1. Introduction

Children are the most precious living assets of our nation. They constitute a significant segment of our population. As per 2011 census, children below the age of fourteen (14) years account for 29% of the total population and while adolescents between the age group 14-18 years account for another 10% of the population.

Every child's natural place is at playground and the school. However many children and the adolescents are deprived of the opportunity of schooling and play, due to various reasons. Unfortunately many children and adolescents are burdened with work of various forms. The government and civil society together are continuously making planned efforts to root-out the problem of child and adolescent labour, which is embedded in exploitative socio-economic structure, by adopting multi-pronged strategies. It is a matter of great concern to the government and civil society to evolve creative, constructive and pragmatic action-plans and implement measures to address this problem, in all its dimensions and manifestations.

The Government of Karnataka after review of its existing policies, action-plans and programmes for eradication of child and adolescent labour, and for declaring a district as 'Child and Adolescent Labour Free Zone-CALF-Z' are pleased to issue this Memorandum of Standard Operating Procedures (MSOPs).

2. Role of District Administration in making CALF-Z.

The District Administration (DA) consisting of Deputy Commissioner, Chief Executive Officer of Zilla Panchayat in the rural areas and Commissioner of the Corporations in Urban areas, Superintendent of Police (SP) and officers of all participating Departments of Government at the district level mentioned in the Table 1, plays a predominant and pivotal role in all aspects of administration in the district. The District Administration acts as the vertical and horizontal connecting link between the Central and State Government as well as various Departments operating at various levels of governance both rural and urban local bodies including civil society. The District Administration under the leadership of Deputy Commissioner cum-District Magistrate is the single-most important convergence platform for the purpose of inter-departmental co-ordination and co-operation in the district. The District Administration brings wholistic and decentralised strength to working of all Departments and non-state organisations, in order to evolve an integrated and participative approach to the complex problem of child and adolescent labour. The District Administration shall develop a complete database of child and adolescent labour in the district.

Hence, the responsibility of prevention, prohibition and regulation of child and adolescent labour in the district and thereby finally declaring a district as 'CALF-Z' is entrusted by the State Government to the District Administration (DA). The District Administration is completely responsible for initiating and implementing these Standard Operating procedures [SOPs] in full-scale and declaring their district as 'CALF-Z'.
