The Government hereby notifies the Jammu and Kashmir Transit-Oriented Development (J&K TOD) Policy, 2026 for the Union Territory of Jammu & Kashmir, annexed as Annexure-A to this Government Order.

MANDEEP KAUR, IAS
Commissioner/Secretary to the Government

UT of J&K Transit Oriented Development (TOD) Policy

1. Vision of the TOD policy for UT of J&K

1.1 Urban centres in UT of J&K will be developed as people-friendly and compact cities, designed to foster robust economic growth while ensuring a high quality of life. These cities will feature integrated land use and transit systems that guarantee safe, reliable, and convenient access for individuals of all ages, incomes, genders, and abilities. Additionally, they will facilitate the efficient movement of people and goods with minimal environmental, social, and economic costs.

2. Introduction to the policy

2.1 As urban population increase and sprawl continues, concepts such as mixed-use development, walk-to-work, and last-mile connectivity have gained prominence. This evolution has highlighted the necessity for an integrated land use and transport development strategy known as Transit Oriented Development (TOD). To enhance accessibility and reduce trip lengths, the Government of India (GoI) advocated through the National Urban Transport Policy (NUTP) in 2014 for all cities to amend building byelaws and planning norms to support higher Floor Space Index (FSI) along major road networks with public transport systems. NUTP 2014 emphasizes TOD as a strategy to encourage high-density urban growth along public transit corridors. Aligning with the Central Government's vision, many cities with established mass transit systems have adopted TOD Policies and Regulations.

2.2 **TRANSIT ORIENTED DEVELOPMENT (TOD) POLICY**

Transit-Oriented Development (TOD) is an Innovative urban paradigm that involves leveraging existing and upcoming public transit infrastructure and associated large number of users, to ensure sustainable mobility and optimise utilisation of land through compact mixed-use development strategy for unlocking the latent economic potential and land values in the UT of J&K. It will facilitate the development/ regeneration of select nodes/areas in the UT of J&K through planned intensification of uses and activities, Infusion of new infrastructure and improvements in the public realm. This will also allow to capitalise on the large-scale investments being made into public transit Infrastructure, Regional Rapid Transit System (RRTS), etc., by facilitating the improvement of old housing stock in addition to creation of new housing stock and economic centres around strategically located transit nodes and opening up opportunities for value capture.

The following key outcomes shall be targeted through the TOD Policy for UT of J&K.

(a) **Optimised density and diversification of uses and activities:** This will be facilitated through higher FAR norms and compact mixed-use development, with augmentation of infrastructure by respective service providing agencies. Such an approach will result in achieving an optimum mix of activities and higher job densities close to public transit systems, unlock the development potential of these areas and facilitate value capture.

(b) **Enhanced mobility:**

i. Pedestrian and NMT friendly environment providing highest priority to pedestrians and NMT, through various strategies such as restricted and high-priced public parking, traffic management plans, street improvements and creation of a fine network of pedestrian and NMT routes.

ii. Modal shift in favor of public transport through multi-modal integration, enhanced walkability and last mile connectivity.

(c) **Improved public realm:** Generation of a vibrant and safe public realm for all age groups, achieved through place-making strategies for creation of public plazas and open/green spaces, multi-utility zones, spaces for public art, etc.

(d) **Multi-modal integration:** Integration of rail and road based systems which may include bus/ BRTS and Intermediate Passenger Transport (IPT) including feeder services, taxis, autorickshaws and private modes including non-motorized transport (NMT) such as cycle-rickshaws, bicycle, pedestrian, etc.

3. **Coverage and Applicability**

3.1 TOD Policy shall come into force with immediate effect from the date of its Gazette notification by UT of J&K. Broadly, it shall be applicable to:

1. All Urban/Regional Development Authorities (U/RDAs) in Jammu & Kashmir.

2. All Urban Agglomerations (UAs) and Urban Local Bodies (ULBs) in Jammu & Kashmir with a population of 1 lakh and above.

3.2 TOD Nodes as identified by Development Authorities (DAs), Regional Development Authorities (RDAs), Urban Local Bodies (ULBs) and

release maps showing the delineated TOD Planning Area for each TOD Node. The TOD Policy will only be applicable in the influence zones (IZ) of such TOD Nodes. The TOD Policy will not be applicable in the following areas or as notified by Implementing Agency from time to time:

i. Any areas identified for environmental protection.
ii. Buffer zone as identified in Master Plan
iii. Green zones as identified in Master Plan
iv. Heritage area
v. Unauthorised colonies

3.3 The TOD Policy shall, wherever relevant, guide the operations of all Departments, Corporations, and Agencies of the Union Territory (UT) of Jammu and Kashmir (J&K) at both the UT and city levels. It shall also apply to all concerned urban local bodies (ULBs), including all authorities, parastatal entities, and companies of the UT of J&K involved in planning, managing, implementing, monitoring, and enforcing sustainable urban transit and land use systems.

3.4 Where applicable, it shall duly inform the processes of framing the development of control regulations (DCRs) or byelaws, master plans, development plans (DPs), strategic mobility plans (SMPs), local area plans (LAPs), detailed project reports (DPRs), or other proposals seeking funds from the UT of J&K or the Government of India (GoI), and in particular for the IZ areas. It shall also be applicable to new legislations or amendments to existing laws of the UT of J&K and to public-private partnership (PPP) arrangements undertaken by the UT of J&K or the aforementioned entities at the state or city level.

4. **Outcomes targeted through TOD Policy**

4.1 TOD shall provide the following benefits to cities:

(a) **Mobility Options for all—** Change the pattern of mobility by enabling a shift from use of private vehicles towards the use of walking, cycling and public transport and other shared alternative modes.

(b) **Enhance Quality of Life—** Promote the development of high-density, mixed-use, and mixed-income housing, alongside employment and recreational opportunities, all within walking or cycling distance of each other and Mass Transit Stations. This initiative aims to foster healthier lifestyles and improve the overall quality of life for all residents. Furthermore, the policy emphasizes

the integration of communities to prevent segregation and ensure inclusive, cohesive urban development.

(c) **Affordable Housing—** Increase the supply of housing stock for all kind of Income group including range of affordable housing and commercial space in the city which would bring down prices and make living and working in cities more affordable.

(d) **Market Participation in Urban Development**— Encourage private sector investment in urban development to drive city growth and increase revenue. This approach will utilize various development models to cross-subsidize social amenities, affordable housing, and public transport. The policy aims to integrate low-income groups into mixed-income communities, providing them with space and shared amenities. This strategy seeks to prevent the proliferation of gentrified slums and unauthorized colonies, promoting equitable urban development.

(e) **Self-Sufficiency—** Creating high densities would make decentralized infrastructure provision and management techniques more feasible, thus making it more economical to recycle water/sewage locally to meet community needs.

(l) **Affordable Public Transport—** Establish a substantial non-fare box revenue stream for a public transport fund. This initiative aims to reduce ticket prices and enhance the availability and quality of public transport facilities.

(g) **Reduce Environmental Degradation—** Establish a clear vision for compact urban growth and redevelopment, aimed at minimizing urban sprawl and low-density development. This approach will prioritize high-density, compact development to protect environmentally sensitive and undeveloped lands.

(h) **Save Public Money—** Provide savings in public money through reduction of investments in physical infrastructure like additional road expansion, piping/cabling costs, time-cost of traffic congestion and other larges costs associated with low-density sprawl.

(i) **Multi-disciplinary Integrated Approach—** Provide a shift to a more holistic paradigm of planning where all sectors- mobility, planning policy, urban design, infrastructure and economics work together in unified manner- to deliver integrated development.

4.2 **Benefits to Transit Agencies:**

(a) Increased ridership due to larger population living/working within walking distance.

(b) Value Capture of increased land values for long term cross-subsidy & maintenance of public transportation.

5. **Definitions**

(a) **"Appropriate Government"** means Department of Housing & Urban Development Department, Government of Jammu & Kashmir.

6. **Guiding Principles**

6.1 This will provide higher norms for FAR and mix of uses. In order to manage the impacts of such developments and maximise the opportunities, the Policy will be implemented strategically in select TOD Nodes with high development potential. This will enable the creation of well-planned growth centres, developed as per sustainability principles, and capable of developing into future economic drivers and cultural hubs for the city.

6.2 Implementing agencies/Authorities will undertake a rapid assessment of the development potential of the various transit nodes in the city and

[1] A region may include several towns and cities, or it may be composed of one primary city and the surrounding cities.

identify a limited number of TOD Nodes on the basis of their strategic importance and ease of Implementation.

6.3 The nodes shall have sites that can be readily taken up as TOD Schemes such as vacant or underutilized government lands, government housing, commercial centres, industrial estates, etc. Availability of such sites will ensure that trigger projects can be taken up on priority to provide the necessary impetus for other projects to come up in the node;

6.4 They shall have a good mix of greenfield and/or low-density brownfield sites;

6.5 Their location shall be strategic either as economic/cultural hubs for the city or as potential triggers for development/regeneration of under-developed areas in the city.

6.6 They shall be amenable to augmentation of infrastructure such as water supply, sewerage, etc.

6.7 Additionally, further TOD nodes may be considered only if adequate interest has been expressed by constituent land/property owners to be developed in the form of a single or multiple TOD Schemes. A joint application shall be made to the implementing agency/authority comprising of the following:

i. Map showing the sites proposed to be developed as TOD Scheme/s,

ii. List of landowners with details of location and area of land proposed under the TOD Schemes,

iii. Letters of consent from all the land and property owners involved.

7. **Examination of Proposals and Inclusion under policy**

7.1 Implementing Agency DE will prepare an IZP or IZ-LAP for the delineated TOD Planning Area of concerned TOD Nodes. IZP or IZ-LAPs prepared by DEs shall be submitted to Implementing Agency for approval. Implementing Agency may appoint expert consulting firms/institutions for IZP or IZ-LAP preparation. IZP or IZ-LAPs prepared by Consulting Firms/Institutions/ DEs shall be submitted to Implementing Agency for approval and notification:

(a) In case two or more TOD Nodes are in close proximity (within 250m-300m of each other) with overlapping TOD Planning Areas, such areas shall be planned as an integrated IZP OR LAP, with the areas between the TOD Nodes also considered in TOD Planning area with applicable TOD norms and incentives.

b) The IZP or IZ-LAP shall integrate any other plans or schemes proposed for the area such as plans for enhancing walkability, street improvement, Parking Management District Plans, etc. Any Multi-Modal Integration (MMI), station area development projects proposed around the transit stations by concerned transit agencies shall also be considered while preparing the IZP or IZ-LAP. However, the IZP or IZ-LAP prepared and notified shall prevail over the existing plans of the area.

c) The IZP or IZ-LAPs may be updated/revised over time (as required). To reflect the changes due to development activity, to ensure that they continue to meet the needs of the area.

7.2 TOD norms shall prevail over Master Plan norms within the TOD Influence zone. All undeveloped plots or plots undergoing redevelopment within the IZP or IZ-LAP shall follow the TOD Norms and incentives as detailed out in this Policy.

7.3 All lands and properties within the respective Influence Zones will be eligible to undertake development as per the norms of this Policy, provided they fulfil the requirements for undertaking TOD Schemes as set out under Clause 8. Interested landowners may apply as a DE by preparing a TOD Scheme as per procedures set out in the Regulations.

7.4 While participation under the TOD Policy is voluntary, The Development Control Norms of this Policy can only be availed by participating through approved TOD Schemes. Constituent Land/property owners within the TOD Nodes who do not participate in the TOD Policy shall only be permitted to undertake reconstruction/additions/alterations to their existing buildings as per the permissible FAR without taking into account TOD benefits. They shall also not be eligible to avail the norms of any other policies of any Implementing Agency, unless specifically stated otherwise.

8. **TOD Schemes**

8.1 TOD Schemes must fulfil the following criteria in order to be eligible:

I. A TOD Scheme must cover fully or partly the Intense Development Area of a TOD Node. In any case:

8.9 Any plot falling under notified mixed use/ commercial streets that are part of TOD Scheme shall be developed as per norms specified for 'Residential' in Table 8-1.

8.10 FAR and mix of uses will be separately calculated for each constituent plot in a TOD Scheme. The overall mix of uses for a TOD Scheme shall be a sum total of the mix computed for each constituent plot. The DE shall have the flexibility to utilize such overall mix on the entire reconstituted scheme area as per design considerations. The prescribed mix can also be achieved through vertical mixing of uses within buildings, provided that:

(d) All natural drains shall be preserved and a green buffer of minimum 5m shall be left on two sides measured from the top edge of the drain. This green buffer may be part of the plot and shall be counted as part of the 20% area to be left as Green public space, as per 8.11.1.a above, which shall be left un-gated, un-blocked and seamlessly connected to the buffer space before and after the plot. The remaining of Green public open space may be an extension of the buffer or connected to it, as per design requirements.

II. **Public road network:** DE shall provide additional roads/streets for public use within the TOD Scheme as per the following norms.

(a) Road networks to be planned with a vehicular route network of approximately 250m and pedestrian network of approximately 100m.

Bridging over the path with min. 6m vertical clearance and/or enclosing it on two sides by building is permitted. The pedestrian crossing on the road, on the two ends, shall be aligned to the path. This cut through shall be always unblocked and ungated and shall be provided by DE and maintained by the Authority.

(g) All vehicular entries shall be from the side streets. In case of sites where no side streets are available, at least 1 road with ROW of 12 m or more will have to be provided as part of the TOD scheme.

8.12 TOD Schemes falling in two TOD Nodes (where the influence zones of such TOD Nodes are adjacent and contiguous) can be considered for approval, provided they meet all other conditions under this Policy.

8.13 Joint ventures for Station Area Development or development of multi-modal transit hubs may be considered between multiple transport agencies. Such projects shall be designed to ensure integration between various transport services and may be designed as part of the same building/ complex for seamless commuter movement. Concourse level integration or bridging above road with 6m height clearance between and within TOD Scheme developments and with mass transit stations shall be ensured, and the cost for the same shall be borne by the DE.
