STATEMENT OF OBJECTS AND REASONS

In present days, Leprosy is completely curable and after first dose of multidrug therapy (MDT), patient becomes non-infectious. However, despite medical advances and constitutional guarantees, certain statutory provisions continue to contain discriminatory references or consequences against persons affected by leprosy. Such provisions perpetuate stigma, social exclusion and unequal treatment, and are inconsistent with the principles of equality enshrined in Articles 14, 15 and 21 of the Constitution of India, as well as with India's international obligations under various human rights instruments.

The Supreme Court of India, in its judgment *dated 07-05-2025 passed in WPC No. 83/2010 titled Federation of Lepy. Organ. (FOLO) & anr Vs. Union of India & Ors inter alia,* directed the Chief Secretary and Law Secretary of all the States and Union Territories to constitute a three member committee headed by an Officer in the rank of Principal District Judge to undertake identification and removal of discriminatory references to leprosy-affected or cured persons in all State Laws, Rules, Regulations and subordinate legislation and accordingly make recommendation to the Government for making suitable amendment in all the statutes.

In compliance with the Hon'ble Supreme Court's order dated 07-05-2025, vide Government Order No. 6733-JK(LD) of 2025 dated 05-06-2025, a Committee was constituted to identify discriminatory provisions and propose amendments. The Committee vide its report dated 23-07-2025 submitted their recommendations thereby recommending for amendments in the Jammu and Kashmir Shri Amarnath Ji Shrine Act, 2000, the Jammu and Kashmir Shri Mata Vaishno Devi Shrine Act, 1988 , the Jammu and Kashmir Shri Shive Khori Shrine Act, 2008, the Jammu and Kashmir Shri Mata Sukhrala Devi Ji and Shri Mata Bala Sundari Shrine Act, 2013 and the Jammu and Kashmir Fire Force Regulations and Recruitment Rules, 1990 which are presently in force in the Union Territory of Jammu and Kashmir by removing/omitting the identified provisions. The committee also noted

that a discriminatory reference of Leprosy also exist in the Jammu and Kashmir Prevention of Beggary Act, 1960. However, the said Act has been struck down by the Division Bench of High Court of Jammu and Kashmir and Ladakh in its Judgment dated 25-10-2019 passed in PIL 24/2018 titled Suhail Rashid Bhat Vs State of J&K and Ors which criminalize begging as being unconstitutional. Accordingly, the committee also recommended repeal of the said Act.

In view of above, the proposed Bill seeks to amend certain existing enactments of the Union Territory of Jammu and Kashmir which contain provisions that discriminate against persons affected by leprosy. The Bill would ensure compliance with the Hon'ble Supreme Court's directions and uphold the dignity and equality of persons affected by the Leprosy disease.

The Bill, therefore, seeks to achieve the above objectives.

THE JAMMU AND KASHMIR CIVIL COURTS (AMENDMENT) BILL, 2026

[L.A. Bill No. 03 of 2026.]

A Bill to amend the Jammu and Kashmir Civil Courts Act, (Svt) 1977.

Be it enacted by the Legislature of Union Territory of Jammu and Kashmir in the Seventy-seventh Year of the Republic of India as follows :—

1. **Short title, extent and commencement.—** (1) This Act may be called the Jammu and Kashmir Civil Courts (Amendment) Act, 2026.

(2) It shall come into force from the date of its publication in the Official Gazette.

2. **Substitution of expressions " Munsiff " and "Subordinate Judge** ".— In the Jammu and Kashmir Civil Suits Act, (Svt) 1977 (hereinafter referred to as the 'principal Act'), for the words "Munsiff" and " Subordinate Judge wherever occurring, the words Civil Judge (Junior Division)" and "Civil Judge (Senior Division)" shall respectively be substituted.

3. **Amendment of section 21, Act No. XLVI of (Svt) 1977.—** In section 21 of the 'principal Act', in sub-section (2) :–

(i) for the words "fifteen thousand rupees" the words ten lakh rupees" shall be substituted.

(ii) the proviso shall be omitted.

STATEMENT OF OBJECTS AND REASONS

The Jammu and Kashmir Civil Courts Act, (Svt) 1977 Act, was enacted to consolidate and amend the laws relating to the civil courts in the Jammu and Kashmir, thereby streamlining the administration of justice and establishing a formal hierarchy and structure for the subordinate judiciary. The Act formally established a structured hierarchy of civil courts below the High Court, including the District Court (principal Civil Court of original jurisdiction), Court of Additional Judge, Court of Subordinate Judge, and Court of Munsiff. It also defines the pecuniary (monetary) and territorial jurisdiction of these various courts, including the original and appellate jurisdictions of the District Judges and the High Court.

The nomenclature of Munsiffs and Subordinate Judge only exists in Jammu and Kashmir, whereas in other States/Union Territories, the expression Civil Judge (Junior Division) and Civil Judge (Senior Division) is being used for Munsiffs and Subordinate Judges. More so, the pecuniary Jurisdiction of Munsiffs is fixed as fifteen thousand rupees under section 21 (2) of the said Act, which is very low. It is in this context High Court of Jammu and Kashmir and Ladakh with Full Court recommendation has proposed amendments to align the nomenclature of Munsiffs and Subordinate Judge with Civil Judge (Jr. Division) and Civil Judge (Senior Division) as it exists in other States/Union Territories. Besides the pecuniary Jurisdiction of Munsiffs has also been proposed to be ten lakh rupees.

Hence the instant Bill.

Annexure to SO-13 dated 22-01-2026.

J&K Parking Policy, 2026

Housing and Urban Development Department,
Union Territory of Jammu & Kashmir.

1. Parking Policy Background

1.1 Background

Rapid urbanization in J&K, especially in its twin capitals, has brought about severe congestion issues. Both Jammu and Srinagar have experienced substantial population growth and economic activity, leading to increased vehicle ownership and usage. This surge in vehicles has put immense pressure on the existing road networks and parking facilities, which are struggling to cope with the demand.

The congested urban centers are characterized by narrow streets, limited parking spaces, and Inadequate traffic management systems, exacerbating the problem. In many areas, vehicles are often parked haphazardly along roadsides and on sidewalks, obstructing pedestrian movement and contributing to traffic bottlenecks.

To transform cities into economic hubs and boost their economic activities, it is essential to reduce congestion, improve the traffic system, and establish a robust public transport network. In this regard, the Government of India implemented the "National Urban Transport Policy-NUTP" in 2006. This policy aims to provide citizens in all cities with a reliable, affordable, sustainable, high-quality, and convenient public transport system, offering concessional rates as needed.

1.2 Challenges

Challenges identified in UT of Jammu and Kashmir as follows :

1. Non availability of parking space in core areas.
2. High parking demand in mixed and Commercial use areas.
3. Requirement of parking Old City Areas
4. Inadequate IT systems in the city.
5. Unorganized public transport system and inadequate NMT facilities.

6. Inadequate pedestrian facilities and lack of enforcement.

7. Rapid conversion of residential plots to commercial land use without due enforcement of parking requirements as per bye-laws.

8. Infringement of residential roads by vehicles accessing nearby commercial areas :

Parking has an economic value attached to it and thus shall be treated as a commodity for which the user must pay. Cities set parking requirements which specify minimum amount of parking that has to be provided, commonly known as parking minimums. These parking minimums are mandated under building bye-laws of the urban area. The amount of parking varies in relation to the land use and activity present for a given region. Different cities use different measures to mandate requirements. Hence, there is a need to prepare a parking policy to further strengthen its use as an instrument to discourage the use of personal vehicles and to ease road space for seamless movement of people and vehicles.

1.3 Need for Parking Policy

Parking Policy is an important need of the present time for the Government of Jammu and Kashmir for proper management and enforcement of Traffic. The implementation of policy will not only ensure systematic parking management but will also strengthen the public transport system. The policy aims to :

i. To improve the traffic and parking situation of the cities in Govt. of J&K ;

ii. To increase parking revenue of urban local bodies ;

iii. To promote the public transport system and improve walkability in cities ;

iv. To reduce the-number of private vehicles and required revenue generation the management agency/ULB.

3. Public Parking policy for J&K

3.1 Vision of Public Parking Policy

Government of Jammu and Kashmir is dedicated to ensuring efficient operations in all ULBs. ULBs in their respective areas

operate proper parking management, maintenance, availability, integration with other modes of transport, traffic safety, and enforcement. The goal is to create a better environment in the city by encouraging citizens to use public transport and discouraging the use of private vehicles.

1. Encourage the use of alternative modes of transportation to decrease motor vehicle usage, which in turn reduces traffic congestion, accidents, and pollution.

2. Develop the capacity to effectively address traffic issues.

3. Promote the appropriate use of land by implementing environmentally friendly measures.

3.2 Objectives of the Parking Policy

1. Improve air quality ;

2. Reduce congestion ;

3. Reduce parking demand ;

4. Promote public transport and walkability.

3.3 Guiding principles of Parking Policy

The parking policy aims to achieve the following targets through a phased implementation approach :

1. Transition from disorganized parking to a structured and efficient parking system.
   - Organize and manage on-street parking so as to ensure that parking does not impinge upon seamless vehicular and pedestrian circulation.

   - Shift supply of parking off-street and minimize on-street parking supply to free up scarce street space for transit and NMT supportive uses.

- Free-up residential streets with regulated parking to allow these streets to transform into walkable and liveable streets.

- Inclusive planning of parking supply to support local business opportunities, facilitate people to access social infrastructure and recreational facilities.

2. Transition from free parking to a paid parking system :

- Charge the user the cost of parking to largely transfer the cost of using a scarce resource from public at large to the beneficiary.

- Unbundle parking charges and make users directly pay for their desired parking convenience.

3. Shift from government driven parking supply to a market driven approach for parking supply and management :

- Enable faster development of organised off-street parking supply and efficient management through means of private market forces. City needs to explore privately financed and market driven off-street parking regime, in addition to public funded, government created off-street parking regime.

4. Transition from passive and weak enforcement of parking regulations to proactive management of parking demand :

- Urban local body to consider parking management as one of its key functions and deliver parking services in a systemic and efficient manner.

- Use of technology in enforcement and management of parking to better address concerns of manpower shortage, efficiency and pilferage.

- Support and increase the patronage of public transport by cross subsidizing transit and NMT infrastructure through parking revenue.

3.4 **Policy Enforcement :** The policy shall be regulated in terms of provisions of the Jammu and Kashmir Municipal Act, 2000, the Jammu and Kashmir Municipal Corporation Act, 2000 and other applicable laws.

3.5 **Parking Zone :**

Parking Zone lays out ground rules/regulations and pricing strategy that shall govern the Parking in the city. With unified parking zonal rules, the city can be effectively managed and parking provisions can be determined on area-wide basis. To simplify this process, the following shall be exercised :

1. Parking in the city shall be divided in 3 zones, as mentioned below. More zones/sub-zones may be created after studying local conditions, following approval and notification through the Parking Committee.

2. Each zone shall have their corresponding regulations/rules for on-street, off-street pricing and parking provision in buildings.
