**GENERAL ADMINISTRATION DEPARTMENT**

**(SPECIAL D)**

DECLARATION OF ENTIRE AREA OF ATOMIC MINERALS DIRECTORATE FOR EXPLORATION AND RESEARCH, SOUTH CENTRAL REGION, CHERLAPALLY AS “PROHIBITED PLACE”.

*[G.O.Ms.No.224, General Administration (Special D), 21<sup>st</sup> November 2025.]*

Whereas, the Government of Telangana consider that the information with respect to the place specified in column (1) of the Schedule to this notification, or damage thereto, or the destruction, or obstruction thereof, or interference therewith would be useful to an enemy, and that the aforesaid place be declared to be a “**Prohibited Place**”.

Now, therefore, in exercise of the powers conferred by sub-clause (d) of clause (8) of Section 2 of the Official Secrets Act, 1923 (Central Act No.19 of 1923) read with the Notification S.O.No. 1285, dated: the 4<sup>th</sup> May, 1963 (No.F21/20/62-Poll-1) of the Ministry of Home Affairs, Government of India, New Delhi, and of all other powers hereunto enabling, the Governor of Telangana hereby declares that the place specified in column (1) and the location as specified in column (2) and the designation of the authority who issue passes /permits to the visitors as specified in column (3) of the Schedule below to be a “**Prohibited Place**” for the purposes of the said Act with effect on and from the date of publication of Notification.

**THE SCHEDULE**

| Place                                                                                                                                        | Location                                                                                                                     | Designation of the authority would issue passes/permits to the visitors                                                                          |
|----------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| (1)                                                                                                                                          | (2)                                                                                                                          | (3)                                                                                                                                              |
