"144 – Constitutional validity of the Reservation Act 2018 is lacking in substance. Following the decision in B K Pavitra I, the State Government duly carried out the exercise of collating and analysing data on the compelling factors adverted to by the Constitution Bench in Nagaraj. The Reservation Act 2018 has cured the deficiency which was noticed by B K Pavitra I in respect of the Reservation Act 2002. The Reservation Act 2018 does not amount to a usurpation of judicial power by the State Legislature. It is Nagaraj and Jarnail compliant. The Reservation Act 2018 is a valid exercise of the enabling power conferred by Article 16 (4A) of the Constitution.

145 – We therefore find no merit in the batch of writ petitions as the constitutional validity of the Reservation Act 2018 has been upheld. They shall stand dismissed. Accordingly, the review petitions and miscellaneous applications shall also stand dismissed in view of the judgment in the present case. There shall be no order as to costs. " J Over representation in KPTCL and PWD

143- The Ratna Prabha Committee collected data from thirty one departments of the State Government of Karnataka. It has been pointed out on behalf of the State that corporations such as KPTCL and other public sector undertakings fall within the administrative control of one of the other departments of the State government. The position in thirty one departments was taken as representative of the position in public employment under the State. The over representation in KPTCL and PWD has been projected by the petitioners with reference to the total number of posts which have been filled. On the other hand, the quota is fixed and roster applies as regards the total sanctioned posts as held in Sabarwal and Nagaraj. On the contrary, the data submitted by the State of Karnataka indicates that if consequential seniority is not allowed, there would be under representation of the reserved catagories. Finally, it may also be noted that under the Government Order dated 13 April 1999, reservation in promotion in favour of SC`s and ST`s has been provided until the representation for these catagories reaches 15 per cent and 3 per cent, respectively. The State has informed the Court that the above Government Order is applicable to KPTCL and PWD, as well.

" K Conclusion

"144 – Constitutional validity of the Reservation Act 2018 is lacking in substance. Following the decision in B.K. Pavitra I, the State Government duly carried out the exercise of collating and analyzing data on the complelling factors adverted to by the Constitution Bench in Nagaraj. The Reservation Act 2018 has cured the deficiency which was noticed by B.K. Pavitra I in respect of the Reservation Act 2002. The Reservation Act 2018 does not amount to a usurpation of judicial power by the State Legislature. It is Nagaraj and Jarnail compliant. The Reservation Act 2018 is a valid exercise of the enabling power conferred by Article 16(4A) of the Constitution.

145 – We therefore find no merit in the batch of writ petitions as the constitutional validity of the Reservation Act 2018 has been upheld. They shall stand dismissed. Accordingly, the review petitions and miscellaneous applications shall also stand dismissed in view of the judgment in the present case. There shall be no order as to costs. All pending applications are disposed of."

`` Those selected and appointed with effect from 1.9.2003 will be entitled to seniority with effect from 1.9.2003, and likewise, the remain ing appointees will be allowed seniority with effect from 20.1.2004.

v) It is natural, that some of the candidates selected on contract basis, and appointed on 1.9.2003 /20,1,2004 will be ousted, consequent upon the holding of the selection process contemplated under the 2001 Rules. Such of the Assistant Engineers and Junior Engineers appointed on contract basis, who do not make the grade, would naturally have to make way in favour of those selected under the directions at (ii) and (iii) above. the erstwhile appointees on contract basis, who do not fall in the zone of selection, have by now rendered 11/12 years of service as Assistant Engineers/ Junior Engineers. It would be too harsh for them to vacate the posts occupied by them, for over a decade. In exercise of our jurisdiction under article 142 of the Constitution of India, we are satisfied in directing, that such of the Assistant Engineers/ Junior Engineers who have to make way to the regularly selected candidates, will be absorbed under the provisions of the Karnataka Civil Services (Absorp tion of persons appointed on contr act basis against backlog vacancies in the category of Assistant Engineers and Junior Engineers in the Department of Public Works Engineering, water Resources and Rural Development and Panchayat Raj) (Special) Rules, 2005 (hereinafter referred to as the '2005 Rules') with effect from 20.1.2004. " J Over representation in KPTCL and PWD

143- The Ratna Prabha Committee collected data from thirty one departments of the State Government of Karnataka. It has been pointed out on behalf of the State that corporations such as KPTCL and other public sector undertakings fall within the administrative control of one of the other departments of the State government. The position in thirty one departments was taken as representative of the position in public employment under the State. The over representation in KPTCL and PWD has been projected by the petitioners with reference to the total number of posts which have been filled. On the other hand, the quota is fixed and roster applies as regards the total sanctioned posts as held in Sabarwal and Nagaraj. On the contrary, the data submitted by the State of Karnataka indicates that if consequential seniority is not allowed, there would be under representation of the reserved catagories. Finally, it may also be noted that under the Government Order dated 13 April 1999, reservation in promotion in favour of SC`s and ST`s has been provided until the representation for these catagories reaches 15 per cent and 3 per cent, respectively. The State has informed the Court that the above Government Order is applicable to KPTCL and PWD, as well.

" K Conclusion

"144 – Constitutional validity of the Reservation Act 2018 is lacking in substance. Following the decision in B.K. Pavitra I, the State Government duly carried out the exercise of collating and analyzing data on the complelling factors adverted to by the Constitution Bench in Nagaraj. The Reservation Act 2018 has cured the deficiency which was noticed by B.K. Pavitra I in respect of the Reservation Act 2002. The Reservation Act 2018 does not amount to a usurpation of judicial power by the State Legislature. It is Nagaraj and Jarnail compliant. The Reservation Act 2018 is a valid exercise of the enabling power conferred by Article 16(4A) of the Constitution.

145 – We therefore find no merit in the batch of writ petitions as the constitutional validity of the Reservation Act 2018 has been upheld. They shall stand dismissed. Accordingly, the review petitions and miscellaneous applications shall also stand dismissed in view of the judgment in the present case. There shall be no order as to costs. All pending applications are disposed of."
