Notification

03/111/2021/Major/Mines/1880

The “Policy on mineral rejects/Sub grade ore/ By-product which were generated during the course of mining which were below the threshold value at that point in time, as stipulated in the amended Rule 12(1)(k) of the Minerals (Other than Atomic and Hydro Carbons Energy Mineral) Concession Rules, 2016 notified on 02-11-2021” as approved by the Government of Goa is hereby published for the general information of the public.

Shri Vivek H.P., I.A.S, Director & ex officio Joint Secretary (Mines & Geology).

Panaji, 6th January, 2022.

“Policy on mineral rejects/Sub grade ore/ By-product which were generated during the course of mining which were below the threshold value at that point in time, as stipulated in the amended Rule 12(1)(k) of the Minerals (Other than Atomic and Hydro Carbons Energy Mineral) Concession Rules, 2016 notified on 02-11-2021”

Background:— The Council of Ministers vide decision taken in LXth Cabinet Meeting held on 22-12-2021 resolved to direct the Department of Mines & Geology to formulate a policy with appropriate terms and conditions, in view of the representations received from erstwhile lease holders, which should be in line with the “Policy for regulating the mining dumps on Government and Private Lands and related issues”, “Goa Mineral Policy 2013”, the observations made therein by the Expert Committee constituted by Hon’ble Supreme Court in W. P. No. 435/2012 and directions of Hon’ble Supreme Court in connected matters, and the recent amendments in Minerals (Other than Atomic and Hydro Carbons Energy Mineral)

Concession Rules, 2016, published in the Official Gazette dated 02-11-2021, and place the same before the Council of Ministers for discussion and decision.

In view of the above directions of the Council of Ministers, the following Policy is envisaged.

Introduction.— 1. The Government of India has recently cried out amendments in Minerals (Other than Atomic and Hydro Carbons Energy Mineral) Concession Rules, 2016, published in the Official Gazette dated 02-11-2021 and the same has come into force on 02-11-2021 where in Rule 12 has been modified as mentioned below:

(ii) In sub-rule (1), in clause (k).—

(a) After the words “in respect of any mineral”, the words and figure “having a grade equal to or above the threshold value of such mineral, as notified by the Indian Bureau of Mines under the Mineral Conservation and Development Rules, 2017,” shall be inserted;

(b) after the first proviso, the following proviso shall be inserted, namely:—

“Provided further that in case of overburden or the waste rock or the mineral below the threshold value, which is generated during the course of mining or beneficiation of the mineral; or any minor mineral extracted along with the mineral for which lease is granted, the State Government in consultation with the Indian Bureau of Mines may, by order permit the lessee to dispose of such material in such quantity and in such manner as may be specified therein, on such payment as may be decided by the State Government;”.

The above Notification has been made in order to promote zero waste mining and the same will have to be made applicable in the State of Goa, albeit in conformity with various directions of Hon’ble Supreme Court and Hon’ble High Court in connected matters and various

policies made by the State Government to that effect.

2. The manner in which the dumps of overburden, waste are to be regulated was a subject matter of a Six Member Expert Committee Report (the members of such committee were finalised by Hon'ble Supreme Court based on the recommendations made by the petitioner namely Goa Foundation) prepared under directions of the Hon'ble Supreme Court in terms of judgment dated 21st April, 2014, in Writ Petition (Civil) No. 435 of 2012 and other connected matters. The State of Goa has filed an I.A 6524/2020 on 08-01-2020 before the Hon'ble Supreme Court in Writ Petition (C) No. 435/2012 for permitting the State Government to handle such mining dumps and the hearing in this regard is in progress.

3. The Hon'ble Supreme Court vide it's judgment dated 21-04-2014 in Writ Petition (Civil) No. 435 of 2012 on issues related to iron ore mining in the State of Goa has issued following directions:

"88.11: The Expert Committee will submit its Report within six months from today on how the mining dumps in the State of Goa should be dealt with and will submit its final Report within twelve months from today on the cap to be put on the annual excavation of iron ore in Goa".

4. The Expert Committee while making their recommendations has observed as under:—

"dumps or stacks of ore (raw or processed) that are marketable presently are not dealt with in this report."

The Expert Committee has also observed that:

"The State Government has submitted its Goa Mineral Policy (GMP 2013) to the Hon'ble Supreme Court and to this Committee. The Policy states that:

A. Predominantly all dumping activities in Goa has been done in areas outside mining lease and in non-forest lands which did not attract forest clearances.

B. Such dumping has always been in accordance with the approved mining plan and other requisite clearances, from time to time.

C. The State Government has formulated a policy for the mining dumps on Government and private land located outside the mining lease by way of the Land Revenue Code (Amendment) Act, 2013.

There has been no observation and/or order in the judgement of this Court dated 21st April, 2014, on ownership and/or expropriation of dumps within or outside the mining lease. Therefore, the levy of fees and the handling of the dumps is a State matter and needs to be governed by the State, in accordance with the Goa (Prevention of Illegal Mining, Storage, Transportation of Minerals) Rules, 2013 and GMP 2013, other relevant Acts and Rules."

5. The State Government had formulated the Policy in the year 2013 namely "Policy for regulating the mining dumps on Government and Private Lands and related issues" to provide for regularization of the use of land for dumping of overburden (referred to as dumps), waste, sub-grade, tailing etc. (hereinafter referred as sub grade minerals), as the case may be, on payment of a levy under section 36 of the Land Revenue Code. The said Policy was notified on 03-09-2013.

6. The said Policy continues to govern the aspect of maintaining of dumps and sub-grade mineral ore, as the case may be, where the parties have acted and the State has collected the revenue as per this policy from the entities maintaining such dumps or sub-grade mineral ore for regularization and utilization of lands for the said purpose and also issued Sanads to that effect.

7. The said policy was framed subsequent to The Land Revenue Code (Amendment) Act, 2013, vide amendment to section 33 of the Code, which empowered the Government to impose a fine in cases where the land was used for dumping mining rejects or like material without permission. The amendment states as under:

“(1A) Where the land has been used for dumping mining rejects or like material without permission, the Government may impose such fine as may be prescribed”.

The State Government has collected revenue in terms of conversion charges and fines in view of the above stated Policy.

8. The State of Goa formulated the Goa Mineral Policy, 2013, wherein the aspects of how to handle dumps have been envisaged. The said mineral policy has been cited in W.P. No. 435/2012 and the Expert Committee has also made a reference about the same in its report.

9. The said mineral policy has neither been set aside by the Hon'ble Supreme Court nor has been withdrawn by the State Government. It is pertinent to mention the relevant portion pertaining to handling of dumps in Goa Mineral Policy, 2013, at point No. 6.3.8 which is reproduced as below:—

“Dump handling outside the leasehold area shall be allowed only in cases where in the land has been converted to non-agricultural use. The dues with respect to same have been deposited with Government by the concerned lease holder or the erstwhile concessioner. The dump handling would be permitted only in cases where the removal shall be in the interest of the environment or if the land can be put to some agriculture or allied activities, or if removal of such dumps shall avoid risk of polluting the water resources and the alike. In addition to this, the leaseholder shall obtain necessary clearance from the Goa State Environmental Impact Assessment Authority, consent under Air and Water Act from Goa State Pollution Control Board and permission from Office of Department of Mines and Geology”

10. Also, the Hon'ble Supreme Court in *Chowgule & Co.(P) Ltd. vs Goa Foundation*, (2020) 12 SCC 56 had observed as under:—

“35. There is no doubt that the ownership of the ore is that of the party that has raised the ore. The ore which has been permitted to be transported is on

condition of payment of royalty. We see no reason why the owners should not be allowed to transport their own ore.”

In view of all the above facts and circumstances, the Council of Ministers in the LXth Cabinet meeting held on 22-12-2021 had directed to formulate a Policy with appropriate terms and conditions, in view of the representations received from erstwhile lease holders, which should be in line with the “Policy for regulating the mining dumps on Government and Private Lands and related issues”, “Goa Mineral policy 2013”, the observations made therein by the Expert Committee constituted by Hon'ble Supreme Court in W.P. No. 435/2012 and the directions of Hon'ble Supreme Court connected matters, and the recent amendments in Mineral (Other than Atomic and Hydro Carbons Energy Mineral) Concession Rules, 2016, published in the Official Gazette dated 02-11-2021.

Accordingly, the following Policy is envisaged:—

Scope of the Policy:— The Policy shall cover only such mineral rejects/ Sub grade ore/ By-product which were generated during the course of mining and were below the threshold value at that point in time, as stipulated in the amended Rule 12(1)(k) of the Minerals (Other than Atomic and Hydro Carbons Energy Mineral) Concession Rules, 2016 and as such have become marketable at present. In view of directions of Hon'ble Supreme Court in W.P No. 435/2012, and other connected matters, the manner in which, policy shall be made applicable is prescribed as mentioned below:—

a) Mineral rejects/Sub grade ore/By-product generated prior to 22-11-2007.

i) The Directorate of Mines & Geology, on case to case basis, upon verification of relevant records/documents, may permit the lessee the transportation of all such mineral rejects/sub-grade ore/ by-product, which were generated during the course of mining prior to 22-11-2007 and stacked within the lease area and were below the threshold value

at that point in time and have become marketable at present, in view of the amended Rule 12(1)(k) of Minerals (Other than Atomic and Hydro Carbons Energy Mineral) Concession Rules, 2016 provided that the applicant makes the payment as specified in Schedule of Charges in this policy, and obtains necessary statutory clearances and permission from Indian Bureau of Mines and Directorate General of Mines Safety.

ii) The Directorate of Mines & Geology, on case to case basis, upon verification of relevant records/documents, may permit the lessee the transportation of all such mineral rejects/sub-grade ore/by-product, which were generated during the course of mining prior to 22-11-2007 and were below the threshold value at that point in time and have become marketable at present, which are stacked outside the lease area on such lands including private lands and or Government lands as per the provisions of MMDR Act, 1957 and Rules prevalent at that point of time, for which appropriate charges have been paid and conversion sanad obtained as stipulated in the "Policy for regulating the mining dumps on Government and Private Lands and related issues" dated 3-09-2013 or Net Present Value i.e. NPV paid and obtained clearance under Forest Conservation Act, 1980 and other Acts and Rules as applicable, provided that the applicant makes the payment as specified in Schedule of Charges in this policy, and obtains necessary statutory clearances and permission from Indian Bureau of Mines and Directorate General of Mines Safety.

iii) All such mineral rejects/sub-grade ore/by-product which were generated during the course of mining prior to 22-11-2007 and were below the threshold value at that point in time and have become marketable at present which are stacked outside the lease area on Government lands, the State

Government shall bear the liberty to take all the appropriate action as deemed fit, including the confiscation and auctioning of the mineral rejects/sub-grade ore/by-product by Government, if the applicant has not complied with the provisions of the "Policy for regulating the mining dumps on Government and Private Lands and related issues" dated 03-09-2013.

b) Mineral rejects/Sub grade ore/By-product generated from 23-11-2007 to 11-09-2012.

i) The mineral rejects/Sub grade ore/By-product which were generated during the course of mining from 23-11-2007 to 11-09-2012 shall be disposed off as may be determined by the State Government including auctioning as per the existing e-auction policy of the State Government.

c) Mineral rejects/Sub grade ore/By-product generated post 11-09-12.

i) The Directorate of Mines & Geology, on case to case basis, upon verification of relevant records/documents, may permit the lessee the transportation of all such mineral rejects/sub-grade ore/by-product, which were generated during the course of mining post 11-9-2012 and stacked within the lease area and were below the threshold value at that point in time and have become marketable at present, in view of the amended Rule 12(1)(k) of Minerals (Other than Atomic and Hydro Carbons Energy Mineral) Concession Rules, 2016 provided that the applicant makes the payment as specified in Schedule of Charges in this policy, and obtains necessary statutory clearances and permission from Indian Bureau of Mines and Directorate General of Mines Safety.

d) The Directorate of Mines & Geology shall maintain an inventory of the above transportation of material in the State of Goa.

e) The permission for transportation of all such mineral rejects/sub-grade ore/by-

product which were generated during the course of mining prior to 22-11-2007 and post 11-09-2012, which were below the threshold value at that point in time and have become marketable at present shall be in conformity with the recent Amendments in Minerals (Other than Atomic and Hydro Carbons Energy Mineral) Concession Rules, 2016, published in the Official Gazette dated 02-11-2021, "Policy for regulating the mining dumps on Government and Private Lands and related issues", "Goa Mineral Policy 2013", The Goa (Prevention of Illegal Mining, Storage and Transportation of Minerals) Rules, 2013, the observations made therein by the Expert Committee constituted by Hon'ble Supreme Court in W.P. No. 435/2012 and directions of Hon'ble Supreme Court in connected matters.

f) Schedule of Charges:

i) ⁱ In case of the material where in the grade is above current threshold value as published by Indian Bureau of Mines, the royalty shall be charged by the State Government as per the Average Sale Price of Minerals as prescribed by the Indian Bureau of Mines.

ii) In case of the material where in the grade is below the current threshold value as published by Indian Bureau of Mines, the royalty shall be chargeable on the line of the highest royalty rate charged amongst the minor minerals as prescribed by the State Government.

iii) Apart from payment of royalty, the applicant shall also pay DMF, GIOPF and NMET, whichever are applicable under the MMDR Act, 1957 and Rules made there under by the State Government and any other charges as may be prescribed from time to time by State Government.

Removal of Difficulty.— 1) The Government reserves the right to accept or reject any application.

2) The Government shall not be responsible for any dispute between mining leaseholder/ mine operator/applicant, the land owner or

any other party, and the applicant shall indemnify the Government to the extent.

Powers of the State Government.— Notwithstanding anything contained in the foregoing paragraphs of the aforesaid Policy, the State Government, by issuance of notification in the Official Gazette, may amend or withdraw any of the provisions mentioned here in above.

ⁱ The threshold value of the mineral is subject to notifications issued by Indian Bureau of Mines from time to time.

By order and in the name of the Governor of Goa.

Vivek H. P, IAS, Director & ex officio Joint Secretary (Mines & Geology).

Notification

DMG/SCHEME/LOAN/PART-III/1870

Mining has been one of the important economic sectors of the Goan economy. The Supreme Court ban of Mining in Goa in September, 2012 has resulted in stoppage on all mining activities in the entire State. This has resulted in financial distress for all the stakeholders. The borrowers who availed credit facilities, for acquisition of barges, trucks, tippers and mining machinery/ equipment operating in the mining sector, from various Financial Institutions (Public, Private, Cooperative, Societies, NBFCs and EDC) had been unable to meet their repayment commitments. The NPAs (Non-performing Assets) of the Banks/Financial Institutions pertaining to the mining loans had mounted substantially, especially in the co-operative sector.

Taking into consideration the scenario, the Government had requested the financial institutions not to take coercive measures to recover their dues from the borrowers, until the restoration of the mining activities. They had honoured the request of the Government and desisted from taking action and

considered rescheduling and settlement of some loan accounts of the borrowers by granting waiver.

The Financial Institutions had agreed to consider one time settlement of the loans of the borrowers in the mining sector and accordingly worked out one time settlement scheme to be offered to the borrowers in the mining sector, who would like to settle their loans with them. The Government on its part has committed to provide financial relief to the borrowers who for no fault of theirs were defaulters with the banks and were in financial distress. The Hon'ble Chief Minister in his Budget speech for financial year 2014-15 had announced financial assistance and provided an amount Rs. 150.00 crores as mining relief fund to support the mining affected people. In addition to the assistance of Rs. 150 crore, a provision of Rs. 250 crores had been made in the supplementary Budget for the Debt Relief Scheme. The Government had decided to extend subsidy to borrowers of Banks/Institutions related to mining activities, who come forward to settle these liabilities with the Financial Institutions.

Accordingly the "Debt Relief Scheme for mining affected borrowers of Financial Institution" was notified by the Government vide Notification No. DMG/SCHEME/LOAN/1781 dated 2nd September, 2014 and published in the Extraordinary Official Gazette, Series I No. 22 dated 3rd September, 2014 and further extended vide the following Notifications:—

(i) Notification No. DMG/SCHEME/LOAN/3530 dated 27-02-2015 published in the Official Gazette, Series I No. 48 dated 27-02-2015.

(ii) Notification No. DMG/SCHEME/LOAN/2558 dated 03-09-2015 published in the Official Gazette, Series I No. 23 dated 03-09-2015.

(iii) Notification No. DMG/SCHEME/LOAN/PART-I/3563 dated 27-11-2015 published in the (Extraordinary) Official Gazette, Series I No. 23 dated 27-11-2015.

(iv) Notification No. DMG/SCHEME/LOAN/PART-III/2298 dated 05-10-2017 published in the Official Gazette, Series I No. 28 dated 12-10-2017.

(v) Notification No. DMG/SCHEME/LOAN/PART-III/3370 dated 09-01-2018 published in the Extraordinary Official Gazette, Series I No. 40 dated 10-01-2018.

(vi) Notification No. DMG/SCHEME/LOAN/PART-III/5018 dated 29-05-2018 published in the Official Gazette, Series II No. 9 dated 31-05-2018.

(vii) Notification No. DMG/SCHEME/LOAN/PART-III/7298 dated 21-11-2018 published in the Official Gazette, Series I No. 35 dated 29-11-2018.

(viii) Notification No. DMG/SCHEME/LOAN/PART-III/11438 dated 12-02-2020 published in the Official Gazette, Series I No. 47 dated 20-02-2020 extending scheme till 31-03-2021.

There were request from various stakeholders to extend the said scheme as the said scheme had expired on 31-03-2021. The said requests were forwarded to the Government wherein the Government had instructed "to re-introduce the scheme" due to which details of pending claims and subsidy claims to be released to the Financial Institutions were taken from the EDC Ltd. which was the Nodal Agency for the scheme. The EDC Ltd. submitted a list of "Accounts who have not paid their amount and banks have not submitted claims with the EDC Ltd. for release of the subsidy" which includes 111 Nos. of borrowers and amount of Rs. 9,25,86,970/- (Annexure I) and list of "Accounts who have submitted claims and pending for release of the subsidy by the Directorate of Mines & Geology to EDC Ltd". (22 borrowers) amounting to Rs. 1,57,94,721/- (Annexure – II).

The total Nos. of borrowers are therefore 133 with total claims amounting to Rs. 9,25,86,970/- + Rs. 1,57,94,721/- = Rs. 10,83,81,691/-

The list is annexed herewith as Annexure I and II to the scheme.

The EDC Ltd. also have to be reimbursed 1% processing charges on said disbursement.

The Government has therefore decided to extend the subsidy to the borrowers of the banks (Financial Institutions) related to mining activities who have come forward to settle their liabilities with the financial institutions as per the list annexed to the scheme as Annexure I and Annexure II only.

Short title.— (i) The scheme shall be called as “Debt Relief Scheme for mining affected borrowers of Financial Institution”.

(ii) The scheme shall come into force from the date of its notification in the Official Gazette. The scheme shall remain in force for a period of 12 months only and is applicable to “Accounts who have not paid their amount and banks have not submitted claims with the EDC Ltd. for release of the subsidy which includes 111 Nos. of borrowers as per Annexure I and list of Accounts who have submitted claims and pending for release of the subsidy by the Directorate of Mines & Geology to EDC Ltd. which includes 22 Nos. of borrowers as per Annexure—II.
