"144 – Constitutional validity of the Reservation Act 2018 is lacking in substance. Following the decision in B K Pavitra 1, the State Government duly carried out the exercise of collating and analysing data on the compelling factors adverted to by the Constitution Bench in Nagaraj. The Reservation Act 2018 has cured the deficiency which was noticed by B K Pavitra I in respect of the Reservation Act 2002. The Reservation Act 2018 does not amount to a usurpation of judicial power by the State Legislature. It is Nagaraj and Jarnail compliant. The Reservation Act 2018 is a valid exercise of the enabling power conferred by Article 16 (4A) of the Constitution.

145 – We therefore find no merit in the batch of writ petitions as the constitutional validity of the Reservation Act 2018 has been upheld. They shall stand dismissed. Accordingly, the review petitions and miscellaneous applications shall also stand dismissed in view of the judgment in the present case. There shall be no order as to costs. All pending applications are disposed of."
