**The Geo coordinates of the Base station Point linked to Survey of India GCP are as follows.**

| Sl. No | Location                                                                                                                                                                       | Easting (m) | Northing (m) | Latitude( <sup>0</sup> N) | Longitude( <sup>0</sup> E) |
|--------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|--------------|---------------------------|----------------------------|
| 1      | The stations are tagged to established Base Station Point (BSP) at FRO, Building, Sanjeevani Vanam, Ibrahimpatnam Range which is linked to SoI GCP, MRO Office, Ibrahimpatnam. | 249858.003  | 1902806.03   | 17.19644969               | 78.64808028                |

**Note: All Eastings, Northings in UTM Zone 44N, WGS 84 Datum**

**Annexure – I**

Internal angles at each station with Stations on either sides & distances between stations. The distance from previous station is recorded against the station number in table. The internal angles shall be established using the internal/external angle measuring instrument only like theodolite, but not with magnetic compass, after establishing at least two consecutive points with different Global Positioning System or Global Navigation Satellite System (DGPS/DGNSS) at 2 Kms interval along the boundary.

**Annexure-II**

Coordinates in 2D / Easting and Northing for each station in the corresponding UTM zone 44N, WGS 84 datum and distances between the station number in table. The points to be established by Electronic Total Station (ETS) & atleast two consecutive points initially with DGPS/DGNSS and at every 2 Km interval along the boundary.

Remarks:- 1. The Enclosures to be admitted within the block – Nil-  
2. Rights of way to be admitted within the block.

- (i) The P.W.D. road from Hyderabad to Devarakonda is admitted as a right of way for a width of 55'-0" at the time of U/s 4 notification. Later on the road is widened to 100'-0" road for movement of Small & Big vehicles. It runs along the boundary line and, enters the block between station Nos. 33 to 34 and running in south-easterly direction for about 1438 meters leave the block at station No.18.
- (ii) The fair weather road from Gurrunguda to Hyderabad - Devarakonda, P.W.D. Road to a width of 24'-0" is admitted as a right of way at the time of U/s 4 notification. Later on the road is widened to 40'-0" road for men, cattle and vehicles. It enters the block at station No.27 and running in North easterly direction for a distance of about 386 meters joins the Hyderabad- Devarakonda road leave the block at station No.32.
- (iii) An approach road from Hyderabad to Devarakonda P.W.D Road to reach Vipashyana Meditation Centre situated in Sahabnagar Kalan (V), Hayathnagar (M) of RR District, is admitted as a right of way for a width of 60'-0" road for men, cattle and vehicles (this right of way is accorded Stage-II approval vide GO.Ms No.96 EFS & T (For.I), Dept., Dated: 25.09.2023.). The approach road run from Hyderabad to Devarakonda P.W.D road in easterly direction within the block for a distance of about 482 meters and leave the block at station No.12.

**ANNEXURE-I**

Proposed Forest Block Gurramguda RF Block (171.899Ha)  
Internal Angles at Each Station.
