"In view of the above, we allow these appeals, set aside the impugned judgment and declare the provisions of the impugned Act to the extent of doing away with the 'catchup' rule and providing for consequential seniority under Sections 3 and 4 to persons belonging to SCs and STs on promotion against roster points to be ultra vires Articles 14 and 16 of the Constitution. The Judgment will not affect those who have already retired and will not affect financial benefits already taken. Consequential promotions granted to serving employees, based on consequential seniority benefit, will be treated as adhoc and liable to be reviewed. Seniority list may be now revised in the light of this judgment within three months from today. Further consequential action may be taken accordingly within next three months."
