Subject :–Guidelines for Recording Evidence of Persons with Disabilities, 2026.

———

Notification

No. 1300 of 2026/RG Dated: 14.05.2026

Preamble

Whereas the Rights of Persons with Disabilities Act, 2016 mandates equal access to justice and reasonable accommodation to persons with disabilities :

And whereas the basic jurisprudential concepts are that the courts must be accessible and inclusive for all, every person is competent to testify unless incapable,[1] evidence of vulnerable witnesses must be recorded with safeguards,[2] and the Courts must ensure substantive equality by adopting disability-sensitive procedures ;[3]

And whereas it is desirable by the courts to enable the Persons with Disabilities to depose freely in a safe and secure environment and ensure that there is no harm or secondary victimization of Persons with Disabilities in anticipation or as a result of participation in the justice system, and further, to ensure that the rights of all the parties in the judicial processes are effectively implemented.

And whereas it is needed in the above context to prepare guidelines for improving the response of the justice dispensation system in summoning and examination of Persons with Disabilities (PwD) as witness in criminal proceedings.

Therefore, in exercise of administrative and supervisory Jurisdiction vested in the High Jammu & Kashmir and Ladakh, the following guidelines are hereby issued for strict compliance by all Criminal Courts working under the jurisdiction of this High Court -
