COMMERCE & INDUSTRIES SECRETARIAT

Sub: Organizing Vendor Development & Investors Summit during October / November 2017.

Read: KUM file No. E5/57/VPD-17/2017-18.

PREAMBLE:

In the Budget Speech of 2017-18, the Hon'ble Chief Minister of Karnataka at Para No.395 has announced that "It is proposed to conduct Vendor Development Event at a national level to bring together MSMEs and Large Manufacturers / Public Sector Undertakings for giving marketing support to MSMEs".

Finance Department, vide "BUDGET ADVICE" dated 1st April, 2017 has allocated budget of ₹ 300.00 lakh grants for the year 2017-18 for implementing this new announcement under the Scheme "Export and Trade Promotion" Head of Account 2852-80-102-0-02 (125).

Manufacturing Sector has been recognized as the main engine for the economic growth and creation of wealth and accordingly emphasis was placed on growth of industries in most of the 5 year plans. Central/ State Government undertakings, Large & Mega Industries require various parts, components, accessories and services.

Vendor Development Programme provides a platform for bridging the gap between the requirements of large units and production capabilities of MSMEs. This programme will act as common platform for large units to identify vendors of their choice in terms of production capacity and quality standards.

At the same time, it will provide opportunity to the participating companies to explore the investment opportunities in the State and firm up their new / expansion investment proposals with the State Government in terms of project approvals / MoUs.

In this regard, the Commissioner for Industrial Development and Director of Industries & Commerce Department in the file read at reference has submitted the budget requirement for organizing Vendor Development & Investors Summit during October / November-2017 at BIEC, Bengaluru as below:

Sl. No.	Particulars	Amount (₹ in Crore)
1	Venue rent	1.75
2	Advertisement, Media and Publicity	5.00
3	Conference halls & Exhibition infrastructure and Venue branding	5.00
4	Road Shows	1.00
5	Food and Catering	1.00
6	Logistics (Transportation)	0.20
7	Accommodation	0.10
8	Printing & Stationery	0.20
9	Gifts and Mementos	0.10
10	Postage, Courier, Audit fee	0.05
11	Parking charges and NH Toll fee	0.20
12	Cultural programme	0.15
13	Event Partner fee-CII	0.25
Total		15.00
The actual expenditure in the above components may vary, however, it will be adjusted in the overall expenditure of ₹ 15.00 crore.		

The Commissioner for Industrial Development and Director of Industries & Commerce Department has suggested conducting the programme in association with Confederation of Indian Industry (CII) as event partner.

The total budget outlay for the programme is ₹ 15.00 crore, out of which ₹ 3.00 crore is allocated funds under HoA 2852-80-102-0-02 (125) during 2017-18 and ₹ 12.00 crore is available in Karnataka Udyog Mitra which was released for various events & the savings out of the released will be utilized.

The proposal has been concurred by Finance Department vide Note No. FD 214 Exp-1/2017, dated 02.06.2017, Planning Department vide Note No. PD 41 FRO 2017, dated 05.06.2017 and Cabinet approval vide subject No. C:425/2017, dated: 05.07.2017.

Hence the following order:

GOVERNMENT ORDER No: CI 126 SPI 2017 BENGALURU, DATED: 11.07.2017

In view of the facts and circumstances explained in the preamble above, the Government is pleased to accord approval for organizing Vendor Development & Investors Summit at BIEC, Bengaluru during October / November-2017 with a budget outlay of Rs ₹ 15.00 crore.

The total budget outlay for the programme is `15.00 crore, out of which `3.00 crore is allocated funds under HoA 2852-80-102-0-02 (125) during 2017-18 and Rs. 12.00 crore is available in Karnataka Udyog Mitra which was released for various events & the savings out of the released, shall be utilized.

To conduct the programme in association with Confederation of Indian Industry (CII) as event partner.

This order is issued with the concurrence of Finance Department vide Note No. FD 214 Exp-1/2017, dated 02.06.2017, Planning Department vide Note No. PD 41 FRO 2017, dated 05.06.2017 and Cabinet approval vide subject No. C:425/2017, dated: 05.07.2017.

Desk Officer (Technical Cell),
Commerce & Industries Department.

COMMERCE & INDUSTRIES SECRETARIAT

Sub: Providing one time grant of ` 400.00 crore to Tumakuru Industrial Node for land acquisition by the KIADB under Chennai-Bengaluru-Chitradurga Industrial Corridor Project.

Read: 1) Letter No. KIADB/COF/778/2017-18, dated 17.04.2017 of the Chief Executive Officer & Executive Member, Karnataka Industrial Areas Development Board (KIADB), Bengaluru.
2) Letter No. fPpA/AiEAdE/CEAZAE/¥.eA.¥.¥A/2017-18, dated 18.04.2017 of the Commissioner for Industrial Development and Director of Industries & Commerce, Bengaluru.

PREAMBLE:

In the Budget Speech of 2017-18, the Hon'ble Chief Minister of Karnataka at Para No.390 has announced that "Under Chennai-Bengaluru-Chitradurga Industrial Corridor Project, one-time grant of `400.00 crore will be provided for Tumakuru Industrial Node for land acquisition by the KIADB".

Government of India has taken up the development of economic and industrial corridors in the country along major national highways connecting economic and industrial hubs. The following five corridors are under development viz:

- Delhi-Mumbai Industrial Corridor;
- Amritsar-Kolkatta Industrial Corridor;
- Chennai-Vizag Industrial Corridor;
- Chennai-Bengaluru Industrial Corridor; and
- Bengaluru-Mumbai Economic Corridor.

The identified corridors have an influencing area of around 150 kms on either side of these corridors and specific locations have been identified to be developed as Nodes along the corridors. These Nodes are proposed to be developed as Integrated Townships with the state-of-the-art infrastructure facilities and land use on the basis of clean and energy efficient technology; necessary social infrastructure; skill development facilities; etc. These nodes will be administered by a Special Purpose Vehicle (SPV) having all statutory powers.

Chennai-Bengaluru Chitradurga Industrial Corridor (CBIC) and Bengaluru-Mumbai Economic Corridor (BMEC) are passing through the State of Karnataka and the Gol has identified the following first Nodes on these corridors:

- Tumakuru Node on Chennai-Bengaluru Industrial Corridor
- Dharawad Node on Bengaluru-Mumbai Economic Corridor

Delhi Mumbai Industrial Corridor Development Corporation (DMICDC) with its experience of developing nodes has been nominated by Gol to give the technical assistance for the development of these Nodes.

In the Joint Monitoring Committee (JMC) Meeting of Gol held on 19.05.2016, the following issue was discussed:

"The land has to come as equity from the State Government to SPV. Later the Government of India will release their equity up to `.. 3000 crore to the SPV. So there is no provision in which the land cost can be returned back to

KIADB from SPV. The returns on investment after the sale of developed land will be of the SPV and this money can again be reinvested to develop more industrial nodes".

The Secretary, DIP, GoI in the JMC Meeting held on 02.08.2016 has requested the State Government to give land as equity and come forward for signing of Share Holders Agreement (SHA) and State Support Agreement (SSA) as has been done in neighboring States.

KIADB is acquiring land from private land owners by paying compensation fixed by the price advisory committee headed by the Deputy Commissioner of the District and the amount realized from the allotment of land will not come back to KIADB for servicing the loans.

The node consists of 4th Phase, Vasanthanarasapura, 1722-30 acres of land, which is under possession of KIADB and compensation to land owners is under progress, 5th Phase (3174-25 acres) and 6th Phase (4731-39 acres) of Vasanthanarasapura, wherein preliminary notifications u/s 28(1) of KIAD Act were issued.

KIADB requires minimum of ₹.3000 crore to acquire 9,629 acres of land for Tumakuru Industrial Node under CBCIC. KIADB is not in a position to borrow and invest such a huge investment for land, if the said investment not come back to KIADB for servicing the loan. The cost of land acquisition for Vasantha Narasapura 4th Phase is around ₹.602.96 crore for 1722-30 acres of land.

If the State Government provides 1722-30 acres of land to SPV worth of ₹.602.96 crore, then the Government of India will release ₹.602.96 crore to the SPV so that initial phase of development of Tumakuru Node may be commenced. The net revenue realized by the SPV will be used for funding land acquisition for the 5th / 6th Phase of Vasantha Narasapura. In this way, the SPV will be able to develop the entire node in stages using initial State Government assistance and subsequent releases from GoI.

For acquiring 1722-30 acres of land at 4th Phase, Vasantha Narasapura, KIADB has already released ₹.125.00 crore for disbursement of compensation. Accordingly, the State Government has to provide one time grant of ₹.400.00 crore for land acquisition for 4th Phase Vasantha Narasapura Industrial Area as announced in the Budget Speech 2017-18.

As per Budget allocation of 2017-18 under Head of Account 4852-80-004-0-01, the following has been allocated:

(₹.in crore)	
4852-80-004-0-01 (211) Industrial Investment	363.44
4852-80-004-0-01 (422) SCP	132.15
4852-80-004-0-01 (423) TSP	54.41
Total	550.00

As announced in the Budget Speech, the Government has to provide ₹.400.00 crore to KIADB for land acquisition for 4th Phase, Vasantha Narasapura, Tumakuru Node under HoA 4852-80-004-0-01 (211). However, the Finance Department has provided ₹.363.44 crore under HoA 4852-80-004-0-01 (211), which has to be utilized both for new & on-going schemes. The Commissioner for Industrial Development has submitted an action plan and ₹. 363.44 crore will be utilized under HoA 4852-80-004-0-01 (211) as below:

(₹. in crore)		
Sl.No.	Particulars	Amount
1	One time grant to KIADB for Tumakuru Node-land acquisition (New)	300.00
2	Establishment of Precision Metrology Lab (New)	2.00
3	Establishment of Advanced Polymer Design Lab by CIPET (On-going)	10.00
4	Aerospace Common Finishing and Facility Centre through KIADB (On-going)	5.00
5	Assistance to R&D Centres (On-going)	3.00
6	Critical Infrastructure (KIADB-KSSIDC) (On-going)	43.44
Total		363.44

As mentioned above, ₹.300.00 crore will be utilized for one time grant towards land acquisition by KIADB for 4th Phase, Vasantha Narasapura, Tumakuru Node and balance ₹.100.00 crore to be provided additionally by Finance Department under HoA 4852-80-004-0-01 (211).

Hence the following order:

GOVERNMENT ORDER No: CI 97 SPI 2017 BENGALURU, DATED: 11.07.2017

In the circumstances explained in the preamble, Government is pleased to accord approval for the following;

- i. Approval for providing one time grant of `Rs. 400.00 crore to Tumakuru Industrial Node for land acquisition by the KIADB for 4th Phase, Vasantha Narasapur, Tumakuru under Chennai-Bengaluru-Chitradurga Industrial Corridor (CBCIC) Project under HoA 4852-80-004-0-01 (211).
- ii. Approval for release of available `300.00 crore to KIADB for land acquisition of 4th Phase, Vasantha Narasapur, Tumakuru under Chennai-Bengaluru-Chitradurga Industrial Corridor Project under HoA 4852-80-004-0-01 (211) during 2017-18.
- iii. Finance Department to provide additional allocation of `100.00 crore under HoA 4852-80-004-0-01 (211) during 2018-19 for land acquisition by KIADB for 4th Phase, Vasantha Narasapur, Tumakuru under CBCIC project.

This order is issued with the concurrence of Finance Department vide Note No. FD 218 Exp-I/17, dated 09.05.2017 & 07.06.2017 and Planning Department vide Note No. PD 17 FRO 2017, dated 28.04.2017 & 06.06.2017 and approval of the Cabinet in its meeting held on 05.07.2017 vide subject no. C:429/2017.

Sub: Guidelines for private resorts/institutions/entities operating in the revenue enclosures within Wildlife Sanctuaries and National Parks as well as those located close to Protected Areas – req.

Read : Principal Chief Conservator of Forests (Wildlife) & Chief Wildlife Warden, Karnataka letter No. PCCF(WL)/B2/CR/ /2016-17, Dated:04.06.2016.

Preamble :-

In the letter read above, the PCCF(WL) has proposed that a Committee has been formed under the Chairmanship of the Addl. Principal Chief conservator of Forests (Project Tiger) Mysuru for finalisation of guidelines for private resorts/institutions/entities operating in the revenue enclosures as well as those located close to Protected Areas. In response to this, the Chairman of the Committee after detailed deliberation has submitted a report. The PCCF(WL) requested to review the report and issue necessary order.

The proposal has been scrutinised and hence this order.

Government Order No. FEE 95 FWL 2016, Bengaluru, dated: 10.07.2017

In view of the reasons mentioned in the preamble, Guidelines for private resorts/institutions/entities operating in the revenue enclosures within Wildlife Sanctuaries and National Parks as well as those located close to Protected Areas is furnished as per Annexure. This Order will come in to force with immediate effect and until further orders.

By Order and in the Name of the Governor of Karnataka,

H.S. BHAGYALAKSHMI

Under Secretary to Government,
Forest, Ecology and Environment Department.

Annexure to Govt. Order No.FEE 95 FWL 2016, dated: 10.07.2017

Guidelines for regulation of Private Resorts, Home Stays, Institutions, other Entities in Revenue Enclosures and around the Protected Areas (Wildlife Sanctuaries and National Parks).

INTRODUCTION

Eco tourism is ecologically sustainable (nature tourism) and is distinct from the mass tourism, in having equitable and community based efforts for improving the living standards of local communities living on the fringes or in the enclosures of Protected Areas.

The objective of these guidelines is to move from wildlife tourism to Eco-tourism which is defined as the responsible travel to natural areas that ensures ecological security for the well being of the local residents and its environment.

These guidelines are to support the effective implementation of the provisions of Wildlife (Protection) Act 1972, guidelines issued under the Eco-Sensitive Zone (ESZ) in and around the Protected Areas, and also the Wilderness Tourism Policy 2004 of Government of Karnataka, without violating the existing statutes and the orders of the Hon'ble High Court of Karnataka and Hon'ble Supreme Court.

The activities are as follows:

1. There should not be any change in the land use pattern for over next 50 years inside the Protected Areas as stipulated by the Hon'ble Supreme Court in the writ petition no. 337/95.
2. Only the existing and recognized resorts will be permitted to operate within the Eco Sensitive Zones and enclosures of the Protected Areas.
3. Overcrowding, misuse of natural resources, construction of buildings and infrastructure produces negative impact on the Environment and Wildlife Conservation by exceeding its carrying capacity and also creates water scarcity. Increased vehicular movement in and around Pas interfere with the animal activities such as search for food, water and shelter. The case studies in Africa and other Countries have revealed that increased tourism will affect the animal behaviour and the very survival of certain species. Under the circumstances the rights and privileges settled at the time of constituting Reserve forests/ State forests/ Minor forests/ any other type of forests/ Sanctuaries/ National Parks and Tiger Reserves will remain unaltered in these areas and their enclosures. The activities which may be allowed in a limited way are as follows:
 - a. Trekking or nature walks through designated paths.

- b. Accommodation for temporary occupation of tourists related to Eco-friendly Tourisms activities may be permitted with the permission from Appropriate Authority (respective eco-sensitive zone committees) without creating any new infrastructure.
- c. Certified guides by the Eco Tourism Board and preferably from the local area.
- d. Bird watching and study of flora and fauna. However collection of specimens shall be prohibited, unless permitted by the Chief Wildlife Warden.
- e. In respect of the carrying capacity of any particular Protected Area for tourism in its enclosures is regulated under G.O. No. FEE 38 FWL 2013, dated 11-06-2013.
- f. Liquid waste and solid wastes disposal shall be as approved by the Competent Authority under the law governing the subject. No untreated used water shall be allowed in to the rivers, streams and other water bodies.
- g. Movement of vehicles in the enclosures and around the Pas are regulated as per the existing rules and norms.
- h. Eco-Tourism activities in Eco-Sensitive Zone (ESZ) of protected areas will be in accordance with ESZ notification of respective protected area and as decided by the ESZ management committee.
- i. Eco-Tourism in and around Tiger Reserves will be in accordance with National Tiger Conservation Authority (NTCA) guidelines or directives.

Do's and Don'ts for the tourists/ visitors entering the Protected Areas (PA):

- 1. Abide by the PA rule.
- 2. Don't enter the PA with fire arms/ explosives.
- 3. Obtain Permission before entering the PA.
- 4. Don't carry transistor and tape recorder into the PA.
- 5. Obey the park guide.
- 6. Don't blow horn.
- 7. Speed limit to be fixed for vehicles moving inside the PA, recommended maximum speed is 20 km/h.
- 8. Don't litter with cans, bottles, etc.
- 9. Always carry drinking water.
- 10. Don't get down, unless told by the guide.
- 11. Don't remove any forest property.
- 12. Don't chase or tease animals.
- 13. Smoking is prohibited.
- 14. Animals have the first right of way.
- 15. Consumption of alcohol inside Park/PA is prohibited.
- 16. Use of polythene inside the park/ PA is strictly prohibited.
- 17. No pets are allowed inside the park.
- 18. Do not get down from your vehicle except at designated places.
- 19. Overtaking is strictly prohibited.
- 20. Maintain minimum distance of 30 metres while viewing wildlife.
- 21. Un-registered vehicles carrying tourists are not allowed.

Do's and Don'ts for the Home Stays/ Resorts/ Hotel/ Institutions located in and around the Pas and Eco sensitive zone.

- 1. Environmental friendly atmosphere should be created.
- 2. Use of Solar Energy and LPG to be encouraged and to be made mandatory in a time frame.
- 3. Establishment of units for recycling of Solid Waste (ex: Kitchen Waste)/ Liquid Waste to be encouraged and to be made mandatory in a time frame.
