6TH STATE PAY COMMISSION OF KARNATAKA

BACKGROUND NOTE

REVISION OF PAY AND ALLOWANCES OF GOVERNMENT EMPLOYEES

1. Government of Karnataka has constituted the 6th State Pay Commission to consider revision of pay scales of the State Government employees, employees of Aided Educational Institutions and Local Bodies, and Non-teaching staff of the Universities and to recommend a new pay structure for them. The Commission is also required to suggest changes, if any, with regard to the Pensions, Dearness Allowance (DA), House Rent Allowance (HRA), City Compensatory Allowance (CCA), Medical facilities and other benefits. Further, the terms of reference of the Commission also include suggesting measures to improve the performance of Government Departments including restructuring of Departments and recommending measures to improve the performance of Government employees. In making its recommendations, the Pay Commission is required to keep in view the resources of the State Government and its commitments for various development programmes and schemes, statutory and regulatory functions, debt-servicing obligations and other non development requirements within the overall mandate of the Karnataka Fiscal Responsibility Act, 2002.

2. The pay and allowances of State Government employees, employees of Aided Educational Institutions and Local Bodies, and Non-teaching staff of the Universities have generally been revised once in five years either on the recommendations of a Pay Commission or of an Official Pay Committee. The recommendations of 5th Pay Commission were implemented during 2005 with monetary benefits effective from 01-04-2006. The pay and allowances were last revised with effect from 01-04-2012 based on the recommendations of the Official Pay Committee(2011).

3. The principles generally considered for evolving new pay structures / pay scales of Government employees include the qualifications and training for different posts, degrees of responsibility, areas of jurisdiction, occupational hazards, levels of decision-making, avenues of promotion, horizontal and vertical relativity in similar jobs in various Departments, and historical relativities in pay scales evolved over a period of time.

4. The fundamental objectives of Government comprise maintenance of law and order, provision of basic social services and infrastructure, welfare of the vulnerable sections of the society, protecting the environment, and promoting economic development. To achieve these objectives the State Government has employed about 5.20 lakh employees in Government Departments at various levels in the entire State (List of Government Departments and number of employees is enclosed). Of these Employees, nearly 80% are employed in Police, Health, Education, Rural Development, Irrigation, Agriculture and Social Welfare sectors. The number of retired employees/families of retired employees receiving pension from the State Government is about 5.56 lakhs. During 2017-18 the estimated expenditure on salary and pensions is Rs 25,406 crores and Rs.13,183 crores respectively. The expenditure on pay amounts to 18% and on pension 9% of the State's total revenues (tax+ non tax+ devolution). In addition, the State Government also provides grant-in-aid to meet the salary expenditure and pension payments of about 1.46 lakh employees of Aided Educational Institutions and Local Bodies, and Non-teaching staff of the Universities.

PAY AND ALLOWANCES

5. The existing pay scales have been evolved on the recommendations of the Official Pay Committee (2011), linking them with the cost of living index at 191.5 points (AIACPI) (IW) 2001 series by merging the Dearness Allowance obtainable on 01-01-2012. These scales are effective from 01-04-2012. A master pay scale with 91 stages has been adopted by the State Government with 25 standard scales segmented out of this master scale.

6. The existing total minimum emoluments paid to employees is Rs.17,050/- p.m., at Bengaluru and Rs. 14,700/- in rural areas and the maximum emoluments is Rs.1,38,500/- in Bengaluru. These emoluments include DA, HRA and CCA admissible to them. The present ratio between the minimum pay in the lowest scale and the minimum pay in the highest scale is 1: 8.31. The ratio between the maximum in the lowest scale and the maximum in the highest scale is 1 : 5.50.

7. The rates of annual increment range from Rs 200 to Rs 1,700 in different pay scales. Additional increments are granted if a Government Employee stagnates in the same post without promotion on reaching 20 years, 25 years or 30 years of service. Further, employees reaching the maximum of any pay scale are given up to 8 stagnation annual increments, if they are not promoted.

8. Increases in cost of living are neutralized by revision in payment of Dearness Allowance (DA) twice a year based on 12 monthly rise in AIACPI index. The admissible House Rent Allowance (HRA) and City Compensatory Allowance (CCA) vary with the basic pay of the employee and the place of work according to classification of cities/other places based on population. The present rate of HRA is 30%, 20% and 10% for places classified as A, B and C respectively. The rates of CCA in Bengaluru (BBMP area) for Group-C and D

employees is Rs.350/- and for Group-A and B officers Rs. 400/- per month. The rates of CCA in the Urban Agglomerations of Belagavi, Mangaluru, Mysuru, Kalaburagi and Hubballi-Dharwada range from Rs.250/- to Rs.300/- per month.

9. Over a period of time Government have streamlined the re-imbursement of medical expenses by including treatment availed in specified private medical institutions/ hospitals and also specifying the rate of reimbursement of medical expenses for various types of ailments. This is in addition to payment of medical allowance of Rs. 100/- per month to Group-C & D employees. Government has also introduced a cashless scheme called 'Jyothi Sanjivini' which covers many procedures and surgeries for the benefit of the employees and their families.

10. Employees with disabilities and employees' children with disabilities are entitled to certain special allowances. These include conveyance allowance for disabled employees at 6% of basic pay and 25 % of the cost of the motorized / mechanical vehicle purchased as subsidy. Govt. employees' children with disabilities are given educational allowance/ maintenance allowance at Rs.500 per month per child for two children only.

11. Other allowances paid for certain specified categories of posts include Conveyance Allowance, Uniform Allowance, Risk Allowance, Fixed Traveling Allowance and Special Allowance at rates varying from Rs.100/- to Rs.4,800/- per month. Government employees are also allowed encashment of earned leave (EL) up to 15 days per year and a maximum of 300 days of accumulated leave on retirement. Women employees are eligible for 180 days of maternity leave. Leave Travel Concession (LTC) for travel anywhere in India is allowed twice during the service of Government employees.

RETIREMENT BENEFITS:

12. The age of retirement of Government employees is 60 years and it is on par with the retirement age of Central Government employees. Retiring employees who have completed 33 years of qualifying service are eligible for full pension at the rate of 50% of the last basic pay drawn and proportionate pension in cases where service rendered is less than 33 years. As per the existing rules, an employee with 15 years of qualifying service or who has completed 50 years of age can seek Voluntary Retirement. On retirement, employees receive Death Cum Retirement Gratuity subject to a maximum of Rs.10 lakhs or 16.5 times of basic pay.

13. Family Pension is admissible on death of an employee / pensioner at 30% of the last pay drawn subject to a minimum of Rs. 4,800/- and a maximum of Rs.23,940/-per month. Retiring employees are also permitted to commute 1/3rd of their pension to receive a lump sum amount at the time of retirement.

14. New Pension Scheme (NPS) :- All Government employees joining government service on or after 1st April 2006 are mandatorily covered under a contributory pension scheme called the 'New Pension Scheme' with a contribution of 10% of basic pay plus DA and equal contribution from the Government to be invested in a pension fund. The retiring employees receive the lump sum and annuities from the accumulated funds so invested. Government has no other obligation towards pension, family pension and Death cum retirement gratuity for employees covered under NPS.

15. In the light of the above, the Commission would like to invite responses from the general public, Government employees and pensioners, recognized associations of employees, and Universities, Local Bodies and Aided Educational Institutions. Further, responses are being sought from Hon'ble MPs/MLAs/MLCs and other important elected representatives and senior functionaries in Government including Additional Chief Secretaries/Principal Secretaries/Secretaries to Government and Heads of Departments separately.

16. The responses of Government employees and pensioners are to be submitted in the format containing Questionnaire-A. Questionnaires - B and C are meant for responses from Additional Chief Secretaries/Principal Secretaries/ Secretaries to Government and Heads of Departments. Universities, Local Bodies and Aided Educational Institutions are required to submit their responses to the questions in Questionnaires - D, E and F respectively. The responses of the general public are invited in Questionnaire-G appended to this note.

17. Responses to Questionnaires A and G may be submitted by individuals, recognized associations of employees and pensioners, associations of persons and non-governmental organizations or any other interested body of persons. The Commission would like all respondents to disclose their complete postal address e-mail Id and contact telephone numbers. Replies to the questionnaires and Memoranda, if any, should be sent to the Secretary, 6th State Pay Commission, 1st Floor, Coffee Board Building, Dr. Ambedkar Veedhi, Bengaluru-560001 so as to reach on or before 21st August 2017.

Reimbursement of Medical Expenses: Over a period of time Government have streamlined the facility of Medical reimbursement by recognizing treatment in private Medical Institutions/Hospitals and also specifying the rate of reimbursement of medical expenses for various types of ailments. Government have also introduced a cashless scheme called ‘Jyothi Sanjivini’. This apart, medical allowance of Rs.100/- per month is paid to Group-C & D employees. Do you consider this adequate? If not, give reasons and suggestions if any for improvement.
