduct is under investigation or against whom disciplinary proceedings have been initiated or are about to be initiated. Further action may be taken as laid down in the general instruction issued by the Central Government [Home Ministry's O.M. No. 39/3/59-Ests(A)] dated the 31st August, 1960.

5. The Departmental Promotion Committee will meet at annual intervals or as may be directed by the Secretary to the President and draw panels which will be used for making promotions against vacancies arising during the course of a year. The panel drawn up on the recommendation of the Committee, as approved by the Secretary to the President, will normally be valid for one year. In any case, it will cease to be in force on the expiry of the period of one year and six months or when a fresh panel is prepared, whichever is earlier. Promotions will be made in the order in which the candidates are placed in the panel.
