Department of Tourism**Notification**

4/1(126)26/DT/5998

Date : 30-Jan-2026

Government of Goa is hereby pleased to notify the “Inbound Tour Operators Incentive Scheme, 2026” to inbound tour operators based solely on actual operational performance—measured by arriving international passenger numbers and load factor and the same is published herewith for information of the concern Stake holders/General Public.

Kedar Naik, Director (Tourism) & ex officio Addl. Secretary.

Panaji.

“Inbound Tour Operators Incentive Scheme 2026”**1. Short title and commencement.—**

1.1 The scheme shall be called “Inbound Tour Operators Incentive Scheme, 2026”.

1.2 The scheme shall come into force from the date of its publication in the Official Gazette.

2. Introduction.—

2.1 Tourism is a major contributor to Goa’s economy, supporting employment, local enterprises, and state revenue. However, post-COVID, international tourist arrivals to Goa have gradually recovered compared to domestic segments. A key challenge remains the limited scale of international charter flight operations, particularly from underserved and emerging source markets.

2.2 To address this gap, the Department of Tourism, Government of Goa is launching a Performance-Linked Incentive (PLI) Scheme for inbound international charter flights. The scheme offers targeted financial incentives to inbound tour operators based solely on actual operational performance—measured by arriving international passenger numbers and load factor.

2.3 By encouraging sustainable and market-driven expansion of charter services, this scheme aims to enhance international tourist traffic, attract new source markets, and reinforce Goa’s position as a premier global tourism destination.

3. Scope of the Scheme.—

3.1 The scheme shall be applicable only to international charters arriving at Goa International Airport (Dabolim – GOI) and the Manohar International Airport (Mopa – GOX).

3.2 The scheme shall cover operations on:

a. Existing International Charter Markets

b. New international Charter Markets not previously operated to either airport.

c. International charter flights operated during the monsoon period (June to September) from both existing and new international markets.

3.3 Incentives shall be applicable for operations of international charter flights on both existing international charter markets and newly introduced international charter routes. For existing markets and Monsoon International Charter Flights, assistance shall be provided only on flights operated over the defined base year levels. Charters under all categories mentioned above shall be subject to achieving the prescribed minimum Passenger Load Factor (PLF) as well as the minimum stay of 7 days by disembarked passengers forming the 70% PLF.

3.4 For the purpose of this scheme, the base year shall be defined as the twelve-month period commencing on 1st January and ending on 31st December immediately preceding the assessment cycle (for the year for which the incentives are applicable). Accordingly, new international markets introduced in a particular assessment year shall be treated as existing markets in the subsequent assessment years.

3.5 Incentives will be provided to Inbound Tour Operators, with priority given to operations from new international markets, subject to the availability of budgetary provisions.

3.6 No financial support shall be extended in the form of upfront grants, viability gap funding, or fixed subsidies. Incentives shall be disbursed solely on the basis of verifiable post-operational performance metrics, as specified in the Pattern of Assistance.

3.7 The horizon period of the scheme by the Department of Tourism for a period of 3 years and may be renewed annually at the discretion of the Department.

4. *Eligibility.*—

4.1 The scheme shall be open to Inbound Tour Operators registered with Department of Tourism, Government of Goa.

4.2 All aircraft deployed under this scheme shall be required to meet the safety, airworthiness, and operational compliance standards prescribed by the Directorate General of Civil Aviation (DGCA) and aligned with International Civil Aviation Organization (ICAO) norms.

4.3 Not be under investigation, blacklisted, or debarred by any government authority in India or abroad.

5. *Procedure for Applying for Financial Assistance.*—

5.1 Application.— The application for claiming performance-linked financial incentive under this Scheme shall be submitted to the Department of Tourism, Government of Goa, which shall act as the Nodal Authority for processing and disbursement.

5.2 The prescribed application form shall be made available on the official website of the Department of Tourism, Government of Goa: www.goatourism.gov.in. The completed application form, along with all requisite documents, shall be submitted after completion of the assessment year.

5.3 The application must include:

- i. Certificate of registration as an Inbound Tour Operator from the Department of Tourism.
- ii. Flight details (origin, aircraft type, date of operation, seat capacity).
- iii. Passenger manifest with verified list of tourists by Bureau of Immigration (BoI)/DGCA/Airport Authorities.
- iv. Proof of arrivals (boarding passes, immigration stamps, itinerary).
- v. Bank account details for direct transfer of incentive.
- vi. Declaration confirming that all data submitted for verification (passenger volume, load factor) shall be authentic and auditable.
- vii. Proof that each passenger (aggregating to 70% PLF) stayed in Goa for a minimum of 7 days, such as hotel booking confirmations, check-in/check-out records, or invoices from registered accommodation providers.

5.4 The applicant shall bring all original documents for verification at the time of scrutiny. Attested copies must be submitted with the application for record purposes.

5.5 Verification.—

- i. The PLF and length of stay of passengers will be checked against actual passenger numbers and accommodation records to confirm eligibility.
- ii. Random audits and inspections may be conducted. Any misrepresentation will result in disqualification and recovery of funds.
- iii. The load factor achieved on each eligible route, as verified through DGCA traffic reports, operator submitted data, and/or airport authority records.

5.6 Disbursement.—

- i. Subject to verification of the performance metrics specified under Clause 5.5 and fulfillment of minimum eligibility thresholds, the incentive amount shall be processed on an annual basis by the Department of Tourism, Government of Goa.
- ii. The Department of Tourism reserves the right to:
 - a. Waive, reduce, or reject incentive claims partially or fully based on verification outcomes or non-compliance.
 - b. Conduct random or scheduled audits and inspections of the data submitted.
 - c. Recover disbursed amounts in the event of misrepresentation, ineligibility, or non-compliance.
 - d. Payments will be transferred directly to the bank account of the inbound tour operator.
 - e. Disbursement will be strictly subject to availability of funds and adherence to scheme criteria.

Pattern of Assistance:

5.7 For existing markets, incentives will apply only to incremental flights over the base year levels, while for new international markets, all flights operated in the assessment year shall be eligible. Additionally, international charter flights operated during the monsoon period (June to September) from both existing and new markets shall also qualify. A uniform incentive of INR 2,00,000 per eligible flight shall be provided under any one applicable category, ensuring that the same flight is not counted under multiple categories.

5.8 Incentives shall be provided to international charter flights with Passenger Load Factor (PLF) of minimum 70%.

5.9 Further, the incentive shall be applicable only for international charter flights where the passengers forming the 70% PLF disembark in Goa and stay for a minimum duration of 7 days.

5.10 If multiple inbound tour operators jointly use the same international charter flight, the incentive shall be proportionately divided among them based on the number of seats utilized by each operator.

6. Additional Conditions.—

6.1 The maximum annual incentive payout per inbound tour operator shall be capped at INR 35 lakh.

6.2 The total annual budget allocated under this scheme shall be INR 2,00,00,000 for FY26–27.

6.3 Claims must be submitted within 30 days of the end of each assessment year.

6.4 Prior registration under the scheme is mandatory before claiming incentives.

6.5 Incentives will only be given to the operator(s) filing the claim; no duplication of claims will be allowed.

6.6 Misreporting or non-compliance will result in disqualification and recovery of funds.

7. Review and Recalibration.—

7.1 The implementation of the scheme shall be subject to an annual review to assess its effectiveness, fiscal sustainability, and alignment with evolving policy priorities. Based on such review, the Department of Tourism, Government of Goa may modify the scheme structure, performance thresholds, or incentive amounts, subject to availability of budgetary allocations.

8. Interpretation of the provisions of the Scheme.—

8.1 In the event of any question or doubt arising with regard to the interpretation of any clause, term, word, or expression contained in this Scheme, the matter shall be referred to the Government of Goa. The decision of the Government in such matters shall be final and binding on all parties concerned.

9. Redressal of Grievance and Dispute.—

9.1 Any grievance or dispute arising out of the implementation of this Scheme shall be referred to the Secretary (Tourism), Government of Goa. The Secretary (Tourism) shall consider and dispose of such matters, and the decision so taken shall be final and binding on all parties concerned.

9.2 This Scheme is issued with the approval of the Government and with the concurrence of the Finance Department (Expenditure) vide FMS No. 1400119514 dated 03-01-2026 and with the administrative approval of the Government under U.O. No.423/F dated 06-10-2025.
