Department of Industries

NOTIFICATION

3rd JUNE 2026

04Tak/Compliance Reduction and Deregulation/04/2025 part/1123—The state Government is implementing the Compliance Reduction and Deregulation Initiative – Phase II in alignment with the national reform agenda circulated by the Cabinet Secretariat, Government of India. The Compliance measures to improve the ease of doing business by reducing the compliance burden and strengthening institutional support systems for enterprises, particularly Micro, Small and Medium Enterprises (MSMEs).

2. It has been observed that despite the availability of testing laboratories and facilities in various government departments, academic institutions and autonomous organisations, information relating to such facilities remains fragmented across different agencies. This results in limited awareness among MSMEs regarding accessible testing infrastructure required for regulatory compliance, quality certification, product standardisation and export requirements.

3. In order to improve accessibility, transparency, and utilisation of testing infrastructure available in the state, the Government considers it necessary to compile and publish a consolidated directory of testing facilities located within the State of Bihar and accessible to MSMEs.

4. Now, therefore, in pursuance of the above objective and in order to facilitate MSME access to reliable testing services, the compiled consolidated directory of Testing Facilities available in the state is published under the following URL:

<https://swc2.bihar.gov.in/investor/testing-facilities>

5. The objective of the initiative is to enable MSMEs to access timely, affordable and reliable testing services, thereby facilitating compliance with regulatory standards, improving product quality, and enhancing export competitiveness.

6. The notification shall come into effect from the date of its publication in the official Gazette.

7. The proposal has the approval of the competent authority.

By the order of the Governor of Bihar,

Aman Samir, IAS.

Director (MSME),

Directorate of MSME.
