STATEMENT OF OBJECTS AND REASONS

1. The Government of India has undertaken the exercise to Reduce the compliance burden on businesses and citizens by making regulatory processes simpler, faster and more efficient without compromising essential safeguards. In this regard, a coordinated mechanism through Cabinet Secretariat, Government of India has been adopted to monitor the implementation of identified reforms (Priority Areas) across States and Union Territories. Accordingly, the Government of Jammu and Kashmir has been implementing the identified Priority Areas through simplification of procedures, digitalization of services, decriminalization of minor offences and elimination of redundant legal provisions.

2. Under Phase-I of the Deregulation and Reducing Compliance initiative, the Government of Jammu and Kashmir has implemented 20 reforms out of the 23 Priority Areas identified by the Government of India. Of the remaining three Priority Areas, two (02) were found to be not applicable to the Union Territory of Jammu and Kashmir (due to notification of New Labour Codes issued by the Government of India), while the remaining one (01) (pertaining to third party inspection by Fire and Emergency Services) was examined in detail and it was decided not to implement.

3. Under De-regulation Phase-2, Government of India has identified 23 key priority areas for implementation to achieve the objective of Viksit Bharat. In order to implement these priority areas, the Jammu and Kashmir Ease of Doing Business Bill, 2026 has been prepared in consultation with concerned departments. After its enactment, 12 priority areas fixed by Government of India shall be implemented in the Jammu and Kashmir. There are 06 priority areas and one optional priority area which are more or less regulated under different Acts and there would be requirement of going for approval of Legislature for seven times. This Bill will consolidate all proposals for single Cabinet approval and single approval of Legislature. The Bill aims at providing ease of doing business and ease of living and basic objective of the Bill are as follows :—

   (a) **Permission by Exception**.—An enterprise may undertake any activity unless such activity is expressly prohibited by law. No prior permission, approval, or restriction shall be imposed except where justified by law in furtherance of a legitimate public interest.

   (b) **One State Principle**.—For the purposes of regulatory compliance, the Government shall function as a single entity.

No authority shall require duplication of information, documentation, approvals, or processes that are available with, or have already been furnished to, any other authority of the Union Territory of Jammu and Kashmir.

(c) **Proportionality and Risk-based Regulation**.—The nature, intensity, frequency, and form of regulatory scrutiny, compliance, inspection, and enforcement shall not exceed what is necessary to address the material risk posed by the activity to legitimate public interests.

(d) **Reliance and Certainty**.—An enterprise shall be entitled to rely, in good faith, on approvals, deemed approvals, registrations, certificates, and representations issued or made by the Government or its authorities, and shall not be penalized for acting on such reliance, except where such approval or representation was obtained by fraud, material misstatement, or material suppression of facts.

(e) **Transparency and Predictability**.—All regulatory requirements, procedures, documentation, fees, timelines, service standards, and grounds for approval, rejection, relaxation, or enforcement shall be published in advance, easily accessible, and applied as published. Any requirement not so published shall not be enforceable against an enterprise.

(f) **Presumption of Grant on Lapse of Time**.—Where an application, declaration, or request made under this Act is not disposed of within the prescribed time, the enterprise shall, on expiry of that time, be entitled, as of right, to the relief, permission, registration, license, service, or other outcome as sought in such application, declaration, or request, and shall not be prejudiced by any silence, in action, or delay on the part of any authority.

4. This Bill if enacted would enable the enterprise to plan, invest and work with confidence in Jammu and Kashmir and shall foster Ease of Doing Business and Ease of Living in a manner that generates employments, attracts investments and sustains long term economic growth in Jammu and Kashmir.

———

STATEMENT OF OBJECTS AND REASONS

The Jammu and Kashmir Goods and Services Tax Act, 2017 (Act No. V of 2017) is proposed to be amended in order to align certain provisions of the Act with the amendments made in the corresponding Central Goods and Services Tax Act, 2017 vide the Finance Act, 2026 and to remove practical difficulties experienced in implementation.

The Bill, *inter alia*, seeks to amend Section 2 of the Act to substitute the expression "Central Board of Excise and Customs" with "Central Board of Indirect Taxes and Customs" in conformity with the nomenclature adopted by the Government of India. It also seeks to amend clause (69) of Section 2 to include a reference to Article 371J of the Constitution of India in the definition of "Local Authority".

The Bill further seeks to amend Section 15 of the Act to simplify the conditions governing post-supply discounts by removing the requirement of linking such discounts with an agreement specifically relatable to relevant invoices and by providing for adjustment through issuance of credit notes under Section 34 where the recipient reverses the corresponding input tax credit.

Consequently, Section 34 of the Act is proposed to be amended to expressly provide for issuance of credit notes in respect of post-supply discounts referred to in clause (b) of sub-section (3) of Section 15.

The Bill also seeks to amend Section 54 of the Act to extend the benefit of provisional refund to cases involving accumulation of input tax credit on account of an inverted duty structure. Further, the amendment proposes to remove the minimum threshold limit for filing refund claims in respect of goods exported out of India on payment of tax, thereby facilitating expeditious processing of export-related refunds.

The Bill further seeks to substitute sub-section (11) of Section 74A of the Act to provide that penalty shall become payable under clause (i) of sub-section (5) of Section 74A where the admitted tax or tax collected from any other person remains unpaid beyond thirty days from the due date of payment.

The proposed amendments are intended to facilitate ease of compliance, improve clarity in the statutory provisions, streamline refund procedures, strengthen tax administration and ensure uniformity with the provisions of the Central Goods and Services Tax law.

[L. A. Bill No. 15 of 2026]

A Bill to amend the Jammu and Kashmir State Legislature Members' Pension Act, 1984 and for matters connected or incidental thereto ;

BE it enacted by the Legislature of the Union Territory of Jammu and Kashmir in the Seventy-seventh Year of the Republic of India as follows :—

1. **Short title and Commencement**.—(1) This Act may be called the Jammu and Kashmir State Legislature Members' Pension (Amendment) Act, 2026.

(2) It shall come into force on the date of its publication in the Official Gazette.

2. **Amendment of Section 3, Act No. II of 1984**.— In Section 3 of the Jammu and Kashmir State Legislature Members' Pension Act, 1984, hereinafter referred to as the 'Principal Act' :—

(i) In sub-section (1), for the words and figure, **"With effect from 1st of September, 2009, there shall be paid a pension of fifty thousand rupees"** the words, **"there shall be paid a pension of sixty thousand rupees"** shall be substituted.

(ii) In sub-section (1-A), the proviso thereto shall be omitted.

3. **Amendment of Section 3-A, Act No. II of 1984**.— In Section 3-A of the Principal Act, in Explanation thereto, for the words, **"spouse, minor son and unmarried daughter"** the words, **"spouse, minor son, unmarried daughter, widowed daughter and divorced daughter"** shall be substituted.

———

STATEMENT OF OBJECTS AND REASONS

The pension payable to former Members of the Legislative Assembly has not been revised since 2009 and no longer commensurate with the present cost of living. It is, therefore, proposed to enhance the pension from fifty thousand rupees to sixty thousand rupees per month, omit the restrictive proviso to sub-section (1-A) of Section 3, and enlarge the definition of "family" under Section 3-A to include a widowed daughter and a divorced daughter, so as to avert any discrimination on this count.

This Bill seeks to achieve the above objects.

_____

FINANCIAL MEMORANDUM

Clause 2 of the Bill seeks to amend Section 3 of the Jammu and Kashmir State Legislature Members' Pension Act, 1984, so as to enhance the pension payable to an ex-Member from Rs. 50,000/- to Rs. 60,000/- per month, and to omit the proviso to sub-section (1-A) thereof.

Clause 3 seeks to amend Section 3-A so as to include **'widowed daughter'** and **'divorced daughter'** within the definition of 'family' for the purpose of family pension.

The estimated recurring expenditure on account of the enhanced pension would be **Rs. 1.20 lakh per annum for every ex-Member** under the Act, the exact number of such pensioners being ascertainable from the records maintained by the Pension Cell/Office of the Accountant General (J&K). The additional liability that may arise from the widening of the definition of 'family' is contingent upon future cases and is not capable of precise quantification at this stage. No non-recurring expenditure is involved.
