DEPARTMENT OF COMMERCIAL TAXES

Office of the Commissioner of Commercial Taxes, (Karnataka), Vanijya Therige Karyalaya, Kalidasa Road, Gandhinagara, Bengaluru-560 009.

PROCEEDINGS OF THE COMMISSIONER OF COMMERCIAL TAXES, (KARNATAKA), BENGALURU-CLARIFICATION UNDER SECTION 59(4) OF THE KARNATAKA VALUE ADDED TAX ACT, 2003.

NO. CLR.CR-86/2016-17.

Present : SRIKAR M.S., I.A.S.,

Commissioner of Commercial Taxes. (Karnataka) Bengaluru.

Sub : KVAT Act, 2003 -Clarification under Section 59(4) regarding the rate of tax applicable on "Agricultural sprayers manually operated"-reg.

Ref : Application filed on 24-09-2016 of M/s.Sakhare Engg.Works, No. 8-1279/B, Nehru Gunj Road, Kalaburagi-585 104 (TIN: 29810613625).

In the application cited above, M/s. Sakhare Engg. Works, No. 8-1279/B, Nehru Gunj Road, Kalaburagi-585 104 (TIN: 29810613625) has sought clarification regarding the rate of tax applicable on "Agricultural sprayers manually operated".

2. Section 59(4) of the Karnataka Value Added Tax Act, 2003 empowers the Commissioner of Commercial Taxes to clarify the rate of tax payable under the Act, if he considers it necessary or expedient so to do, for the purpose of maintaining uniformity in the work of assessments and collection of revenue. It is examined and found that the clarification requested by the petitioner is within the scope of the aforesaid provision and it is necessary that the clarification be issued for the purpose of maintaining uniformity in the work of assessments and collection of revenue.

3. The applicant was heard on 30-01-2018. He produced the samples of sprayers and reiterated the submissions made by him vide letter dated 01-08-2017.

4. The applicant is of the understanding that Agricultural sprayers which are manually operated do fall in the category of "Agricultural implements manually operated or animal driven" under SI No 1 of First Schedule to KVAT Act, 2003 and hence exempted from VAT. Reliance is also placed on the order of the Advance Ruling Authority in the case of M/s. SVR Agencies, Bengaluru (Advance Ruling / Clarification Order No AR/ CLR / CR-69 / 05-06 dated 28-09-2005) wherein it has been held that Manually operated and animal driven Agricultural dusters and sprayers are exempt under SI No 1 of First Schedule to KVAT Act, 2003 w.e.f., 01-04-2005.

5. The applicant has relied on the judgment of the Hon'ble High Court of Kerala in the case of Deputy Commissioner of Sales Tax (Law) Vs Shaw Wallace and Company Ltd., (1985) 58 STC 333, wherein it was held as under:

"In as much as Agricultural sprayers are being used for prevention of pests, it could only be considered as an Agricultural implement and is exempt from Sales Tax".

He has also relied on the judgment of the Hon'ble Supreme Court of India in the case of D H Brothers Pvt. Ltd., Vs Commissioner of Sales Tax, UP reported in 1992 (84 STC 267).

6. The matter is examined.

i. The description of goods in SI No 1 of First Schedule to KVAT Act, 2003 in which the goods exempted from tax under sub-section (1) of Section 5 are listed reads as under:

"Agricultural implements manually operated or animal driven".

ii. It is to be noted that "Agricultural dusters, sprayers, sprinklers and drip irrigation equipments and their parts and accessories" were specifically notified attracting tax at specific rates as notified. The Notifications and tax rates were as follows :

Notification No / Date	Rate of Tax	Period for which applicable
FD 416 CSL 2005 (2) dated 16-09-2005	4%	16-09-2005 to 30-03-2006
FD 116 CSL 2006 (6) dated 31-03-2006	4%	01-04-2006 to 31-03-2010
FD 82 CSL 10 (III) dated 31-03-2010	5%	01-04-2010 to 31-07-2012
FD 82 CSL 10 (III) dated 31-03-2010 read with Notification No FD 143 CSL 12 (I) dated 31-07-2012	5.5%	01-08-2012 to 30-06-2017

iii. It is clear from these Notifications that agricultural sprayers have been separately notified at a particular rate of tax.

- iv. In the case of Deputy Commissioner of Sales Tax (Law) Vs Shaw Wallace and Company Ltd., Kerala, the Hon'ble High Court held that the Circular issued by the Board of Revenue (Taxes) enumerating Agricultural implements would not have statutory backing or force of law and such enumerations of items could not be regarded as exhaustive so as not to allow the inclusion of any other items within that term. The facts of the case do not squarely apply to the applicant's case as Agricultural sprayers have been specifically notified and subjected to tax.
- v. The Hon'ble Supreme Court of India in the case of D H Brother Pvt. Ltd., had to decide the issue as to whether Cane crushers and boiling pans used only in the manufacture of gur from sugarcane can be brought under the class of Agricultural implements enumerated in the relevant Notification dated November 14, 1980 issued under the U.P Sales Tax Act, 1948 which were exempted from levy of sales tax. The Hon'ble Supreme Court held that the definition of "Agricultural implements" being inclusive it has a wider import and any other implement which answers the description of Agricultural implement can be included in the definition. Thus, the intention of the framers of the Notification could only be to limit the general words in the Notification to the implement of the same kind as are specified therein. Therefore, on plain reading of the Notification, the sugarcane crushers do not come within the definition of Agricultural implements.

The ratio of the above decision cannot be applied to the applicant's case as the description of goods in SI No 1 of the First Schedule relating to agricultural implements is not an inclusive one and the goods- "Agricultural dusters, sprayers, sprinklers and drip irrigation equipments and their parts and accessories" have been notified separately as taxable goods under Notifications issued from time to time.

- vi. It is clear that what is exempted under SI.No.1 of First Schedule to KVAT Act 2003 is "Agricultural implements manually operated or animal driven". However, there are specific Notifications covering "Agricultural Sprayers" taxable at a particular rate. Hence, it cannot be inferred that Agricultural Sprayers are exempt from tax. Agricultural Sprayers, specifically notified to tax would not fall under the category of Agricultural implements in the First Schedule. When there is a specific notification covering a particular goods, the applicant's claim that a generic term of 'Agricultural implements' covers Agricultural sprayers is not tenable.
- vii. The orders of the Authority for Clarification and Advance Ruling bearing No. AR.CLR.CR.47/2012-13 dated 14-05-2013 passed in the case of M/s. Shah Machinery Stores, Kalaburagi (TIN 29620035173) and AR.CLR.CR.69/ 2005-06, dated : 28-09-2005 in the case of M/s. SVR Agencies, Bengaluru (TIN 29420091834) is not binding on the Commissioner as per section 60(4) of the KVAT Act, 2003.
- viii. Further it has already been clarified under section 59(4) of the KVAT Act, 2003 in the case of M/s. Akshatha Agro Vet Agencies, Bengaluru (TIN 29710071062) vide No CLR CR 141 / 14-15 dated 28-03-2016 that Manual hand sprayer is taxable @ 5.5% as per SI No 1 of Notification No FD 82 CSL 10(III) dated : 31-03-2010.
- ix. In the light of the above discussion, "Agricultural dusters, sprayers, sprinklers and drip irrigation equipments and their parts and accessories" cannot be regarded as "Agricultural implements manually operated or animal driven".

7. Hence, the following clarification is issued.

CLARIFICATION NO. CLR.CR-86/2016-17 DATED 27-04-2018

It is clarified that, "Agricultural sprayers manually operated" are taxable at the rates indicated for different periods as under:

Notification No / Date	Rate of Tax	Period for which applicable
FD 416 CSL 2005 (2) dated 16-09-2005	4%	16-09-2005 to 30-03-2006
FD 116 CSL 2006 (6) dated 31-03-2006	4%	01-04-2006 to 31-03-2010
FD 82 CSL 10 (III) dated 31-03-2010	5%	01-04-2010 to 31-07-2012
FD 82 CSL 10 (III) Dated : 31-03-2010 read with Notification No FD 143 CSL 12 (I) dated 31-07-2012	5.5%	01-08-2012 to 30-06-2017
