PART I

Punjab Government Notifications and Orders

GOVERNMENT OF PUNJAB

WATER RESOURCES DEPARTMENT PUNJAB, CHANDIGARH

NOTIFICATION

The 10th December, 2021

No.17/97/2021-3IP3/2099.-

Policy for allowing use of the land belonging to Water Resources Department for laying pipelines of any type/cables including the crossings.

The application for above said purpose complete with the drawings based on the plans table survey along with X-sections of canal/drain and the details of the pipelines/cabel and the technology to be used for laying (i.e. open trench or tunnelling) along with processing charges shall be made to the concerned Executive Engineer, who after examining the proposal shall forward the case to superintending Engineer, who after examining the proposal shall forward the case to Superintending Engineer for getting the clearance from Chief Engineer/Design Water Systems before issuing the approval. If the case is found fit in-principal, the applicant needs to deposit the following fee/charges to the concerned Executive Engineer as mentioned in table below:-

Sr. No.	Description	Type of structure	Fee/ Charges	Remarks
1	Processing charges	For canals / drains having discharge less than 350 Cs	Rs 10000/- (Ten Thousand Only)	Non-refundable
		For canals / drains having discharge more than 350 Cs	Rs 25000/- (Twenty Five Thousand Only)	
2	Bank Guarantee	For canals / drains having discharge less than 350 Cs	Rs 5,00,000/- (Five Lakh Only)	- Valid for 1 year. - Refundable subject to the satisfaction of concerned Executive Engineer.
		For canals / drains having discharge more than 350 Cs	Rs 10,00,000/- (Ten Lakh Only)	
3	Supervision Charges	For Length of utility/ pipe upto 100 feet @ Rs. 40,000/- Lump sum	Rs. 40,000/- (Forty Thousand Only)	- Non-refundable 10% annual increment on fee/ charges.
		For Length of utility/ pipe from 100 to 300 feet @Rs. 600/- per foot	Rs. 40,000/- plus Rs. 600/- per foot after 100 feet.	
		For Length of utility /pipe from 300 to 500 feet @ Rs. 700/- per foot	Rs. 40,000/- plus Rs. 1,20,000/- plus Rs. 700/- per foot after 300 feet.	
		For Length of utility /pipe after 500 feet @ Rs. 800/- per foot	Rs. 40,000/- plus Rs. 1,20,000/- plus Rs. 1,40,000/- plus Rs. 800/- per foot after 500 feet.	

4	Compensation Charges For Right Of Use	@ 10% of the prevalent Collector Rate for the "Right of Use" of land involved.	For calculating the land area, the length shall be measured along the length of the utility line in the entire Govt. land boundary at the crossing site and width by adding one meter on either side of the outer diameter/ edges of the crossing pipeline/cable.
---	---------------------------------------	--	---

Only upon the deposition of fee/charges in advance, permission to start the work will be granted. Keeping in view the safety of canal/drain and their structures. Chief Engineer Design/Competent Authority reserves the right to accept or reject the application without assigning any reason. The format of application is enclosed as **Annexure-A**.

This policy supersedes all the other policies, if any, for crossing any Pipe Line & cable etc. along/across canals & drainage system/rivers of Water Resources Department Punjab.
