PROCEEDINGS OF THE COMMISSIONER OF COMMERCIAL TAXES, (KARNATAKA), BENGALURU-
CLARIFICATION UNDER SECTION 59(4) OF

THE KARNATAKA VALUE ADDED TAX ACT, 2003.

No: CLR.CR.85/16-17, Bengaluru.

Present : RITVIK PANDEY, I.A.S.

Commissioner of Commercial Taxes. (Karnataka) Bengaluru.

Sub : KVAT Act, 2003-Clarification under Section 59(4) of the Karnataka Value Added Tax Act, 2003 regarding "Alluminium sauce pan with SS bracket & Bakelite handle, Alluminium Frying pan, Alluminium kadai or Alluminium tope, Alluminium sauce Pan/fry pan, other Alluminium vessel with handle". - Reg.

Ref : Application filed by M/s. Mehta Industrial Corporation, 12/20, 2nd A cross, 6th Block, Rajajinagar, 3rd Cross, Bengaluru-560010. (TIN: 29890051272) on 21.9.2016.

In the application cited above, M/s. Mehta Industrial Corporation, 12/20, 2nd A cross, 6th Block, Rajajinagar, 3rd Cross, Bengaluru-560010(TIN: 29890051272) on 21.9.2016.The applicant has sought clarification with regard to “Alluminium sauce pan with SS bracket & Bakelite handle, Alluminium Frying pan, Alluminium kadai or Alluminium tope, Alluminium sauce Pan/fry pan, other Alluminium vessel with handle”. The applicant in his application had sought for personal hearing to demonstrate the product for better understanding of the product description. The applicant was provided with an opportunity of hearing and was called upon to be present on 2.8.2016. In response to the same, the applicant present on the day and demonstrated the product and claimed that the product for which clarification is sought is Hard Anodised Alluminium Tawa.

2. Section 59(4) of the Karnataka Value Added Tax Act, 2003(herein afterwards called ‘Act’) empowers the Commissioner of Commercial Taxes to clarify the rate of tax payable under the Act, if he considers it necessary or expedient so to do, for the purpose of maintaining uniformity in the work of assessments and collection of revenue. It is examined and found that, the clarification requested by the petitioner is within the scope of the aforesaid provision and it is necessary that, the clarification be issued for the purpose of maintaining uniformity in the work of assessments and collection of revenue.

3. The matter is examined. Government has notified exemption for Aluminium house hold utensil other than Cookers and Cutlery to implement the proposal of Karnataka Budget 2016-17. In the Budget speech 2016-17, at para 459(4) Hon’ble Chief Minister of Karnataka had announced as follow:

4) Exempt Aluminium house hold utensils other than Pressure Cookers and Cutlery for the benefit of the poor

Notification No. FD 34 CSL 2016(II) Dated 31.3.2016 exempts Aluminium house hold utensil other than Cookers and Cutlery for the benefit of the poor. Intention of the budget is to exempt such aluminium house hold utensils which are used by poor people. Aluminium Housel Hold Utensils with Nonstick Coating being household article are not used by poor people. Secondly, Hon’ble Supreme Court of India in the case of **Hawkins Cookers Limited Vs State of Kerala [Appeal (civil) 6469-6470 of 2002 Judgement Dated 29/04/2008]** it is held as follow:

By no stretch of imagination, satilon coated cookware can be treated as ordinary aluminium household utensils. Price of the satilon coated cookware is much more than the aluminium household utensils made of aluminium and its alloys. The Hawkins cookware sold by the assessee **cannot be categorized as household utensils made of aluminium for the reasons that the satilon coating makes the goods non-sticky and hence different from the aluminium household utensils.**

4. The Hon’ble Supreme Court of India has held that non-sticky goods cannot be called as ‘aluminium household utensils’. Perusal of the brochures it is noticed that, utensils for which clarification is sought are anodized and handles are made up of stainless steel or Bakelite which are fitted to them to make them comfortable. *Hard-anodized aluminum cookware is stick-resistant. When raw aluminum is hard-anodized, it turns to grey and also seals the surface of the metal to make it virtually nonporous. Anodization is a process wherein chemical baths are used to prepare the surface of aluminum to receive an electrical charge that will increase the thickness of the oxide layer and make it harder, more durable, and less likely to corrode. Anodized aluminum is definitely less reactive than non-anodized aluminum and will leach less aluminum as a result, provided that the surface has not been damaged.* Thus, further process is involved to make these aluminium utensils more durable and usable. As discussed above, the notification is applicable to domestic aluminium utensils which do not have combination of other metals or plastic or not subjected further process of Anodization. Central excise tariff heading 76.15.1021 also describes the goods as “Aluminium Utensils-Non-stick”. Hence the “Alluminium sauce pan with SS bracket & Bakelite handle, Alluminium Frying pan, Alluminium kadai or Alluminium tope, Alluminium sauce Pan/fry pan, other Aluminium vessel with handle” (Commonly known as Non-Stick Cookware) with non-stick properties does not come under the purview of the notification and hence not exempted and are taxable at 5.5%.

5. Hence, the following clarification is issued.

CLARIFICATION NO: CLR.CR.85/16-17 DATED 02.02.2017

It is clarified that, “Alluminium sauce pan with SS bracket & Bakelite handle, Alluminium Frying pan, Alluminium kadai or Alluminium tope, Alluminium sauce Pan/fry pan, other Alluminium vessel with handle” is liable to tax at 5.5% under entry 5 of III Schedule to Karnataka Value Added Tax Act, 2003 w.e.f. 1.8.2012 and onwards.

THE KARNATAKA VALUE ADDED TAX ACT, 2003.**

Present: RITVIK PANDEY, I.A.S.
Commissioner of Commercial Taxes.
(Karnataka) Bengaluru.

Sub : KVAT Act, 2003-Clarification under Section 59(4) of the Karnataka Value Added Tax Act, 2003 regarding "items made of brass like idols of Gods, pooja Items, plates".- Reg

Ref : (1) Application date 02.01.2012 of M/s. P & S Precious Metals Private Limited, Bengaluru (TIN: 29510631250)
(2) Clarification No. CLR.CR.189/11-12, Dated 21-03-2012.
(3) Judgement of the Hon'ble High Court of Karnataka in the case of M/s. Jyothi Handicrafts & Sports and others Vs The Commissioner of Commercial Taxes and others in Writ Petition Nos. 23279-326/2015(T-Res) Dated 28th November, 2016.

In the application cited above, M/s. P & S Precious Metals Private Limited, # 64, Railway Parallel Road, Kumara park West, Bengaluru-560020(TIN:29510631250) on 02.01.2012. The applicant had sought clarification under Section 59(4) of the Karnataka Value Added Tax Act, 2003 regarding "items made of brass like idols of Gods, pooja Items, plates". Vide clarification under reference (2), it was clarified that these goods are taxable at 14% under section 4(1) (b) of the Karnataka Value Added Tax Act, 2003. Hon'ble High Court of Karnataka vide order under reference (3), by setting aside this clarification order restored the matter back to the Commissioner of Commercial Taxes for passing fresh orders with detailed reasons and referring to the previous record of the case and after providing an opportunity of hearing to the petitioner-assessee. Accordingly, the petitioner-assessee's were provided opportunity of hearing and were heard. Sri. K.J. Kamath, Learned Advocate represented M/s Jyothi Handicrafts & Sports, M/s Patel Handicrafts M/s Marudhar Handicrafts and M/s. Milan Handicrafts & Sports who were petitioner-assessee's and he was heard. M/s Marudhar Handicrafts one of the petitioner was represented by Smt.S. Sneha. Accountant argued on the same lines of the argument put forth by the learned Advocate. At the of hearing learned Advocate claimed that these items fall under Sl. No. 41 of the III Schedule to KVAT Act, 2003 and pleaded that Karnataka Value Added Tax Act, 2003 does not define 'handicraft' and hence judicial precedents and the circulars issued by certain authorities dealing with the Handicrafts establish the fact that products sold by the dealers constitute 'Handicrafts'. He placed reliance on the judgement of the Hon'ble Supreme Court of India in the case of M/s Collector of Central Excise, New Delhi Vs Louis Shoppe and another [Civil Appeal No.9217-18 of 1995 dated 12.03.2016] and relying on the Circular issued by Central Excise Authorities argued that the products dealer by the dealers are handicrafts. He has stated that to become a handicraft even if some machine work is used, skilled labour is needed and while part of the artifact may be cast, the final appeal comes due to the skilled handicraft work. In this background he pleaded that the goods dealt by the dealer are 'Handicrafts' falling under entry 41 of the III Schedule to KVAT Act, 2003. He also showed a video regarding manufacturing of dealer's products stored in his mobile phone. He presented the following at the time of hearing:

- Copy of the judgement in the case of Collector of Central Excise Vs Louis Shoppe and Another available at 1996(2)SCALE829 decided by the Hon'ble Supreme Court on 12.3.1986.
- Diamond Crystal Pvt. Ltd. Vs. State of Madhya Pradesh and another available at ILR[2013] MP2589 decided by the Madhya Pradesh High Court(Indore Bench) on 3.5.2013.

- c. Ame De Veer (P) Ltd. Commissioner Trade and Taxes available St.Appl. 21/2013 decided on 24.4.2015 by the Hon'ble High Court of Delhi.
- d. Details from the website of Development Commissioner (Handicrafts), Ministry of Textiles, Government of India.
- e. Circular No. 789/22/2004-CX, F.No.56/3/2003-CX-1, of 31st May 2004 of the Central Board of Excise and Customs, Ministry of Finance Government of India.
- f. Video presentation of manufacturing processes of the Dealer's Products.

2. Section 59(4) of the Karnataka Value Added Tax Act, 2003 (herein afterwards called 'Act') empowers the Commissioner of Commercial Taxes to clarify the rate of tax payable under the Act, if he considers it necessary or expedient so to do, for the purpose of maintaining uniformity in the work of assessments and collection of revenue. It is examined and found that, the clarification requested by the petitioner is within the scope of the aforesaid provision and it is necessary that, the clarification be issued for the purpose of maintaining uniformity in the work of assessments and collection of revenue.

3. The matter is examined. As per the directions of the Hon'ble High Court of Karnataka previous records of the case was perused. The applicant M/s. P & S Precious Metals Private Limited, vide application dated 02.01.2012 had sought clarification under Section 59(4) of the Karnataka Value Added Tax Act, 2003 regarding "items made of brass like idols of Gods, Pooja Items, plates". The applicant was heard and sample of goods were perused and the decision was taken to clarify the rate of tax. The goods for which clarification was sought for manufactured through a process of moulding, machining and subjecting them to handicraft work. After examining the manufacturing process and having perused the goods, it was concluded that goods are made from castings of brass, then polished and artwork is done on it by hand. In this background it was clarified that they are liable to tax at 14% under section 4(1) (b) of KVAT Act, 2003. The dealer has admitted that manufacturing process of these goods is by way of casting and are hand finished as made out in the letter dated 16.2.2012 filed to this office. Further, Hon'ble High Court of Karnataka has observed that, the Commissioner of Commercial Taxes in the clarification issued this case has not referred to previous orders passed under section 60 of the KVAT Act, 2003 by the Advance Ruling Authority fixing the rate of tax at 4% only. Records relating to the Advancing Ruling Authority are also perused. The Advance Ruling Authority in the case of M/s. Mahalaxmi Arts & Crafts vide proceedings No. AR.CLR.CR-190/05-06 Dated 21.09.2005 has ruled that brass handicrafts Viz. lamps, flower vases, pooja items like plates, deepas are taxable at 4% as entry No. 42 in Third Schedule to KVAT Act, 2003 reads 'Handicrafts excluding furniture'. Perusal of the records it is noticed that the Advance Ruling Authority has examined two tax invoices and a brochure which has photographs of lamps, vases, plates and also a declaration of Brass Handicrafts & Sports Goods suppliers Association Moradabad who have certified that they supply Handicraft products.

4. Contentions put forth by the learned Advocate on behalf of the dealers that judicial pronouncements referred by him are applicable to prove that the goods dealt by the dealers are Handicrafts is examined. In the case of Collector of Central Excise, New Delhi vs. Louis Shoppe and another (1996)3SCC445, the Hon'ble Supreme Court of India while referring to Notification issued by the Central Excise Authorities dated 10th February, 1986 to decide whether wooden furniture by itself can be treated as "handicrafts" has laid down following tests to decide whether goods are 'handicrafts' or not. Two tests are:

- 1) It must be **predominantly made by hand**. It does not matter if some machinery is also used in the process.
- 2) It must be graced with **visual appeal in the nature of ornamentation** or inlay work or some similar work lending it an element of artistic improvement. Such **ornamentation must be of substantial nature** and not a pretence.

Two tests laid down by the Hon'ble Supreme Court are fulfilled in the case of the dealers and also in the case of the applicant. The items produced at the time of hearing are Brass Vases, Lamps, Idols of God, Pooja Plates and the like. Perusal of the goods demonstrated by the learned Advocate and the videos shows that machinery is used in the process of production of these goods and the visual appeal in the nature of ornamentation and similar work has lent artistic improvement to the goods. The clarification sought by the applicant in this case by of M/s. P & S Precious Metals Private Limited, Bengaluru (TIN: 29510631250) has been set side and is remanded back for passing the order afresh. The products demonstrated by the dealers and the clarification sought by the applicant are in the same nature and are as per the guidelines of the Hon'ble Supreme Court of India in the case referred above and hence they fall under entry 41 of the III Schedule to KVAT Act, 2003. The products dealt by the applicant M/s. P & S Precious Metals Private Limited, Bengaluru (TIN: 29510631250), and M/s Jyothi Handicrafts & Sports, M/s Patel Handicrafts M/s Marudhar Handicrafts and M/s. Milan Handicrafts & Sports as discussed above, are similar in nature. Judgements relied also supports that the goods are 'Handicrafts'. Therefore, "items made of brass like idols of Gods, pooja Items, plates" are taxable at 4% w.e.f. 1.4.2005 to 31.3.2010 and at 5% from 1.4.2010 to 31.7.2012 and at 5.5% w. e. f. 1.8.2012 and onwards.

5. Hence, the following clarification is issued.

CLARIFICATION NO: CLR.CR.189/11-12, DATED 28.2.2017.

It is clarified that, "items made of brass like idols of Gods, pooja Items, plates" are taxable at 4% w.e.f. 1.4.2005 to 31.3.2010 and at 5% from 1.4.2010 to 31.7.2012 and at 5.5% w. e. f. 1.8.2012 and onwards.
